My Rock 'n' Roll Friend Tracey Thorn,2021-04-01 'Entertaining, affectionate and righteous' Guardian 'Says so much about being a woman' Cosey Fanni Tutti In 1983, backstage at the Lyceum in London, Tracey Thorn and Lindy Morrison first met. Tracey’s music career was just beginning, while Lindy, drummer for The Go-Betweens, was ten years her senior. They became confidantes, comrades and best friends, a relationship cemented by gossip and feminism, books and gigs and rock ‘n’ roll love affairs. Thorn takes stock of thirty-seven years of friendship, teasing out the details of connection and affection between two women who seem to be either complete opposites or mirror images of each other. She asks what people see, who does the looking, and ultimately who writes women out of – and back into – history.

The Light Before Darkness Christine B. Collins,2010-03-02 He will send a woman, and He will give to her and to her immediate family two hundred years to accomplish the enormous task of bringing peace to the galaxies. At the age of thirty-three, they will begin to age ever so slowly, both internally and externally. for them, time will appear to almost stand still. This phenomenon, the true awareness of His Gift, will start at the age of twenty, and childbearing will thus extend to the age of one hundred and seventy-five years Biblical time. She will possess certain talents, intelligence, and accomplishments that will draw attention to her. By the age of four, His Gift will be noticed, slowly, so that mankind will begin to recognize her as God's true Gift. Even for her, the awakening will be a gradual one. Unfortunately, everyone has an enemy, and hers is The Evil Incarnate! By his hand, she will be stalked and injured until she should welcome death, for each emotion she possesses will be modified to a threshold equivalent to three times, three fold. She will lack the capability genetically for lying, deceit, and betrayal. Nevertheless, being human, she too will have weaknesses, as well as moments of weakness. Indeed, her life will be most difficult. Many obstacles lay ahead, but her love of God and for all mankind will see her through these dark hours. She will offer each encounter as a sacrifice to God. A weight of great magnitude rests upon her shoulders, for if she fails, Armageddon is imminent. Now twenty years old and realizing her duty to God and to mankind, her quest begins!

Violet Made of Thorns Gina Chen,2022-07-26 NEW YORK TIMES BESTSELLER • A darkly enchanting fantasy about a lying witch, a cursed prince, and a sinister prophecy that ignites their doomed destinies—perfect for fans of The Cruel Prince. “Everything you want from an enemies-to-lovers fantasy starring morally gray characters.”—BuzzFeed Violet is a prophet and a liar, influencing the royal court with her cleverly phrased—and not always true—divinations. Honesty is for suckers, like the oh-so-not charming Prince Cyrus, who plans to strip Violet of her official role once he’s crowned at the end of the summer—unless Violet does something about it. But when the king asks her to falsely prophesy Cyrus's love story for an upcoming ball, Violet awakens a dreaded curse, one that will end in either damnation or salvation for the kingdom—all depending on the prince’s choice of future bride. Violet faces her own choice: Seize an opportunity to gain control of her own destiny, no matter the cost, or give in to the ill-fated attraction that’s growing between her and Cyrus. Violet’s wits may protect her in the cutthroat court, but they can't change her fate. And as the boundary between hatred and love grows ever thinner with the prince, Violet must untangle a wicked web of deceit in order to save herself and the kingdom—or doom them all.

A Harvest of Thorns Corban Addison,2017-01-24 A beloved American corporation with an explosive secret. A disgraced former journalist looking for redemption. And a corporate executive with nothing left to lose. In Dhaka, Bangladesh, a garment factory burns to the ground, claiming the lives of hundreds of workers, mostly young women. Amid the rubble, a bystander captures a heart-stopping photograph—a teenage girl lying in the dirt,

her body broken by a multi-story fall, and over her mouth a mask of fabric bearing the label of one of America's largest retailers, Presto Omnishops Corporation. Eight thousand miles away at Presto's headquarters in Virginia, Cameron Alexander, the company's long-time general counsel, watches the media coverage in horror, wondering if the damage can be contained. When the photo goes viral, fanning the flames of a decades-old controversy about sweatshops, labor rights, and the ethics of globalization, he launches an investigation into the disaster that will reach further than he could ever imagine—and threaten everything he has left in the world. A year later in Washington DC, Joshua Griswold, a disgraced former journalist from the Washington Post, receives an anonymous summons from a corporate whistleblower who offers him confidential information about Presto and the fire. For Griswold, the challenge of exposing Presto's culpability is irresistible, as is the chance, however slight, at redemption. Deploying his old journalistic skills, he builds a historic case against Presto, setting the stage for a war in the courtroom and in the media that Griswold is determined to win—both to salvage his reputation and to provoke a revolution in Presto's boardroom that could transform the fashion industry across the globe. Praise for *Harvest of Thorns*: “This exposé of the underbelly of the international fashion industry is disturbing, moving, and thoroughly engrossing.” —Phillip Margolin, New York Times bestselling author of *Violent Crimes* “A must-read book which uncovers what lies behind what we wear every single day. I promise that you will never be able to look at your clothes the same way again.” – Livia Firth, OXFAM Global Ambassador, UN Leader of Change, and Founder of Eco Age LTD “This is a poignant and engrossing description of the manner in which men and women from the poorest countries on the globe are pressed into working for slave wages to manufacture soft goods to be sold in the most affluent counties in North America and Europe. Corban Addison will hold you spellbound with his elegant prose from his first word to his last.” – Wilbur Smith, worldwide bestselling author Stand-alone novel Includes discussion questions for book clubs and author's note Also by Corban Addison: *The Tears of Dark Water*

Anagrams of Desire Charlotte Crofts, 2003-04-19 Angela Carter is best known for her novels, short fiction and journalism, but she also produced a substantial body of writing for media other than the printed page, including five radio plays, two film adaptations, an original television documentary and a number of unrealized scripts for stage and screen. Despite increasing academic interest in Carter's work, these dramatic writings have largely been ignored. In this book, Charlotte Crofts redresses this lack of critical attention by examining Carter's dramatic writings together for the first time (including two unpublished works), giving them a more central position in the Carter canon.

But the hostage she randomly chooses from the crowd isn't one of the emperor's men—not anymore. He's the former heir to the throne...and is now leading a rebellion against it. Bedsit Disco Queen Tracey Thorn, 2013-02-07 I was only sixteen when I bought an electric guitar and joined a band. A year later, I formed an all-girl band called the Marine Girls and played gigs, and signed to an indie label, and started releasing records. Then, for eighteen years, between 1982 and 2000, I was one half of the group Everything But the Girl. In that time, we released nine albums and sold nine million records. We went on countless tours, had hit singles and flop singles, were reviewed and interviewed to within an inch of our lives. I've been in the charts, out of them, back in. I've seen myself described as an indie darling, a middle-of-the-road nobody and a disco diva. I haven't always fitted in, you see, and that's made me face up to the realities of a pop career - there are thrills and wonders to be experienced, yes, but also moments of doubt, mistakes, violent lifestyle changes from luxury to squalor and back again, sometimes within minutes.

50: Thorns and Blossoms Julie Marie Todd, 2019-08-11 Julie Marie Todd, educator, activist, journalizer, and theologian, shares 50 of her writings. Most pieces are in a poetic prose style - a predominantly long-form, stream-of-consciousness writing from journal entries and writing groups - alongside a few lengthier prose essays and previously published works. The author explores her own inner emotional terrain and spirituality and how life in both solitude and community generates creativity, vulnerability, and change. She shares much of her journey from life as an institutional church leader to a wider embrace of spiritual leadership beyond hierarchy and traditional religion. From sweet odes to plant life to encounters with ancestors, from confessions of addiction and abortion to body love and self-hatred, from ongoing self-examination of the author's own complicity in white, Christian supremacy to rants against racism and heteropatriarchy, many readers will find Julie's writing compelling, provocative, and

relatable.
