*Amazing Arrested Development Quiz for Sitcom Fan* Leslie Gibbons, 2020-12-15 Arrested Development is a comedy series that first debuted in 2003. It was highly acclaimed by critics, but it had poor viewership and was barely holding on for most of its run. The show lasted for three seasons before it was sadly canceled. Those who watched Arrested Development quickly realized that it was

one of the best comedy shows ever made. It may be the only show that can go toe-to-toe with The Simpsons in terms of humor and quotability and come out the victor. Luckily, the way in which entertainment was consumed has changed since then, and Arrested Development grew a huge cult audience that wanted the show back on the air. Netflix stepped in and brought Arrested Development back to our screens in 2013. This book includes quizzes, questions and fun facts you need to know. Who does Tobias end up shooting? Where does Buster find Lucille's emergency wine? How old is Maeby in this episode? Let's explore now.
