Icons of Rock: Elvis Presley ; Ray Charles; Chuck Berry ; Buddy Holly ; The Beach Boys ; James Brown ; The Beatles ; Bob Dylan ; The Rolling Stones ;

The Who ; The Byrds ; Jimi Hendrix Scott Schinder, Andy Schwartz, 2008 Icons of Rock offers an overview of rock's pervasive role in the United States by profiling the lives and work of the music's most legendary artists.

*Icons of Rock [2 volumes]* Scott Schinder, Andy Schwartz, 2007-12-30 More than half a century after the birth of rock, the musical genre that began as a rebellious underground phenomenon is now acknowledged as America's-and the world's-most popular and influential musical medium, as well as the soundtrack to several generations' worth of history. From Ray Charles to Joni Mitchell to Nirvana, rock music has been an undeniable force in both reflecting and shaping our cultural landscape. Icons of Rock offers a vivid overview of rock's pervasive role in contemporary society by profiling the lives and work of the music's most legendary artists. Most rock histories, by virtue of their all-encompassing scope, are unable to cover the lives and work of individual artists in depth, or to place those artists in a broader context. This two-volume set, by contrast, provides extensive biographies of the 24 greatest rock n' rollers of all time, examining their influences, innovations, and impact in a critical and historical perspective. Entries inside this unique reference explore the issues, trends, and movements that defined the cultural and social climate of the artists' music. Sidebars spotlight the many iconic elements associated with rock, such as rock festivals, protest songs, and the British Invasion. Providing a wealth of information on the icons, culture, and mythology of America's most beloved music, this biographical encyclopedia will serve as an invaluable resource for students and music fans alike.

This fantastic collection is newly revised and updated to include the covers from all 50 years of Rolling Stone history. With an updated introduction by Jann S. Wenner as well as new excerpts from the magazine and quotes from photographers and their celebrity subjects, this nostalgic journey down the memory lane of music, entertainment, and politics is irresistible.

**Let It Bleed** Gerard Van der Leun, 2009-11-02 Let it Bleed takes you where no Rolling Stones book has before. Author and photographer Ethan Russell was one of only sixteen people—including the Rolling Stones—who made up the 1969 tour. He was with them in their hotel rooms, at rehearsals, and on stage. He tells the story of this monumental and historic tour firsthand, including recollections from band members, crew, security, and other sixties icons—like Abbie Hoffman and Little Richard—they met along the way. And he also includes amazing photos of the performers who toured with the Stones that year: the legendary Tina Turner and B. B. King. Through vivid quotes taken from his interviews with the band and crew, and through more than 220 revealing photographs, Russell takes you behind the scenes for an uncensored look inside the Rolling Stones' world at the end of the sixties. It was an idealistic time, with an overarching belief that music could bring us all together. But the events that led to the terrible violence and stabbing death at Altamont would change rock and roll forever.

**The Rolling Stone Years** Baron Wolman, 2011 Presents portraits of music icons from the late 1960s and early 1970s by the first photographer for Rolling Stone magazine, along with anecdotes from the photographer's personal encounters with the music stars.

**The Rolling Stones** Ileen Sheppard-Gallagher, 2020 The Rolling Stones in a museum! Their work does not only consist of unforgettable and influential

music. Mick Jagger, Keith Richards, Charlie Watts, Ronnie Wood and other band members have also left their mark visually and tangibly. The list of fashion designers, artists, photographers, designers and filmmakers who have collaborated with the Stones coincides with the highlights of modern art history: Andy Warhol, Jeff Koons, Jean-Luc Godard, Martin Scorsese, Annie Leibovitz, Jean Paul Gaultier to Alexander McQueen and Gianni Versace. At the same time, The Rolling Stones have remained very recognizable, an icon. 'Unzipped' is the catalog accompanying the international exhibition of the same name. The book is full of photos and the band members often have their say in interviews made especially for this edition. With a foreword by the music journalist Anthony DeCurtis. Exhibition: Groninger Museum, Groningen, the Netherlands (14.11.2020-28.2.2021).
