

The New Mass

A. M. Roguet

Is the New Mass of Pope Paul VI Invalid? Adam Miller, 2006-07-01 An indepth examination, critique, and refutation of arguments put forth by radical Catholic traditionalists who doubt or deny the validity of the New Rite of Mass promulgated by Pope Paul VI. Many Catholics have become confused as a result of such arguments. Miller addresses the matters concerning sufficiency vs. efficacy, and the new consecration form with the words for all in place of the traditional for many. Using both logic and authoritative Church documents, Miller brings clarity back to the forefront of this often confusing and divisive issue.

Liturgical Shipwreck Michael Davies, 2009 The world's foremost author on the liturgical changes documents the disaster to faith and Mass attendance caused by the Novus Ordo. Written with utmost respect, he says, nonetheless, "Facts cannot be loyal or disloyal, and the facts concerning the collapse of Mass attendance are, alas, only too true." Firm in its conclusion we must return to the traditional Mass. A must for all!

The Old Mass and the New Marc Aillet, 2010-09-02 Foreword by Bishop Dominique Rey Includes an Index In July 7, 2007, Pope Benedict XVI released his motu proprio *Summorum Pontificum*, allowing for unprecedented freedom for priests to celebrate the so-called Tridentine Mass, now referred to as the Extraordinary Form of the Mass, as opposed to the Mass of Paul VI, or the Ordinary Form. In this new book by French bishop Marc Aillet, the historical and cultural impetus for the motu proprio as well as the rich tradition of liturgical reform are explored. As a priest of the Community of Saint

Martin, which celebrates the Mass of Paul VI in Latin, Bishop Aillet has been committed to the promotion of liturgical reform that is rooted in tradition for many years. As bishop of the diocese of Bayonne in France, he has been instrumental in reintroducing the Extraordinary Form in his diocese. A work that is both easy to understand and deeply rich, *The Old Mass and the New* gives an overview of the history and theology of the liturgy. At the same time, Bishop Aillet beckons us to look ahead to move beyond the crisis in the liturgy to a reconciliation of these two forms of the Latin rite. An excellent introduction for those interested in the theological foundations of the liturgy. Includes the full text of *Summorum Pontificum* and Pope Benedict XVI's explanatory letter. This *motu proprio* is by no means a step backward. The gesture of reconciliation it expresses calls with prophetic voice for a liturgical renewal based on an increased theological and spiritual appreciation of the principles of the liturgical reform of Vatican II. -From the foreword by Bishop Dominique Rey

New Mass A. M. Roquet, 1978-12

General Instruction of the Roman Missal Catholic Church, 2003 From USCCB Publishing, this revision of the General Instruction of the Roman Missal (GIRM) seeks to promote more conscious, active, and full participation of the faithful in the mystery of the Eucharist. While the *Missale Romanum* contains the rite and prayers for Mass, the GIRM provides specific detail about each element of the Order of Mass as well as other information related to the Mass.

The Traditional Latin ('Tridentine') Mass Vs. the New (Novus Ordo) Mass MyCatholicSource Article Reprint, 2017-08-16 Don't miss this handy comparison between the Traditional Latin

'Tridentine' Mass (TLM) & the New 'Novus Ordo' (NO) Mass (introduced in the 1960's). These MyCatholicSource.com article reprints contain... * Brief comparisons of more than 400 points contrasting the TLM & NO * More than a dozen pictorial comparisons of TLM & NO externals * Well over 50 links for more information Includes... * Brief Comparison of the Old & New Rites of Mass (overview) * The Desire for the Traditional Mass - a Mere 'Preference'? * Comparisons Between the Traditional Latin ('Tridentine') Mass vs. the New (Novus Ordo) Mass (400+ individual comparisons) * Some Further Questions to Consider * 'Tridentine' Vs. Novus Ordo: Some Pictorial Comparisons + + + I am convinced that the crisis in the Church that we are experiencing today is to a large extent due to the disintegration of the liturgy (Cardinal Ratzinger, the future Pope Benedict XVI) + + + We went from having a liturgy that was rejected by heretics to one that heretics freely use; from one considered outstanding in beauty to one called 'banal'. We went from one that was holy, reverent, and universal to one that is often irreverent - even invalid - and divisive; from one that was controlled to one that is often 'out of control'. We went from enjoying the richest of fruits to suffering from many bitter fruits. Considering that the Mass is the 'heartbeat of the Church', it is clear that the 'health' of the Mass affects the Church at large. As our enemies have always known, 'It's the Mass that matters!' (The Traditional Latin 'Tridentine' Mass vs. the New 'Novus Ordo' Mass) + + + Whether you're already attached to the Traditional Latin Mass, or whether you attend the Novus Ordo Mass, you won't want to miss this 'informative & handy' reference publication. The Ottaviani Intervention Alfredo Ottaviani, Antonio Bacci, 2015-09 A RESPONSE TO ONE OF THE MOST CRITICAL MOMENTS IN THE HISTORY OF THE CHURCH It is evident that the Novus Ordo has no intention of presenting the faith as taught by the Council of Trent, to which, nonetheless, the Catholic conscience is bound forever. With the promulgation of the Novus Ordo, the loyal Catholic is thus faced with a most tragic alternative. This statement, made with absolute and definitive clarity, from Section VI of the Ottaviani Intervention, was made in response to what might be considered one of the most critical moments in the history of the Catholic Church since the original Pentecost Sunday, the traditional worship of the Roman Church was about to be replaced. The issue of the ongoing liturgical revolution in the Catholic Church became critical on April 28, 1969, when Paul VI announced the Novus Ordo Missae. It was the last chance for action within the traditional channels of ecclesiastical authority. Somehow the pope had to be dissuaded from implementing this substitute for the traditional Catholic Mass of the Roman Rite. This attempt,

ultimately unsuccessful, was done in A Critical Study of the New Order of Mass...or what has become known as the Ottaviani Intervention.

A Biblical Walk Through The Mass Edward Sri, 2014-06-25 As Catholics, the Mass is the center of our Faith. We celebrate it every day. We know all the responses. We know all the gestures. But do we know what it all means? In A Biblical Walk Through the Mass, Dr. Edward Sri takes us on a unique tour of the Liturgy. Based on the revised translation of the Mass, this book explores the biblical roots of the words and gestures we experience in the Liturgy and explains their profound significance. This intriguing look at the Mass is sure to renew your faith and deepen your devotion to the Eucharist. This book is used as the text for A Biblical Walk Through the Mass Study Program, but it may also be purchased separately at steep bulk discounts. For those not able to attend a study, this is a perfect resource for catechesis on the deep riches of the Mass.

The Problems with the Other Sacraments Rama P. Coomaraswamy, C M R I Fr Radecki, 2010 The Problem with the Other Sacraments is a must read for anyone who is concerned about saving their immortal soul and understanding deceptions and errors of the Second Vatican Council. In this book, Dr. Coomaraswamy exposes the defects of the sacraments of the Conciliar Church. He exposes the planned self-destruction of the Church as designed and executed by the Conciliar and Post-Conciliar progressive clergy, and their subtle plan to crucify the Church by destroying the sacraments. [Bishop Joseph S. Macek] Today, we are witnessing the auto-destruction of the Holy Roman Catholic Church. For the past 2,000 years, Satan has sought to destroy the Faith by perverting the truths that Christ taught the Apostles. Beginning in Jesus's own time with the betrayal of the arch-heretic Judas Iscariot, and continuing through the

centuries, waves of error have threatened to destroy the Church, only to break and be dashed upon the Rock of Peter. With the inception of the Second Vatican Council, however, this spirit of arch-heresy has been welcomed into the Church of Rome by progressivists. Today, we are witnessing the sin of malfeasance. Priests, Bishops, Cardinals, and Popes have embraced the spirit of Judas Iscariot and have betrayed Christ by allowing the Church to be destroyed from within. Satan is having His hour. Traditions are not 'changed', they are either kept or discarded. Destroy Christian (Catholic) Tradition-immemorial, if not Apostolic, ceremonies, laws and practices of the Church-and you undermine the Church itself. Such was the strategy of the modernists who, under the aegis of John XXIII's aggiornamento ('updating'), quickly seized control of the Second Vatican Council, which laid the groundwork for the overthrowing of Tradition. The revision of the Mass and the sacraments came in the wake of the Council; the specific changes made to the sacraments other than the Mass are well documented here by Dr. Coomaraswamy. [Bishop Robert F. McKenna, O.P.]

New Missal, Same Mass S. Joseph Lionel, 2011 The new Roman Missal is the third typical edition of the Roman Missal (Missale Romanum - editio typica tertia) promulgated by Pope John Paul II in the Jubilee Year 2000 and published in 2002. The English translation of this Missal is coming very soon. For a long time the English speaking believers have used and heard the words of this Missal which is the translation of the two previous editions of the post-Vatican II Missal in 1970 and 1975 respectively. Therefore, when the translation of the new Missal is introduced in the parishes, Catholics will hear some new words or expressions in the Holy Mass celebrated according to the Roman Rite. In this context, it becomes necessary to understand whether the new Missal is in conformity with the Tradition of the Church as a form of authentic progress. This book highlights how the new Missal follows the two principles for liturgical reform set forth by Vatican II: sound Tradition and legitimate progress.¹ The new Missal includes several additions and modifications in rubrics as well as texts. In order to understand and appreciate the new Missal, first of all we have set it in the historical and theological context of the Tradition of the Church. This historical and theological perspective will assist believers to see how the Church, the bride of Christ has tried to give perfect expressions in her prayer during every century according to the

contemporary needs guided by the indwelling of the Holy Spirit. With this background it would be easier to observe the modifications and additions in the various prayers of the new Roman Missal and discuss their significance and usefulness in pastoral circumstances. Before we begin to understand the changes in the new Missal and its vernacular translation, two popular misunderstandings about the Missal should be clarified. First of all, occasionally we hear people expressing concern that the new Missal is going to replace the Mass celebrated in English at present and mandate that in future Mass should be celebrated only in Latin. The new edition of the Roman Missal was published in Latin already in 2002 and it has been translated into several languages in the world. The new edition of the Missal that we consider at present is going to be in English and not in Latin; it is a translation of the Latin Missal just as the previous ones, which are currently in use. The Roman Missal is always written in Latin first then translated into vernacular. A second misunderstanding is that some express worries that the introduction of changes will cause confusion; hence postpone the introduction of the new edition of the Roman Missal. This fear is unfounded if one understands the history and content of the Missal. In the history of the Church there have been several revisions of the liturgical books and this new edition also fits into that pattern. The new Missal has been enriched in content, deeply rooted in Scripture and theology. The Missal has gone through a maze of discussions nationally and internationally with representatives from all English speaking countries, with experts in various fields, and bishops. One will find it instrumental to pray and articulate faith with better expressions rooted in Scripture and Christian Tradition. However, our human experience

teaches us that introduction of any thing new including a new car or appliance would cause some initial discomfort which will be eventually overcome when one wholeheartedly begins to use it. Similarly, the new translation may sound different initially, which can be easily overcome with appropriate catechesis on the Missal and active participation in the celebration of the Holy Mass.
