The Wormworld Saga Vol. 4 Daniel Lieske,2019-10-29 In the fourth installment of The Wormworld Saga, Jonas sets off on his most dangerous mission yet. Accompanied by Raya and Master Otomo, the trio make their way to mushroom forest, a mountainside jungle crawling with gigantic fungi, mysterious enemies, and a deep secret about Jonas's destiny. As the companions finally come face-to-face with the Dark Minions, all hope seems lost in securing the world from the fire god's threats and glowing breath. In the midst of chaos and battle, Jonas's ties, history, and fate in the Wormworld suddenly start to piece together. Meanwhile, Muhadra, the great inventor behind Kingspeak's extravagant wealth, has made the biggest scientific breakthrough yet. By fusing together sun stones, Muhadra has found the most powerful energy source the villagers of Kingspeak have ever seen.

But with great technological advancements comes great danger.
Will the new discovery transform their city or destroy it?

The World of The Dark Crystal J.J. Llewellyn,2020-01-07 The World of The Dark Crystal invites fans to delve into the creation and lore of the Jim Henson classic through the evocative illustrations of Brian Froud, concept designer on the original film. Since its original release in 1982, Jim Henson's brilliant film The Dark Crystal has gone on to become a beloved cult classic. The World of Dark Crystal—the original companion art book to the film—was created by Henson and internationally renowned artist Brian Froud to showcase the gorgeous conceptual artwork created for the film and delve deeper into the lore that underpins Thra, the magical world at the heart of the film. Now, for the first time in over a decade, The World of Dark Crystal is back in print, featuring an abundance of striking art and all of the bonus material from the 2003 Collector's Edition. Also included in this exclusive volume is a

fascinating essay by Froud on the creative process behind the making of the film and a facsimile of a booklet presented to the film's early backers—a gorgeous overview of the story so rare only a few original copies exist. Beautiful, imaginative, and powerful, *The World of The Dark Crystal* celebrates the landmark fantasy film that continues to win new fans more than three decades after its release.

Mighty Jack and Zita the Spacegirl Ben Hatke, 2019-09-03 It's the middle-grade team-up of the century as the heroes of New York Times bestselling author Ben Hatke join forces to save the world in the epic graphic novel *Mighty Jack and Zita the Spacegirl*. Jack and Lilly are no strangers to heroics. They've befriended dragons, battled giants, and even earned the loyalty of a goblin army. So when they meet Zita the Spacegirl, fresh from her interplanetary travels and seeking their help to face a new threat, they're more than ready for another adventure. But the danger growing just outside the door to their world is greater than anything the new friends could have imagined. An army of giants and screeds stands ready to lay siege to Earth, determined to put the age of humans to an end. With the gate between worlds growing weaker and time running out, can the heroes come together to

save their world from their greatest enemy yet? This format is designed to be read on color devices and cannot be read on black-and-white e-readers.

Tank Girl: Free Comic Book Day 2018 Alan Martin,2018-10-19

As Tank Girl settles around the campfire with her friends to celebrate her big birthday, she recounts tales from her past that illustrate how she became the loveable, unhinged idiot that she is today. Reinventing Comics Scott McCloud,2000-07-25 In 1993, Scott

McCloud tore down the wall between high and low culture with the acclaimed international hit *Understanding Comics*, a massive comic book that explored the inner workings of the world's most misunderstood art form. Now, McCloud takes comics to the next level, charting twelve different revolutions in how comics are created, read, and perceived today, and how they're poised to conquer the new millennium. Part One of this fascinating and in-depth book includes: The life of comics as an art form and as literature The battle for creators' rights Reinventing the business of comics The volatile and shifting public perceptions of comics Sexual and ethnic representation on comics Then in Part Two, McCloud paints a breathtaking picture of comics' digital revolutions, including: The intricacies of digital production The exploding world of online delivery The ultimate challenges of the infinite digital canvas

Ghost Hog Joey Weiser, 2019 Truff is the ghost of a young boar, fueled by fury towards the hunter who shot her down. She has a lot to learn about her new afterlife, and thankfully the forest spirits Claude and Stanley are there to guide her! However, they soon find that her parents, along with their fellow animal villagers, have been kidnapped by the malicious mountain demon Mava! Truff wants to help, but ... the hunter is finally within her grasp, and

if she lets him go, she may never get her revenge! Is vengeance all that being a ghost is good for? Or is there something stronger keeping this little pig tethered to the living world?
