The Supremacy of God in Preaching John Piper, 2015-01-27 According to Warren Wiersbe, The Supremacy of God in Preaching calls us back to a biblical standard for preaching, a standard exemplified by many of the pulpit giants of the past, especially Jonathan Edwards and Charles Spurgeon. This newly revised and expanded edition is an essential guide for preachers who want to stir the embers of revival. The Hardest Sermons You'll Ever Have to Preach Zondervan, 2011-08-23 Cancer. Suicide. The death of a child. As much as we wish we could avoid tragedies like these, eventually they will strike your church community. When they do, pastors must be ready to offer help by communicating the life-changing message of the gospel in a way that offers hope, truth, and encouragement during these difficult circumstances. Those asked to preach in the midst of tragedy know the anxiety of trying to say appropriate things from God's Word that will comfort and strengthen God's people when emotions and faith are stretched thin. This indispensable resource helps pastors prepare sermons in the face of tragedies by providing suggestions for how to approach different kinds of tragedy, as well as insight into how to handle the theological challenges of human suffering. Each topic provides a specific description of the context of the tragedy, the key concerns that need to be addressed in the message, and an outline of the approach taken in the sample sermon that follows. Topics addressed include: abortion; abuse; responding to national and community tragedies; the death of a child; death due to cancer and prolonged sickness; death due to drunk driving; drug abuse; and suicide. Bryan Chapell, author of Christ-Centered Preaching, has gathered together messages from some of today's most trusted Christian leaders including: John Piper, Tim Keller, Michael Horton, Jack Collins, Dan Doriani, Jerram Barrs, Mike Khandjian, Robert Rayburn, Wilson Benton, Bob Flayhart, and George Robertson. Each chapter provides you with the resources you need to communicate the life-giving hope of the gospel in the midst of tragedy. In addition, the appendices provide further suggestions of biblical texts for addressing various subjects as well as guidance for conducting funerals.

every week. Conventional wisdom says that pastors need to sequester themselves to prepare their weekly sermon without distraction. But veteran preacher Frank Honeycutt suggests just the opposite: prepare your sermons as part of a daily, lived experience in the community. Using the days of the week as a framework, Honeycutt describes practical and essential tasks leading up to the writing and delivery of the Sunday sermon—habits that will provide lasting spiritual nourishment for pastors who plan for a long career in parish ministry. With humor and candid acknowledgment of his own mistakes and doubts, Honeycutt reflects on the joys and hazards of ministry and explains how a faithful process of preaching shapes pastors for a lifetime of healthy ministry.
