Three Heartbeats Away Rob Peters,2009-11 The president, vice president and Speaker of the House are all assassinated on the same day, at the same time but at different locations. A newly surfaced terrorist organization takes immediate credit for these horrific acts. Their leader is not your typical fanatical extremist but rather a highly educated murderous mastermind. The third individual in the line of presidential succession in the United States is the president pro tempore of the Senate. That someone, who was three heartbeats away, just became the leader of the free world. Demands are made but should the United States meet them to evade threatened catastrophic events? As America is being held hostage, certain top U.S. officials turn toward an elite CIA operative team as their only hope in putting an end to this mayhem. Could this really be happening?

THE THREE THIEVES THAT STEAL OUR HEALTH AWAY Semiyu Salawu, MBBS, MPH, CHC (New York), DFM and FAGP,2015-11-03 This book was written to make it easier for readers to improve their health and make informed choices in their lives. It explains to the readers a concept that is different from other health books. This book makes it easy to connect the causes of our ill health and how to tackle them in easier and more convenient ways. There is no need to go through any complicated nutritional ideas with expensive replacement therapy. Readers just need to know how to avoid and manage the common three thieves – the cause of most of the hidden pitfalls we go through in everyday life.

Who Invented the Stepover? Paul Simpson,Uli Hesse,2013-11-07 Have you ever wondered who invented the 4-4-2 formation? Why footballers used to celebrate success by releasing a platitudinous pop single? And who has really scored the most goals in the history of the game? You can find the answers to all these questions and more in a book which takes the time to consider the debt the stepover may owe to Dutch speed skaters, explores the most surprising world transfer record and celebrates the most dysfunctional World Cup campaign ever. Through a series of answers to puzzling and perennial questions, the book sheds unexpected light on the beautiful game, challenging conventional wisdom, discovering neglected heroes and destroying a few urban myths along the way.

Bombs Away! Calum Laird,2012-04 These pocket-format compilations each contain three classic Commando war stories printed the same size as the original comics. Bombs Away! features Ghost Pilot, Hoodoo Ace, and Deck-Level Dawson. Hair-rising tales of bombing missions in Lacasters and Stirlings make this action-packed but handily formatted collection of stories a thrill for Commando fans of all ages.
