Robert Kirkman

The Walking Dead Vol. 3 Robert Kirkman,2007-04-18 An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months, society has crumbled: There is no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, we are forced to finally begin living. This volume follows our band of survivors as they set up a permanent camp inside a prison. Relationships change, characters die, and our team of survivors learn there's something far more deadly than zombies out there...each other. Collects issues 13-18.

The Walking Dead: Compendium 1 Robert Kirkman,2009-05-19 The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

The Walking Dead Vol. 9 Robert Kirkman,2009-12-07 In the last volume we learned that no one is safe. Now after the staggering losses they've sustained, Rick and Carl are left to pick up the pieces and carry on... knowing that they could join their fallen friends and family at any moment. Collects issues 49-54.

The Walking Dead Vol. 25 Robert Kirkman,2016-03-30 After a devastating act of war by the Whisperers, Rick must chart a path for his community. But when his leadership is questioned, how will he respond?

The Walking Dead Vol. 1 Robert Kirkman,2004-05-12 Rick Grimes is not prepared for this. A couple months ago he was a small town cop who had never fired a shot and only ever saw one dead body. Separated from his family he must now sort through the death and confusion to try and find his wife and son. Collects issues #1-6.
