### **The Heart of Paul's Theology** Third Mill,Blaze,Grace

Institute,2020-04-16 Paul passionately proclaimed the good news of individual salvation in Jesus Christ. But this wasn't the heart of Paul's gospel.According to Paul, salvation is not primarily about individuals being saved from the wrath of God. Rather, the gospel is about the triumph of Jesus Christ and the kingdom of God. It is about God redeeming and recreating the heavens and the earth through Jesus Christ, and about our participation in that renewed world. -Thirdmill

### **The Prophetic Wisdom of Hosea** Third Mill,Blaze,Grace

Institute,2020-03-24 The prophet Hosea ministered during one of the most difficult times in Israel's history. In Hosea's day, both Israel and Judah faced serious threats from Assyria. In addition, by the time Hosea completed his book, the kingdom of Israel had fallen under

God's severe judgment, and judgment threatened Judah as well. In the midst of these struggles, God called Hosea to speak wisdom to his people. So, what did Hosea tell them? And what can we learn from his wisdom today? -Thirdmill

*Every Thought Captive* Richard L. Pratt, 1979 Publisher's description: How many Christians can defend their faith? I Peter 3:15 exhorts us to be ready to give a defense to anyone who asks about the hope within us. As we prepare our children for adulthood, part of bringing them to maturity should be teaching them biblically sound apologetics. *Every Thought Captive* was written with that very purpose in mind! Dr. Pratt created the lessons in this book for high school-age students to specifically train them in presuppositional apologetics, a genuine biblical defense of the faith. This book can be used for individual study or with a group. Parents, you may want to study alongside your student, equipping yourself as well as your child!

**He Gave Us Stories** Richard L. Pratt, 1993 Explains how to grasp and apply the timeless truths in Old Testament narratives.

**One Church, Many Congregations** J. V. Thomas, J. Timothy Ahlen, 1999 J. Timothy Ahlen and J. V. Thomas decided to explore what might be done to help churches overcome obstacles and truly minister to their communities. The answer they found has come to be known as the Key Church Strategy. At the heart of this strategy is the belief that a church can be comprised of many congregations, meeting separately yet ministering together, in a variety of different settings. The Key Church Strategy recognizes the cultural differences evident within North American society and presents the Christian message in a way that respects and communicates to the indigenous concerns of different cultural groups. The result is an exciting mixture

of different kinds of congregations - from traditional ones meeting in their own building to house churches to congregations whose members all come from the same apartment complex - that have been started by and belong to a single, sponsoring church. The Key Church Strategy has been adopted by 300 churches in 27 states. As laid out in this new book, the Key Church Strategy presents exciting and challenging ways to invite those around us into the life of Christian discipleship.

*Tilling the Church* Richard Lennan, 2022-04-15 Tilling the Church is a theology for the pilgrim church. In this book, Richard Lennan shows how the ecclesial community looks toward the fullness of God's reign but lives within the flux of history, the site of its relationship to the trinitarian God. In this way, God's grace "tills" the church, constantly refreshing the tradition of faith and prompting the discipleship that embodies the gospel. Tilling the Church explores the possibilities for a more faithful, just, and creative church, one responsive to the movement of grace. Fruitful engagement with grace requires the church's conversion, the ongoing formation of a community whose words and actions reflect the hope that grace engenders.

*Paul and his Theology* Stanley E. Porter, 2006-11-01 This volume consists of fifteen essays by an international group of scholars on a variety of topics in Pauline theology. These include his gentile mission, the concepts of faith, grace, and the law, reconciliation, the temple, eschatology, miracles, gender, and Paul's trinitarian tendencies.

**Missionshift** David Hesselgrave, Ed Stetzer, 2010 Essays on modern missions issues by Charles Van Engen, Paul Hiebert, and Ralph Winter, with responses from other missional leaders, edited by David Hesselgrave and Ed Stetzer.

**Liberating Ministry from the Success Syndrome** R. Kent Hughes, Barbara Hughes, 2008-01-07 Every year thousands of God's servants leave the ministry convinced they are failures. Years ago, in the midst of a crisis of faith, Kent Hughes almost became one of them. But instead he and his wife Barbara turned to God's Word,

determined to learn what God had to say about success and to evaluate their ministry from a biblical point of view. This book describes their journey and their liberation from the success syndrome-the misguided belief that success in ministry means increased numbers. In today's world it is easy to be seduced by the secular thinking that places a number on everything. But the authors teach that true success in ministry lies not in numbers but in several key areas: faithfulness, serving, loving, believing, prayer, holiness, and a Christlike attitude. Their thoughts will encourage readers who grapple with feelings of failure and lead them to a deeper, fuller understanding of success in Christian ministry. This book was originally published by Tyndale in 1987 and includes a new preface.

**The Hidden Delight of God** John Hever,2021-09-02

Christianity is Facing an Authenticity Crisis... Why do we feel the need to hide our struggles, doubts, and fears? Why is there sometimes a disconnect between our faith and our feelings? Why do we sometimes wonder,

God, what are you doing? Are you even there? For some, this comes from being handed a shame-based religion, for others, an image-keeping faith of rules and regulations. For others still, Christianity is a hamster wheel of performance. And this led me to realizing ... I can't do this anymore. I can't pretend. I can't hide the battle we all face in living as sons and daughters of God in a fallen world. I can't deny that more than I'd like to admit, I live from an orphan identity, stuck in a false narrative of a distant God. But there is another way, and I'd be honored to share it with you. Once you embrace who you really are, that's when the fun begins. I've learned that the path to living 2.0 is through facing our haunting questions with honesty. It's by acknowledging the difficulty of transformation and the struggle to turn to a God who wants something more for you than guilt, shame, and performance. In *The Hidden Delight of God*, you will learn to walk in what Christianity was intended to be... Freedom. Grace. Authenticity. This book is an invitation for you to discover the simple, but profound truth that God delights in his kids, and that realization is the first step to killing your fear, finding your freedom, and taking back your life.
