The Walking Dead: Compendium 1 Robert Kirkman, 2009-05-19 The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

The Walking Dead original novel series, set in the universe of Robert Kirkman's iconic comic book, continues with The Fall of the Governor. From co-authors Kirkman, creator of the Eisner Award-winning comic as well as executive producer of AMC's blockbuster TV series, and Jay Bonansinga, Stoker Award-finalist and internationally acclaimed author, comes the gripping third novel in this richly woven, page-turning literary saga, which began with The Walking Dead: Rise of the Governor. In Rise of the Governor, uber-villain Philip Blake journeyed from his humble beginnings directly into the dark heart of the zombie apocalypse, and became the self-proclaimed leader of a small town called Woodbury. In The Road to Woodbury, an innocent traveler named Lilly Caul wound up in the terrifying thrall of Phillip Blake's twisted, violent dictatorship within Woodbury's ever tightening barricades. And now, in The Fall of the Governor, the Governor's descent into madness finally erupts in a tour de force of action and horror. Beloved characters from the comic book, including Rick, Michonne, and Glenn, finally make their entrance onto this nightmarish stage, and fans of The Walking Dead will see these characters in a whole new light. Simmering grudges boil over into unthinkable confrontations, battle lines are drawn, and unexpected twists seal the fates of the innocent and guilty alike.
