Mallory's resilient path will inspire you to step into your power."—Gabby Bernstein, #1 New York Times bestselling author of *The Universe Has Your Back* Mallory Ervin is known for exuding energy, joy, and laughter. But despite her public accomplishments, Mallory is no stranger to battling unhealthy attachments to performance and success. Now, in her unforgettable debut book, Mallory invites readers to see how her surprising journey—from achievement and accolades to devastating, never-before-shared lows—guided her and led her to a deeply fulfilling life. In *Living Fully*, Mallory shares her personal story of overcoming the unhealthy and damaging patterns in her life and shows readers how to trade this for something completely new and more rewarding. What she discovered was there had always been a different life available to her, one that she had not yet seen. Now she encourages readers to resist a "just fine" existence and to step into a life they never dared to imagine before. Through inspiring stories and practical advice Mallory offers the motivation to:

- stop returning to a "just getting by" mentality
- shift perspective so blessings don't become burdens
- remember that life's curveballs don't have to knock you off your feet
- identify your passions and get back to your truest self
- slow down and enjoy the extraordinary in the everyday moments
- quiet the voice of fear
- get clear on the life you want

"I wrote this to be your wake-up call, the thing that turns the lights on

in your life and propels you to make real change, once and for all,” Mallory says. “I want you to wake up and stay awake.” For anyone hungry for a richer life, or tired of coasting through life in a “cruise control” mindset, *Living Fully* is the ultimate invitation to embrace abundance and joy—and not look back!

The Total Money Makeover Dave Ramsey,2009-12-29 The success stories speak for themselves in this book from money maestro Dave

Ramsey. Instead of promising the normal dose of quick fixes, Ramsey offers a bold, no-nonsense approach to money matters, providing not only the how-to but also a grounded and uplifting hope for getting out of debt and achieving total financial health. Ramsey debunks the many myths of money (exposing the dangers of cash advance, rent-to-own, debt consolidation) and attacks the illusions and downright deceptions of the American dream, which encourages nothing but overspending and massive amounts of debt. Don't even consider keeping up with the Joneses, Ramsey declares in his typically candid style. They're broke! The Total Money Makeover isn't theory. It works every single time. It works because it is simple. It works because it gets to the heart of the money problems: you. This 3rd edition of The Total Money Makeover includes a fresh cover design, all new personal success stories, and naysayers, and more.
