Love at First Click Laurie Davis,2013-01-08 One in five relationships starts on an online dating site, but little straightforward guidance exists for users. Enter digital dating whisperer Laurie Davis . . . In a world where we communicate as much via texts as we do through body language, this book empowers readers to log on and double click for love, taking them through the journey all online daters face—from choosing the right site, creating a profile, and navigating dates, to logging off with their perfect match. Love @ First Click is every online dater's guide to exploring the web with no-fail techniques. For example, uploading the right photos can attract someone who might otherwise pass you over. Setting a time limit on the first meet-up can leave your date excited to see you again. And the phrasing in your date's thank-you text after dinner can uncover how your click mate really feels about you. Whether you're a digital dating vet or virgin, this is the ultimate guide to online dating that will take your online crush to offline love.

Ultimate Guide to Pay-Per-Click Advertising Richard Stokes, 2014-03-17 Millions compete for exposure on Google, Yahoo!, and Bing, but 99% of them fail to get results. As the founder of leading digital intelligence firm, AdGooroo, search advertising authority Richard Stokes is in a unique position to reveal what's going wrong and provide solutions to fix it. Since the publication of the first edition, there have been a number of revolutionary changes in paid search. First, we are increasingly searching from our cell phones – not just desktops. Mobile search now accounts for 15% of searches in the US (up from ~0% in 2009). Second, Google is no longer the only game in town. Bing now accounts for 30% of all US searches and is growing in importance worldwide. Finally, “Search Extensions” have become a powerful new technique that search advertisers can use to gain an edge on the competition. With them, advertisers can collect phone numbers and email addresses with their ads, limit their ads to certain times of day, deliver coupons to nearby customers, and even provide handy “call me” buttons that are displayed only on cell phones. In this new edition, Stokes details all this and more, providing information exclusive to this guide and of priceless value to its more advanced search audience. With insider insight from Stokes and using proven strategies from today's search advertising elite, paid search advertisers discover how to drive significantly more traffic to their site, dramatically increase click-through rates, steal impressions from competitors, boost their conversions, and increase their sales by unbelievable amounts.

The Complete Step-by-Step Guide to Designing and Teaching Online Courses Joan Thormann, Isa Kaftal Zimmerman, 2015-04-26 In this valuable resource, experts share deep knowledge including practical “how-to” and preventive trouble-shooting tips. Instructors will learn about course design and development, instructional methods for online teaching, and student engagement and community building techniques. The book contains successful teaching strategies, guidance for facilitating interactions and responding to diversity, and assessments, as well as future directions for online learning. With many field-tested examples and practice assignments, and with voices from students, teachers, and experts, this book arms instructors and administrators with the tools they need to teach effective and empowering online courses. This one-stop resource addresses all of the core elements of online teaching in terms that are universally applicable to any content area and at any instructional level. “A rare book in education: one that is not only highly useful but also intellectually coherent and based on robusta>, transferable principles of learning and teaching. All educators—in online environments and in brick-and-mortar schools—will find this an invaluable resource.” —From the Foreword by Grant Wiggins “We now know we can get increased participation with online tools to make thinking more visible and switch the traditional delivery of instruction to personalize learning. While it is inevitable that online learning will become an important skill for everyone, the ideas, concepts, strategies, design elements, and tools in the book by Thormann and Zimmerman can also be applied to blended learning.” —Alan November, Senior Partner and Founder, November Learning “The authors of this book have created an excellent resource for anyone interested in becoming an online instructor or improving

his or her skills in online teaching. The authors share a wealth of step-by-step activities, examples of assignments and teaching strategies that will guide both novice and experienced teachers as they expand their skills into the online realm. Even as a ‘veteran’ online instructor the book provided me with new ideas to try in my next online class.” —Sam Gladstein, Coordinator, Edmonds eLearning Program at Edmonds School District, WA “Cheers to Thormann and Zimmerman for providing a must-read for online teaching. This clear and practical guide takes the instructor from design to implementation of online courses. The authors remove the anxiety about online teaching for those thinking about on-screen instruction, and provide new thinking and examples for those already immersed in it. It is a great guide for those entering the field and a superb resource for those actively engaged in it.” —Anthony J. Bent, Chairman, Global Studies-21st Century Skills Committee of the Massachusetts Association of School Superintendents

The Ultimate Guide to Content Marketing and Digital PR Charlie Marchant, Luke Nicholson, Tim Cameron-Kitchen, 2016-06-13 Ever wanted to get your business featured in publications like Forbes, National newspaper websites, magazines and trade journals? Perhaps you've noticed the rise of blogging and wondered how your business can tap into this ready-made network of highly influential people to boost your credibility and get in front of your perfect target audience? In this groundbreaking book, the superstar Digital PR team from Exposure Ninja break down step-by-step their process for getting any business in any market coverage in the most relevant online publications. Whether you want to build credibility to become an authority, drive traffic to your website or attract the sort of links that turbocharge ranking, this book will walk you through the process. You will discover: How businesses of all size - from 1 person to 100,000 people - can utilise Digital PR for free publicity. How to identify the perfect market to maximise the impact of your Digital PR. How to generate ideas and angles for stories that publications will bite your hand off for. The 'secret underworld' of Sponsored Content and how to utilise it for maximum profit. How to use Content Marketing to spread your reach through infographics, articles, and videos. How to find and connect with the most influential bloggers in your market and have them sing your praises publicly to their audience. How to use contests to boost your social media following (including one example that generated over 3,000 entries for less than the price of three cups of coffee). How and why to use live events to explode your online visibility (clue: the strategies in this section won't have even occurred to your competitors). How to create and manage a workable digital PR campaign in whatever time you have available, whether it's 20 minutes per week or 8 hours per day. How to use two hashtags on Twitter to 'unlock' a hidden world of journalists desperate to write about you (clue: see an example of this strategy where we sent 3 tweets which got us featured in Forbes, The Telegraph, and The Guardian websites in less than 2 weeks). What most businesses don't realise is that journalists, editors, and bloggers are crying out for good stories to write about. Provided that you understand exactly what they are looking for and how to position your business in a way that makes you interesting, rather than have to push push push, these gatekeepers will be coming to you asking for more! About The Authors Charlie and Luke head up Exposure Ninja's Digital PR team. With years of experience running campaigns for businesses in every imaginable market (and even some unimaginable ones!), they have developed a set of simple, easy-to-follow systems that mean any business can get the sort of visibility online that previously seemed out of reach. Tim Cameron-Kitchen is a 5-time bestselling author and Head Ninja at Exposure Ninja. Having helped tens of thousands of businesses to improve their online visibility and attract more customers from the Internet, he is one of the UK's leading Digital Marketing authorities and now runs the 65-strong digital marketing company Exposure Ninja. Who Is This Book For? Whether you are a solopreneur looking for free advertising or a large multinational wanting to develop a Digital PR strategy to tap into the new generation of online authorities, this book will guide you through the processes that Exposure Ninja uses day in, day out to get coverage for their clients in any market. From e-commerce stores to tradesmen, the range of strategies covered in this book means that whatever you sell and to whomever you sell it, you'll find the perfect angle for you. Hidden Extras This book comes with FREE lifetime updates and a digital marketing review worth £198. Details inside.

The Ultimate Guide To Sugars & Sweeteners Alan Barclay, Philippa Sandall, Claudia Shwide-Slavin, 2014-12-16 “The very first compendium of the sweet substances we typically eat and what happens once they’re in our body.” —New York Journal of Books Today, supermarkets and natural food stores feature a bewildering variety of sugars and alternative sweeteners. The deluge of conflicting information doesn’t help. If choosing a sweetener leaves you scratching your head, this handy guide will answer all of your questions—even the ones you didn’t know to ask: Which sweeteners perform well in baking? Will the kids notice if I sub in stevia? What’s the best pick if I’m watching my waistline, blood sugar, or environmental impact? Are any of them really superfoods . . . or toxic? Perfect for foodies, bakers, carb counters, parents, chefs, and clinicians, this delightfully readable book features more than 180 alphabetical entries on natural and artificial sweeteners, including the usual suspects (table sugar, honey), the controversial (aspartame, high-fructose corn syrup), the hyped (coconut sugar, monk fruit sweetener), and the unfamiliar (Chinese rock sugar, isomaltulose). You’ll also find myth-busting Q&As, intriguing trivia, side-by-side comparisons of how sweeteners perform in classic baked goods, and info on food-additive regulations, dental health, the glycemic index, and more. Your sweet tooth is in for a real education! “An honest, comprehensive book based on facts, for those who want to see the meeting of history, science, and common sense. It covers every sweetener you have heard of, plus many you may never encounter. One of the few books that put sugar and sweetness in context so you can make a wise judgment.” —Glenn Cardwell, author of *Gold Medal Nutrition*
