Dialectic of Enlightenment as Sport Tom Donovan,2015-10-01 In their Dialectic of Enlightenment, Horkheimer and Adorno set out to explain why humanity, instead of entering a truly human state, is sinking into a new kind of barbarism. Philosophy teacher Tom Donovan (PhD UCRiverside) offers a fresh reading of that classic text showing that it is first and foremost a critique of the metaphysical urge. Describing our world of stupid consumption, mindless entertainment, and perverted games and relationships he notes, these sorts of games have no end game, as fantasy spectators never really win, and yet they don't see it because they are too busy watching the other lose. This is the secret of class society. As long as there is someone below you, then lack of reconciliation doesn't hurt so badly. Citing the Super Bowl, Clippers owner Donald Sterling, basketball players like LeBron James, plus the Kardashians, mega churches, and comedians like Jon Stewart, Donovan gives us a new understanding of our age and how the broken threads that are today's Capitalism, religion, and sports contribute to unraveling the fabric of Modernity. Against readings that claim that Dialectic of Enlightenment is a simple critique of instrumental reason that ultimately undermines rationality itself, Dr. Donovan argues that the real critique is aimed at the metaphysical urge itself. As such, rationality itself is not the target of attack nor is the notion of enlightenment. Taking Adorno's and Horkheimer's example of the Marquis de Sade, the author observes, "...Sade can only find pleasure in domination. The fear of the outside has morphed into fear of a reconciled world, fear of a world where everyone treats each other as ends in themselves. A society like this can tolerate porn but not socialism, a society like this won't miss the ice-caps but wouldn't miss the Super Bowl, a society like this lets civilization sink into barbarism so long as they can watch The Bachelor. Stylistically this book attempts to rationally mimic the fragmentary nature of Dialectic of Enlightenment so that through form and content the argument of the book will emerge dialectically. Readers will see that Dialectic of Enlightenment actually offers a positive conception of enlightenment and a philosophical instance of the use of dialectics. The book is for readers interested in critiques of capitalism and religion, and sports in America, as well as Marxism and Critical Theory. It will intrigue academics interested in the Frankfurt School and the idea of the Metaphysical Urge.

Borders Thomas King,2021-09-07 A People Magazine Best Book Fall 2021 From celebrated Indigenous author Thomas King and award-winning Métis artist Natasha Donovan comes a powerful graphic novel about a family caught between nations. Borders is a masterfully told story of a boy and his mother whose road trip is thwarted at the border when they identify their citizenship as Blackfoot. Refusing to identify as either American or Canadian first bars their entry into the US, and then their return into Canada. In the limbo between countries, they find power in their connection to their identity and to each other. Borders explores nationhood from an Indigenous perspective and resonates deeply with themes of identity, justice, and belonging.

Donovan and the CIA Thomas F. Troy,1981 As conceived, this history was aimed at satisfying the need of employees

of the Central Intelligence Agency, especially new or young professional ones, for a comprehensive and detailed account of the agency's origin. It was completed in 1975, classified SECRET, and reproduced in sets of 2 volumes each. The security classification has recently been reviewed, and the manuscript, shorn of no more than six typewritten pages of material, is now declassified. Thus released for leisurely reading outside the office, and printed in one volume, this history should better serve its original purpose.--Preface.

Soccer Moms Are Exciting: True Stories From My Life Thomas Donovan, 2021-08-20 Five more true stories from my life as a soccer coach. The tales of the moms I got to enjoy continue. I have been a soccer coach for a long time, now on older days as I sit here look back upon everything I come to think about how much I actually experienced. On the field, off the field. In the bedrooms. Soccer moms are a hot breed, they tend to express their gratitude for my job a little more than others do. And I wasn't saying no. Not at all, I took what I got and it was plenty. I am not going to bother you with a lot of side details, I am going to the good stuff straight away, telling you how the first time happened and what we did. In the bed, in the backseats and other fun places. These are just a few selected stories I am trying to tell, unfortunately I get so excited when I think about the moms and what we did together so when I write I might get a little wrong on the typing. Enjoy, and if it goes well I might be able to tell you more true stories.

Winter in Maine Gerard Donovan, 2015-02-26 »Winter in Maine: Das Buch des Jahres – ein meisterhafter Roman.« Aus der Begründung der Jury zum Buch des Jahres 2008 Der Winter in den Wäldern von Maine ist kalt und einsam. Bisher hat das Julius Winsome nicht gestört, er lebt schon lange allein, und er hat einen treuen Gefährten, seinen Pitbullterrier Hobbes. Als sein Hund eines Nachmittags offenbar absichtlich erschossen wird, bricht Julius' Welt zusammen. Und er fasst einen erschreckenden Entschluss ... Julius Winsome lebt zurückgezogen in einer Jagdhütte in den Wäldern von Maine. Der Winter steht vor der Tür, er ist allein, aber er hat die über dreitausend Bücher seines Vaters zur Gesellschaft und vor allem seinen Hund Hobbes, ein treuer und verspielter Pitbullterrier. Eines Nachmittags, als er gerade vor dem Feuer sitzt und liest, hört er einen Schuss. Eigentlich nichts Besonderes, denn es ist gerade Jagdsaison. Dennoch wundert sich Winsome, weil der Schuss ganz in seiner Nähe gefallen ist, zu nahe. Als er vor die Tür geht, entdeckt er, dass Hobbes erschossen wurde – offenbar mit Absicht. Der Verlust trifft Julius mit ungeahnter Wucht. Er denkt an all die anderen Verluste in seinem Leben: die Mutter, die er gar nicht kannte, weil sie bei seiner Geburt starb, den Vater, der nie wieder heiratete, der ihn allein großzog und ihm die Sprache Shakespeares beibrachte und jetzt auch schon zwanzig Jahre nicht mehr da ist, an Claire, die einzige Frau in seinem Leben, die ihn einen Sommer lang liebte und dann wieder verschwand. Und jetzt Hobbes, sein letzter wahrer Freund. Am nächsten Tag holt er das Gewehr seines Großvaters aus der Scheune und zieht los, um seinen Hund zu rächen. Er macht Jagd auf die Jäger. Und obwohl diese Rache ebenso sinnlos ist wie die Tat, die ihr

zugrundeliegt, verstehen wir diesen einsamen, verzweifelden Mörder, werden seine Komplizen in Eis und Schnee.

Thomas Merton Meets the Unspeakable Jerome Donovan, 2018-05-01 Born in 1915 in France to artists—an American mother with Quaker roots from New York, and a New Zealand-born father—Thomas Merton would become one of the twentieth century's most influential spiritual leaders. Baptized as a Catholic at age twenty-six, he joined a Trappist monastery near Louisville a year later. From that point on, his spiritual side exploded into a tsunami of directions—Eastern Orthodoxy, Judaism, Islam, Taoism, Buddhism, Hinduism, and more. At age thirty-three, he became a best-selling author, beginning with his autobiography, *The Seven Storey Mountain*. He corresponded with Nobel Prize laureates and other literary and political luminaries. His public opposition to the Vietnam War assured his worldwide celebrity. In late 1968, at the peak of his popularity, Merton died in Thailand after addressing a conference of Western Christian monks and nurses stationed in Asia. For decades it was thought that, wet from a shower, he was electrocuted by a faulty standing fan. But for a growing number of his admirers there were dark suspicions that he might well have been assassinated by those who feared his antiwar message. In 2013 the author and his wife Sharon retraced Merton's last days in Thailand. This book tells what they learned."

Freud for Thought Tom Donovan, 2023-10-01 Prof. Tom Donovan suggests reading Freud today for inspiration in shaping one's outlook and taking control of one's life. We all have to confront the human condition and we face a constant challenge to steer a satisfying course around, over and through the distractions that tempt us to accept the easy gratifications and let the real treasures dribble away. Can one live a philosophical life in a world that has killed God and given the reins of society to what Nietzsche called "the last men"? Many of us are unsatisfied with the alternatives offered up today from various ideologies, as well as the obscene nature of today's consumer capitalism, and the incoherent and distracting roaring of identity politics. But are there viable choices in the search for meaning, happiness, and value? There are major threads throughout our philosophical tradition for understanding the human condition and coming to terms with both our individual and collective lives. This book suggests that we return to our Western philosophical tradition: The Ancients, the Frankfurt School, and the existentialist penseurs. Tom Donovan places Freud within this tradition and utilizes *Civilization and its Discontents* as a catalyst to offer theoretical tools and concrete practices on how to forge ourselves into

excellent humans. Happiness requires the evolution of a self. A coherent interpretive and hermeneutic approach understands that identities are situational. We should be wary of essentializing them. This book argues that there is a philosophical way of living and that this path emphasizes the pursuit of excellence and the courage to mediate our instincts through deep reflection, conversation, and noble practices. Rather than searching for some child within, what if we try to forge mature and deep ways of being and acting? La vie philosophique is the true path towards happiness and capturing human meaning and noble values. This book is for readers interested in forging a meaningful life, and for those of us who are not interested in dogmatic religions, vulgar consumerism, and overbearing social identities.
