

The Tarot

Robert Place

The Complete Book of Tarot Juliet Sharman-Burke, 1996-01-15 Offering a comprehensive understanding of the Tarot, its history, and its significance, this book also provides a complete home study program for the reader interested in expanding his or her powers of interpretation.

The Tarot Cynthia Giles, 1994-10 With more than 40 illustrations and an entertaining informative text, this elegantly designed book captures the scope, powers, and romance of the Tarot throughout the ages. Excellently researched, entertainingly and compellingly written.--Booklist.

The Tarot: A Collection of Secret Wisdom from Tarot's Mystical Origins F. Homer Curtiss, Harriette Augusta Curtiss, Manly P. Hall, A. E. Thierens, Papus, S. L. MacGregor Mathers, Arthur Edward Waite, Eliphaz Levi, P. D. Ouspensky, P. R. S. Folliott, 2021-11-23 A major contribution!" —Rachel Pollack, bestselling author of *Seventy-Eight Degrees of Wisdom* The definitive collection of rare, secret, and arcane tarot knowledge *The Tarot: A Collection of Secret Wisdom from Tarot's Mystical Origins* is the ultimate guide to the mysteries and lost knowledge of the tarot. This single volume includes more than ten selections from foundational tarot books, all from the 19th and 20th century. Many of these critical texts have been forgotten, fallen out of print, or are impossible to acquire. The Tarot reintroduces these books to the modern-day reader, unlocking the invisible power of the tarot for a new generation of card readers. The Tarot includes the following complete books: *The Tarot* by S. L. MacGregor Mathers *The Magical Ritual of the Sanctum Regnum* by Eliphaz Levi *Fortune Telling by Cards* by P. R. S. Folliott *The Pictorial Key to the Tarot* by Arthur Edward Waite *The Symbolism of the Tarot* by P.D. Ouspensky *The Tarot of the Bohemians* by Papus *The Key to the Universe* by Harriette Augusta Curtiss & F. Homer The Key of Destiny by Harriette Augusta Curtiss & F. Homer *The General Book of the Tarot* by A.E. Thierens

The Tarot also includes additional selections from Manly P. Hall and others. Featuring over 400 original black-and-white illustrations throughout the book, The Tarot is a gorgeous gift and an irresistible invitation to both seasoned readers and beginners to explore the esoteric wisdom of the cards.

The Tarot Robert Place, 2005-03-17 The Tarot is one of the few books that cuts through conventional misperceptions to explore the Tarot deck as it really developed in the Middle Ages and Renaissance Europe-not, as some would suggest, in the far reaches of Egyptian antiquity. Mining the Hermetic, alchemical, and Neoplatonic influences behind the evolution of the deck, author Robert M. Place provides a historically grounded and compelling portrait of the Tarot's true origins, without overlooking the deck's mystical dimensions. Indeed, Place uncommonly weds reliable historiography with a practical understanding of the intuitive help and divinatory guidance that the cards can bring. He presents techniques that offer new and valuable ways to read and interpret the cards. Based on a simple three-card spread, Place's approach can be used by either the seasoned practitioner or the new inquirer.

Learning the Tarot Joan Bunning, 1998-01-15 Learning the Tarot, Joan Bunning offers a complete course in 19 lessons that covers the basics and then gradually goes into more advanced concepts. First published in 1998, Joan Bunning's Learning the Tarot has become a tarot classic. Written in a confident and natural style, the book communicates the basic depth and beauty of each card, shows how the cards trigger psychological projection, and enhances intuition. Learning the Tarot is a thorough (but never overwhelming) invitation to the beginner. The book focuses in detail on: the actual process of discovering meaning in the cards how to consider one card by itself, how to look for card pairs how to create the story of a reading The book includes a convenient reference section

that contains two pages of information for each card, including a picture from the popular Waite-Smith deck, a description, keywords, action phrases, and suggestions for cards with similar and opposite meanings. The author first presented this course online at learntarot.com, which continues to attract over one hundred thousand visitors per month. "When I first created my website in 1995," writes Joan Bunning, "I never dreamed how much interest in the tarot I would find. People from all over the world began writing to tell me about their experiences with the course and their adventures with the cards. This response was music to my ears! I knew from my own experience that the tarot is a wonderful tool for personal guidance and inner exploration. "My goal with this book was to give you the basics you need to begin working with the tarot on your own. I try to make this inner process understandable by breaking it up into a series of steps that are simple while still doing justice to the depth and beauty of the cards. I concentrate on the everyday, showing how the tarot makes real, practical sense in the modern world. The tarot is a living system that adapts creatively to each user. Rather than rules, I offer guidelines. While reading my book, I want you to feel that you have a teacher sitting next to you who is introducing you to this special tool, but also encouraging you to go on to discover your own unique approach to the cards."

Understanding the Tarot Court Mary K. Greer, Tom Little, 2004 Just who are those kings, queens, knights, and pages in the Tarot deck? Generally considered the most difficult part of the Tarot to interpret, they actually represent different characters or personalities that are aspects of ourselves. They also serve as teachers or projections of our own unacknowledged qualities. Two esteemed Tarot scholars unmask the court cards with details not found in any other book. Discover your significator and your nemesis. Compare the differences among the cards in well-known decks. Match the court cards with the zodiac signs, the Myers-Briggs personality types, and the Jungian archetypes. Learn a

variety of spreads that reveal childhood issues, career destiny, and a storytelling spread to spark the creative writing process.

The Tarot Bible Sarah Bartlett, 2006 Starting with the basics--choosing the best pack, understanding the deck and its structure, asking the right questions--this comprehensive guide to working with Tarot provides all the information needed to do a full reading. On colorfully, sumptuously illustrated pages unfold the mysteries of each card's symbolic meaning. From the Magician to the Fool, the Lovers to the Hermit, every beautifully presented entry features a picture of the card, as well as keywords and phrases, astrological affinities, and a full interpretation. In-depth advice on laying out spreads for every day, relationships, revelations, and destiny help unlock the secrets of the past, present, and future. With everything from historical background to smart tips for developing skills and knowledge, this truly is the Tarot bible newcomers can depend on!

Mystical Origins of the Tarot Paul Huson, 2004-05-26 In *Mystical Origins of the Tarot*, Paul Huson traces each symbol of the Minor Arcana to ancient Persia, and the Major Arcana Trump card images to the medieval world. A thorough examination of each card is given, and how the cards' divinatory meanings evolved. Huson also provides concise and practical card-reading methods of the 18th and 19th centuries and reveals the origins of the card interpretations promoted by the Hermetic Order of the Golden Dawn and A. E. Waite.

The Book of Tarot Susan Gerulskis-Estes, 1994 Illustrated with the Morgan-Greer Tarot deck, this book approaches the tarot cards as allegory for explaining the subtle forces operating in the universe.

The Pictorial Key to the Tarot Arthur Edward Waite, 1971 1922 Being fragments of a secret tradition under the veil of divination. Illustrates the Greater and Lesser Arcana. Contents: Preface;

the Veil & its Symbols; the Doctrine Behind the Veil; the Outer Method of the Oracles; Bibliography.

Queering the Tarot Cassandra Snow, 2019-05-01 Tarot is best used as a tool for self-discovery, healing, growth, empowerment, and liberation. Tarot archetypes provide the reader with a window into present circumstances and future potential. But what if that window only opened up on a world that was white, European, and heterosexual? The interpretations of the tarot that have been passed down through tradition presuppose a commonality and normalcy among humanity. At the root of card meanings are archetypes that we accept without questioning. But at what point do archetypes become stereotypes? Humanity is diverse--culturally, spiritually, sexually. Tarot has the power to serve a greater population, with the right keys to unlock the tarot's deeper meanings. In *Queering the Tarot*, Cassandra Snow deconstructs the meanings of the 78 cards explaining the ways in which each card might be interpreted against the norm. *Queering the Tarot* explores themes of sexuality, coming out, gender and gender-queering, sources of oppression and empowerment, and many other topics especially familiar to not-straight folks. Cassandra's identity-based approach speaks directly to those whose identity is either up in the air or consuming the forefront of their consciousness. It also speaks to those struggling with mental illness or the effects of trauma, all seekers looking for personal affirmation that who they are is okay.

The Tarot Activity Book Andy Matzner, 2013-03-17 Did you know that tarot cards can have a rich and varied life outside of divination? They certainly do when you combine them with expressive arts activities such as writing, making art, and crafting. In this book, you'll learn how mixing tarot into the creative process is a fun and powerful way to stimulate your imagination. After all, each card is itself a mini artistic masterpiece, packed with symbolism and meaning. This makes them natural tools for developing self-awareness and personal transformation. Whether beginner or advanced, if you have

an interest in tarot you will find much to enjoy in this book. The nearly 100 activities and exercises will add quite another dimension to your experience with the cards. This book will also be useful if you are a mental health professional or art teacher who uses the expressive arts in your practice. Inside, you will discover a wealth of creative and therapeutic ideas regarding how to incorporate tarot into the work you do with clients or students.

The Tarot Mouni Sadhu, 2007-12-01 This scholarly work creates a new epoch in traditional occult philosophy. It is the first contemporary encyclopedic exposition of the great Western Tradition since the basic books by Eliphas Lvi and Papus, and it also has full practical utility. The Philosophical Tarot has always been recognized as a universal key to all wisdom attainable by human beings. This text will be of particular interest, because of its kindred approach, to the many readers of the extraordinary contemporary masterpiece *Meditations on the Tarot*, by an anonymous writer much valued in esoteric circles throughout the world. The present work is by no means just a theoretical treatise accessible only to specialists, for anyone can understand the initiatory concepts of Mouni Sadhu's Tarot, perceiving completely new horizons of thought, activity, psychology, cosmology, and practical esotericism. In this text a great number of questions which occur to the earnest seeker are answered in a new and fascinating way, and the solution of the philosophical equations arising from the Arcana opens new vistas in every field of life. The book is suitably subdivided into 100 separate lessons, allowing for systematic study.

Understanding The Tarot Juliet Sharman-Burke, Sharman Burke, 1998-04-15 A lavishly illustrated, full-color guide to mastering the art of reading the Tarot--by one of the best-known authorities on the subject.

An Introduction to the Study of the Tarot Paul Foster Case, 2008

Bringing the Tarot to Life Scott Martin, 2017-05-08 For many readers, tarot cards reveal their deepest wisdom through creative interaction. *Bringing the Tarot to Life* shows how to use theater games and acting techniques to gain new insights into the cards. With more than fifty imaginative exercises to be practiced alone or with a group, this book unlocks your intuitions and helps you experience the cards from the inside out. Just as an actor prepares for a new role, you can explore tarot through emotions, memories, role-playing, observation, bodywork, and imagination. This book is the perfect guide for readers who want outside-the-box techniques for relating to the cards from the deepest parts of the soul. Includes a foreword by Rachel Pollack, author of *The New Tarot Handbook*. Praise: "Come explore the drama in the cards! Scott Martin shows you how to breathe life and spirit into your Tarot deck, making the cards come alive. You'll get to know these characters from the inside out. And you'll have an outrageous amount of fun while doing it."—Mary K. Greer, author of *Mary K. Greer's 21 Ways to Read a Tarot Card* "Scott Martin's groundbreaking book is a magical mix of tarot and theater. Scott's expertise in both these arenas is further enhanced by his love of teaching and his sense of adventure and fun."—Ruth Ann & Wald Amberstone, *The Tarot School*

The Easiest Way to Learn the Tarot - Ever!! Dusty White, 2009-03-20 This is the definitive guide to learning and mastering Tarot quickly and easily. Unique, fun, easy-to-learn exercises teach you how to hear what the cards are trying to tell you. This book is perfect for the beginner: all you need to read the tarot is this book and a deck of cards (preferably the standard Rider decks you can find anywhere). We start you immediately practicing our unique, easy and fun exercises with your cards. You will spend your time playing with your cards, not memorizing rules and dogma from some book of archaic superstition and vague cards meanings. You see, this is not yet another book of Tarot

card meanings. How boring is that? We will start your hands-on learning immediately; you will be playing with your Tarot cards as they reveal the future to you. You learn by doing, not by memorizing outdated lies and superstitions. This is our official Tarot academy textbook, the same one we use to turn beginners into professionals. This (hands-on time and practice) is essential or you will be trapped in the cycle of buying more and more Tarot books that only make you more and more reliant on them for card meanings. Here is what you will by reading this book: What your cards are telling you every time you ask a question. What various meanings your cards can have (how else can 78 cards describe the thousands of things that could happen to you on any given day?) How to cast a spread and actually get reliable answers The best spreads to use, how to use them, and when to use them (for any occasion) What the cards traditionally mean and why that is important, but not more important than what your intuition is telling you right now The difference between average Tarot readers and masters is their ability to hear their inner voice, and see how card meanings adapt to the question being asked. We help you instinctively see exactly how cards blend, influence, and aspect other cards, and how to answer ANY question, even if you have never picked up a deck. We do this through unique exercises and games, taught nowhere else in the world. Click on the Look Inside link above to see exactly how you will quickly and easily master the Tarot. This is a highly interactive workbook: You don't just read this book and put it on the shelf-you practice what you learn in real time, and you see results instantly from your education. The more you practice the better your results will be and the more you will understand your cards. We even have TONS of free videos every week and audio lessons to supplement your education at our easy tarot lessons website. This book is the best way to start learning the tarot. When you have completed this book and you want to read cards better than most professional tarot readers you will ever meet, you will want to

pick up a copy of Advanced Tarot Secrets. That book will help you get 3-5 times more information from every spread you cast than anyone you know, and it will teach you the deepest secrets of distance divination and manifestation. Best of all, unlike any other professionally published tarot book this book comes with complete support. If you ever get lost, stuck, or bored, we are here to help. You can find us inside the book. Thanks for checking out The Easiest Way to Learn the Tarot- EVER!! We are here to help you. This is all we do.

The Tarot Companion Liz Dean, 2018-04-02 The Tarot Companion: A Portable Guide to Reading the Cards for Yourself and Others is a full-color quick-reference guide to understanding and reading the Tarot.

The Tarot Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Tarot has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Tarot has opened up a world of possibilities. Downloading The Tarot provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Tarot has democratized knowledge. Traditional books and academic

journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Tarot. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Tarot. Some websites may offer pirated or illegally obtained copies of

copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Tarot, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Tarot has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical

downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
