Lisa Scharoun

America at the Mall Lisa Scharoun,2014-01-10 Since the construction of the first fully enclosed shopping center in 1952, the shopping mall has evolved into the heart of many suburban areas across the United States. More than simply a place to purchase goods, this veritable “temple of consumerism” has become a primary place for community and social interaction and an essential element in many citizens’ day-to-day lives. This study explores the spiritual, emotional and physical effects of the enclosed shopping mall on the public, chronicling the growth of the mall, its role in shaping urban and suburban life, its positive and negative impacts on society and the environment, and its future viability. As this work shows, the mall remains rich in symbolic influence, and in many ways mirrors the American condition.

The Metta Way: the Western Path of Lovingkindness George Hondruk,2024-02-21 Offering a recap of the tumultuous times and events citizens have lived through since Korea, The Metta Way: the Western Path of Lovingkindness, by author George Hondruk, shares how we can arrive together at a new spiritual framework for life on this planet, through an enlightened democracy and the Metta-Seva Way. Hondruk narrates the story of his life and times, woven within the seminal events of the Cold War, Civil Rights, his sexual naivete and confusion about what manhood should be, the war in Indochina, the peace movement, his retreat to normalcy, his stirring of spirit, the opioid epidemic, and the major figures of those times with whom he interacted. He tells how he discovered the Metta-Seva Way, a better way of living with lovingkindness as the base thought and emotion, with selfless service following naturally. Hondruk identifies it as our successful species survival tool. The Metta Way: the Western Path of Lovingkindness delivers the message that equality comes through diversity and inclusion and is both the history and destination of democracy, America, and all of us.

But Roma and Minnie’s heated rivalry goes cold after Merry discovers Minnie dead at the post office.
