Gladys Maria Sotomayor Booth

Rally Cry William R. Forstchen, 1990 When Union Colonel Andrew Keane and his soldiers were swept through a space-time warp, they found themselves in an alternate world where their rifles were centuries advanced over swords, spears and crossbows. But they also found themselves up against creatures who considered humans mere cattle to sacrifice!

The Lost Cry Dennis E. Donham, 2017-06-16 Two young women die at a private New England college twenty years apart. Yet the deaths are related by a Greek fraternity and sorority. An African-American professor and provost of the college wants to find out who's responsible, but the college president and dean of students want the investigation stopped. A mobster whose son is involved also wants it to stop and is willing to blackmail the professor to see that it is dropped. But professor is willing to sacrifice all to find the truth.

The Crying Book Heather Christle, 2019-11-05 NATIONAL BESTSELLER A poignant and piercing examination of the phenomenon of tears—exhaustive, yes, but also open-ended. . . A deeply felt, and genuinely touching, book. —Esmé Weijun Wang, author of *The Collected Schizophrenias* Spellbinding and propulsive—the map of a luminous mind in conversation with books, songs, friends, scientific theories, literary histories, her own jagged joy, and despair. Heather Christle is a visionary writer. —Leni Zumas, author of *Red Clocks* This bestselling lyrical, moving book: part essay, part memoir, part surprising cultural study is an examination of why we cry, how we cry, and what it means to cry from a woman on the cusp of motherhood confronting her own depression (The New York Times Book Review). Heather Christle has just lost a dear friend to suicide and now must reckon with her own depression and the birth of her first child. As she faces her grief and impending parenthood, she decides to research the act of crying: what it is and why people do it, even if they rarely talk about it. Along the way, she discovers an artist who designed a frozen-tear-shooting gun and a moth that feeds on the tears of other animals. She researches tear-collecting devices (lachrymatories) and explores the role white women's tears play in racist violence. Honest, intelligent, rapturous, and surprising, Christle's investigations look through a mosaic of science, history, and her own lived experience to find new ways of understanding life, loss, and mental illness. *The Crying Book* is a deeply personal tribute to the fascinating strangeness of tears and the unexpected resilience of joy.

When You Hear the Cry of the Lost Gladys Maria Sotomayor Booth, 2011-12

If He Had Been with Me Laura Nowlin, 2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Battle Cry Jason Wilson, 2021-09-21 In a culture that tells men to suppress instead of express, join bestselling author, speaker, and leader Jason Wilson (featured in the award-winning ESPN documentary *The Cave of Adullam*) as he calls us to unlearn society's definition of masculinity and discover the power of engaging with our emotions. For decades, Jason was losing the war within--the internal battle that many men wage on a daily basis. He struggled to combat his toxic thoughts and emotions, communicating without composure, and ultimately hurting himself and his loved ones. When Jason began to release years of unresolved trauma, he learned how to acknowledge his emotions and express them in a healthy way. He discovered that he was strengthened by transparency and vulnerability, which taught him to forgive, trust, and love without limitations. Soon, Jason's newfound practices began to heal his relationships and transform his life. Throughout his journey of opening up, Jason became a better husband, father, and leader--and you can, too. Supported by Biblical teachings, the lessons that Jason shares in *Battle Cry* teach us that we can all be empowered to break through what we've been through. Jason calls us to become better versions of ourselves, equipping us with the mental and spiritual weapons needed to redefine modern

masculinity and showing us how to: embrace our emotions rather than be ruled by them win internal battles before they become external wars break free from misconstrued masculinity and embrace our humanity communicate more effectively with the people in our lives heal trauma from our past in order to live our fullest lives in the present Battle Cry proves that it's possible to live beyond the limitations of your mind and finally experience the full life you've always longed for. What are you waiting for? It's time to win the war within.

The Cry of the Lost Myriah Grabish, 2019-01-04 Lauren has a problem. She didn't mean to get pregnant, but it happened. Now she's faced with a choice: keep the child and risk her abusive father finding out, or abort and save the fragile life she has. Tory also has a problem. Her best friend has betrayed her in order to gain favor with the school's 'in' crowd, and when Tory decides to make friends with the outcast, she finds herself outcasted as well, something she's not sure she can handle on her own. Both girls have tough choices ahead. The choices one makes in the end will dramatically affect the other in an unexpected way.

Fishwives Sally Bellerose, 2021-02-09 Eighty-nine-year-old Regina and ninety-year-old Jackie met in 1955, an era when women were rounded up and jailed simply for dancing together or dressing like a man. On a cold winter day they manage to get themselves out of the house with the help of TJ and Ramon, two young men from their working-class neighborhood in Western Massachusetts. They tie their long-dead Christmas tree to the top of their car and, using a screwdriver in place of a broken gearshift, slowly make the drive to the dump. This is also the day when everything changes. During the course of their adventure, memories are triggered. Their history as a passionate and devoted, but troubled couple at the intersection of historic cultural and political change unfolds via scenes from the past—including their first meeting during a police raid on a bar and Regina's epiphany that she could truly love another woman. In the early years, they often live apart as they flee landlords who discover their secret. As their journey leads them to seek jobs and a sustainable life, they are sometimes separated—but always find their way back to each other. Combining the pathos and social significance of *Fried Green Tomatoes at the Whistle Stop Café* and the humor of *The Golden* with a cast of diverse characters worthy of the musical *Rent*, *Fishwives* chronicles a lifetime through the eyes of two old women behaving badly.

Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

The Last Cry From the Wild Emily Von Sydow, 2008-11-03 There are many good reasons not to get a dog. Sensible and rational people willingly present them in excruciating detail. But finally, you resist no more and make the decision. This is rarely a spontaneous action in our western urban societies, but rather the end of a cumbersome study of dog books, pet shops, internet pages and parks, where everybody seems so pleased with the joyous Daxhounds, their agile Jack Russells, and

their devoted Collies. We know of many who have emerged through that process, turning every stone in the examination. The toughest resistance usually fails when, after an unsuccessful deviation, the family has bought a turtle, an Egyptian rat or a long eared rabbit. When these animals have escaped from their cage into the bathroom ventilator, never to return or fallen prey to a fox, when left alone in the wild, you realise that it's time for a real pet, a beast that needs a strangler and a leather lead. This is when the Dog appears as the ideal compromise between a horse and a hamster. The Dog fulfils endless needs and functions. It keeps the loner company, instils courage in the fearful, finds trails for the hunter, creates chaos for the pedant, forges friendship with the mob victim, adds frivolity to the serious, esteem to the despised, beauty to the plain, direction to the one-eyed, occupation to the unemployed, youth to the ageing, vigour to the gouty, status to the poor, power to the oppressed. The Dog's main function is nevertheless that it reconnects me with nature, at the moment I believed I had lost the feeling for the original. It links me with my Atavus. The Dog is the last cry from the wild and in the following essays, I hope you will follow me on that journey.

A Good Cry Nikki Giovanni, 2017-10-24 The poetry of Nikki Giovanni has spurred movements, turned hearts and informed generations. She's been hailed as a firebrand, a radical, a courageous activist who has spoken out on the sensitive issues that touch our national consciousness, including race and gender, social justice, protest, violence in the home and in the streets, and why black lives matter. One of America's most celebrated poets looks inward in this powerful collection, a rumination on her life and the people who have shaped her. As energetic and relevant as ever, Nikki now offers us an intimate, affecting, and illuminating look at her personal history and the mysteries of her own heart. In *A Good Cry*, she takes us into her confidence, describing the joy and peril of aging and recalling the violence that permeated her parents' marriage and her early life. She pays homage to the people who have given her life meaning and joy: her grandparents, who took her in and saved her life; the poets and thinkers who have influenced her; and the students who have surrounded her. Nikki also celebrates her good friend, Maya Angelou, and the many years of friendship, poetry, and kitchen-table laughter they shared before Angelou's death in 2014.

Your Cry Has Been Heard Beth Michael, 2009-12 *Your Cry Have Been Heard* has a message the world needs to hear, a message of hope from people who have been lost, experienced deep pain, who have been in the bottom of the pit and have found the way out to let us know that no matter who we are, no one is beyond God's reach. It is a unique book filled with wisdom and love, a book that will impact its readers - and with enough readers, will have a positive impact on society as a whole to make this world a better place for all of us to live in. In the fifty plus years I have walked with God, I have seen times change. The world is no longer a place where even children and youth can feel safe and secure. Abuse increases, crime is in the news daily, horror stories I can't fathom. God's Word predicts this - evil will increase in the end times. Beth Michael I don't get easily touched by writers except for the likes of Ted Dekker. *YOUR CRY HAS BEEN HEARD* is everything I imagined and much more. With its insight, candor, personal tragedies and triumphs this book will mesmerize the reader and go a long way in redeeming many hearts to the throne of grace. God's signature is clearly with this Ministry; it shall come to pass that this book will be published successfully and our goal to touch as many hearts as possible will succeed beyond our wildest dreams. Lawan Baldwin *Your Cry Has Been Heard* Would you buy this book Yes, certainly, and would try to get it into our schools, libraries, and colleges. This book will touch your heart and open your eyes!
