**Military Strategy of Small States** Håkan Edström, Dennis Gyllensporre, Jacob Westberg, 2018-08-28 The book explores how small states adjust their military strategies in response to external shocks. Using primary sources from four

Nordic countries, (Denmark, Finland, Norway, and Sweden), this volume explores how small states have adjusted their military strategies in response to external shocks of the 21st century. The 9/11 terrorist attacks, the Russian interventions in Georgia and Ukraine, and the rise of the Islamic State have all forced the Nordic states to adopt new strategies. While the responses have not been uniform, their differing relations to the EU and NATO have not prevented these countries from behaving similarly in military affairs. Limitations in military capacity has led all four countries to pursue strategies that include cooperation with more resourceful partners. It is necessary for them to cooperate with others to protect and promote their national interests. Moreover, the Nordic cosmopolitan outlook expresses milieu-shaping ambitions that we generally would not expect small states to pursue against a potential great power aggressor. This book will be of much interest to students of military strategy, defense studies, security studies, and international relations.

*I'll Ask You Three Times, Are You OK?* Naomi Shihab Nye, 2009-06-23 I am a poet, I said. It is my destiny to do strange things. My father gripped the wheel of his car. I am the chauffeur for foolishness. We said no more. Foolhardy missions. Life-altering conversations. Gifts—given and received. Loss. Getting lost. Wisdom delivered before dawn and deep into the night. Love and kissing (not necessarily in that order). Laughter. Rides on the edge. Roses. Ghosts. As a traveling poet and visiting teacher, Naomi Shihab Nye has spent a considerable amount of time in cars, both driving and being driven. Her observations, stories, encounters, and escapades—and the kernels of truth she gathers from them—are laugh-out-loud funny, deeply moving, and unforgettable. Buckle up.
