Journey to the Lost Temple Susannah Leigh, 1994

The Fifth Jewel of Earth James W. Greenhalge, 2014-10-21 Then quietly the Counselor continued, “Your traveling is needed again. The pendant you wear was purchased at an awesome price. That much is finished! And no principality or power—in heaven or on earth—can undo that accomplishment. The bridge has been rebuilt and the path has been thrown open. Now you must complete your traveling in fear and trembling. Salvation is between you and the King, but working out your salvation is between you and Me. Wisdom has been given to allow you to see the plan, Knowledge to understand the circumstances, and Belief in the Plan to strengthen you for the long, hard journey. Choosing life,” here the Counselor hesitated, touched again by the inestimable cost of that horrific sacrifice, “provides you with an inerrant compass toward home. Now I need you to acquire Right Standing, the privilege to face the Creator in His throne room. He is perfection itself, chosen mortal, and all imperfection will be consumed by His righteous indignation. Your best efforts will not be enough!” “Not enough?” The last sentence echoed down the corridor. Your best efforts will not be enough? How was he to acquire something which his best efforts could not attain? How do you acquire the unattainable? Fifth in the Jewels of Earth collection, the continued fighting in the “forever war” has already cost the king His life and the Traveler narrowly escaped with his own. To return to the fluid battlefield of time is dangerous enough, but the enemy is attempting to alter the timeline and the forces of the Cabala are taking matters into their own hands. Failure forfeits the future. Yet even if he succeeds, the Traveler risks never being able to return home. His journey is yours. Join the resistance! There is a jewel waiting for you!

Chasing the Mountain of Light Kevin Rushby, 2015-09-22 The Koh-i-Noor diamond known as the Mountain of Light, the world's largest diamond, was found in India, traveled from Golconda to the Mughal palaces in the north. Fought over, cursed at and occasionally lost, it finally reached the Sikhs in the Punjab, only to be seized by British agents eager to please young Queen Victoria. It now lies in the Tower of London where some say its curse controls the fate of the Windsor family. In *Chasing the Mountain of Light*, Kevin Rushby pursues the dramatic career of the Koh-i-Noor on a journey to the heart of Indian culture meeting dealers, smugglers, and petty crooks along the way. It's another adventure from Rushby whom the Washington Post recently compared to William S. Burroughs and Arthur Rimbaud.

Brotherhood of Light Lessons C. C. Zain (aka Elbert Benjamine),The Church of Light,2017-02-24 This book is a compilation of the authentic Brotherhood of Light Lessons by C. C. Zain. It contains over 5000 pages and all 23 volumes of the 21 Brotherhood of Light Course series. Divided into three branches of study: Astrology, Alchemy and Magic (which includes the tarot and kabbalah), there are seven courses in each branch. Zain integrates these fields of study into a unified understanding of how a student may apply Hermetic tradition and principles to build character, attract desired events into the life and significantly increase one's happiness, usefulness and spirituality. Only authentic Brotherhood of Light lessons by C. C. Zain can bear the trademark of the two interlaced trines, with the name of Deity in the center and astrological symbols around the outside. The Brotherhood of Light is a modern-day Mystery School Tradition which offers a self-paced, home study course in Hermeticism. The goal of The Brotherhood of Light teachings is

to create a world in which the dominant motivation of individuals is for Universal Welfare. That is, an ideal society that protects freedom of expression and worship, while simultaneously offering the tools by which freedom from want and fear can be achieved. We believe that this better world can be attained by becoming familiar with the facts of astrology, extra-sensory perception, directed-thinking and induced emotion, all taught in The Brotherhood of Light Lessons. The study and application of these teachings provides the aspirant with the tools to experience greater happiness, and spirituality, and to discover his or her role in God's Great Plan. The Body Temple Duane McEndree,Nancy McEndree,2009-10 From the beginning of time, mankind has searched the heavens to solve mysteries

that would explain their existence on this unique blue planet. Huge telescopes have been developed that reveal some of the amazing intricacies of the universe. The Doctors McEndree turn these telescopes into microscopes. The Doctors reveal in a unique way how God has placed within every system of the body, every organ, and every microscopic cell, a revelation of His plan of salvation. The story of redemption is told in the masterwork of God as we search the universe within the human body sanctuary. As God revealed Himself in the symbols found in the heavenly and earthly sanctuary, He reveals Himself again in the construction and workings of the Body Temple. God illumines His character of goodness, grace, mercy and love in microcosm in this unique evidence of anatomy and physiology as God made manifest His masterpiece--The Body Temple.
