enemy may be their best hope for curing Lily—and saving the human race.

The Vault! Jerome McDougal, 2011-04-01 The Vault is a fictional novel based on a real happening. On Valentine's weekend, 1952, persons unknown to this day broke a hole in the wall of the Pioneer Vault and spent three days inside opening four hundred fourteen boxes and collecting no one really knows how much money, jewelry, and government-issued gold certificates. They even went out and got themselves sandwiches and coffee several times during the weekend and left the empty wrappers and paper cups on the floor. Most of the boxes belonged to officials of some stature from Seattle, Tacoma, Olympia, and who knows where else. Rumor has it one of them belonged to Jimmy Hoffa, and the owners of the Fisher Flower Company had twenty-eight \$100,000 gold certificates in one of the boxes. The rest was mostly all undeclared cash. Reports said the persons only got away with about \$5,000. The reason they opened so many boxes was that they were searching for the Fisher Flower Company certificates, however, they left over \$25,000 in ones and change on the floor. I created a fictional storyline, charging some very unlikely people with the task of robbing the vault, while at the same time our two heroes find the loves of their lives. And through some humorous, very unlikely, and heart-warming experiences, they succeed in pulling off the biggest unsolved-to-this-day robbery in the history of the United States. Through my own research, I would guess the amount taken was somewhere in the neighborhood of \$23,500,000 not counting the solid gold bars and jewelry.

Some of it turned up in Las Vegas in 1980 in a pawn shop. Remember, back then, it was all silver and gold certificates worth much more today. If a person looks carefully at the cover picture you can see they knew which ones they wanted to open...someone had a list, I think... This book is very fun reading and exciting as five very unlikely persons travel to Seattle and meet through very implausible circumstances and the plan comes together and the vault is robbed. Exciting and intriguing. You just want to keep on reading until it is over and you still want to know what happened after that...

The Vault Boyd Morrison, 2011-07-05 A combat engineer and linguistics expert must find the connection between Archimedes and the legend of King Midas before it is too late.

Alien Vault Ian Nathan, Veronica Cartwright, 2019-11-19 Alien Vault is the ultimate tribute to a film that changed cinema forever.

Up from the Vault John T. Soister, 2010-06-28 A number of thrillers made in the 1920s and 1930s have become available again thanks to new technology. There are a few, however, that remain elusive to most, if not all, movie buffs. This book covers 21 thrillers from those decades that are well-regarded and eagerly sought, but difficult to find—The Mystery of Dr. Fu Manchu (1923), The Unknown Purple (1923), The Sorrows of Satan (1926), While London Sleeps (1926), The Monkey Talks (1927), The Chinese Parrot (1927), Stark Mad (1929), The Unholy Night (1929), High Treason (1929), The Spider (1931), Eran Trece (1931), The Monkey's Paw (1933), Trick for Trick (1933),

Deluge (1933), The Vanishing Shadow (1934), The Witching Hour (1934), Double Door (1934), Black Moon (1934), Le Golem (1936), The Scarab Murder Case (1937), and Sh! The Octopus (1937). For each film, the author provides such details as the production company, running time, release date(s), cast and production credits, a synopsis, and commentary.

The Avengers Vault Peter Allen David, 2015-03-05 A visual history of one of Marvel's major brands: The Avengers. The book will trace the evolution of Thor, Iron Man, the Hulk and Captain America from comic book issue No. 1 in 1963, through their incarnations in film, animation and merchandise, to their current blockbuster status. As with Alien Vault and Terminator Vault it will feature rare and unseen artwork, and 10 pieces of removable memorabilia for fans to remove and examine. Published ahead of the second Avengers movie (which goes on general release in Summer 2015) the book will be a deluxe, official gift for film and comics fans alike.
