The World's Best Thin Books, Revised Joni Richards Bodart,2000-05-09 The book report is due and panic sets in.

A THIN book is the ticket. But perhaps a THINNER book? Or the THINNEST book of all? And how to pick one (quickly) that will be interesting? Students, teachers, and librarians will love this handy little volume that describes 100 titles recommended for middle and high school students. Readable, attention-grabbing—all are less than 200 pages. Each entry lists title and author, provides information on characters, plot, and action, and even suggests topics to cover in a book report. Librarians and teachers will appreciate the inclusion of curricular areas and readability indexes, and students will find the appendix on approaches to writing a book report or booktalk a real gold mine. Five indexes make locating the perfect title a breeze. The genre index guides you to the kind of book you want to read. The subject index lists dozens of subjects, from adoption to writing, divorce to time travel. The readability index guides you to the quick reads or thoughtful novels. If you have a favorite author or already know of a novel you want to read, there is the author or title index. Finally, the curriculum index allows you to look for a book for a particular class.

**Dickens** Charles Dudley Warner, 2008-01-01 Popular American essayist, novelist, and journalist CHARLES DUDLEY WARNER (1829-1900) was renowned for the warmth and intimacy of his writing, which encompassed travelogue, biography and autobiography, fiction, and more, and influenced entire generations of his fellow writers. Here, the prolific writer turned editor for his final grand work, a splendid survey of global literature, classic and modern, and it's not too much to suggest that if his friend and colleague Mark Twain-who stole Warner's quip about how everybody complains about the weather, but nobody does anything about it-had assembled this set, it would still be hailed today as one of the great achievements of the book world. *The Best Book in the World* Peter

Stjernström, 2014-04-01 Who will win the race to write the best book in the world, and to what unimaginable lengths will they go to get there first? A hilarious tale of authorly competition. Titus Jensen is middle-aged, has a fondness for alcohol, and makes ends meet by giving public readings from obscure books at festivals across Sweden. He can't help thinking there has to be more to life for an author of his quality. Eddie X is hip, a hit with the ladies, and loves being the center of attention. A radical poet and regular on the festival circuit, he can't help thinking there has to be more to life for a talented, good-looking man like himself. One night, after a successful event—Titus reads from *The Diseases of Swedish Monarchs* and Eddie X waxes lyrical to the thrashing tones of metal band *The Tourettes*—the unlikely pair get horribly drunk together and hatch a plan to achieve worldwide recognition. The answer is to write the best book in the world—a book so amazing that it will end up on all the bestseller lists in every category imaginable: thriller, self-help, cooking, business, dieting—a book that combines everything in one! But there can only be one such book, and as the alcohol-induced haze clears both men realize they are not willing to share the limelight. Hilariously quirky and witty, this novel will take readers on a meandering race to the finish line, throwing plenty of satirical punches along the way.
