Tickle Monster Josie Bissett,2008 A loveable monster from planet tickle is on a mission to spread laughter on earth.

Tickle Time! Sandra Boynton,2012-03-13 Sometimes kids just need a good tickle. Maybe your child is grumpy, or frustrated, or looking for a little extra attention. Well, we have the cure. Reach for Tickle Time!—and like magic, everyone's bright and sunny and giggling again. Based on the wildly popular song from Boynton's wildly popular Rhinoceros Tap CD, Tickle Time! is pure irrepressible Boynton, lively in tempo, nimble in rhyme, and filled with irresistible fuzzy cats that cavort from page to page. Plus a few birds, who aren't the cavorting type. Here's a book to turn to again and again, because

it's guaranteed to elicit giggles: If you're feeling blue and you don't know what to do there is nothing like a TICKLE TIME to make you feel like new. Whether you tickle high or tickle low, tickle fast or tickle slow, it's the gitchy-gitchy-goo that makes everything worthwhile.

Beautiful and Ticklish A. G. Steve, 2020-08-10 An interactive tickle game with Janise (31). The plus size model. REAL PHOTOS AND REACTION INCLUDED. How to play? In the game you can tickle 5 exciting bodyparts of this beauty. Firstly you have to choose wich bodypart you'd love to tickle, then you can choose the way of tickling. For example: You choose the feet, then you choose from the 5 opportunity. You have to click only on the picture of the bodypart after that on one of the „devices“. These are: Tickling with 1 finger slowly. Tickling one finger fast. Tickling with fingers slowly. Tickling with fingers fast. Tickling with feather. When you click one of them you'll get the beauty's reaction according to her answers in the interview I have made with her. Every steps means 12 seconds of tickling like the way you have chosen. These are real reactions. But wait. You have to be clever as well. You should pay attention of her reactions. If you give too much for her she could loose her stamina or get angry with you and you have to finish the game and start again. Every route has three winner combination of tools. So be careful and cruel in the same time

The Tickle Test Kathryn White, 2017-09-01 Could you pass the test to join the Tickle Squad? One brave mouse is willing to give it a go! It's easy to tickle a giraffe and fun to tickle a bear. An octopus is trickier (underwater with all those arms), but tickling a crocodile is the hardest one—with those sharp teeth! This is a ticklish tale that children will love.

Four Corners Or a Book That Will Tickle Your Intellectual Nipple Cary Smith, 2014-01 Read me...Read me...Read me and be hypnotized by me. Let your intellectual nipple be open and free so I may tickle it. You may ask yourself in reading this, "Where exactly is my intellectual nipple?" Then you may say to yourself, "Well, if I don't know where my intellectual nipple is then I guess I'm not very intellectual," and you would be right, you aren't. But the intellectual nipple is quite elusive and ironic, and it is just that last thought that may help you to discover your intellectual nipple. Cary Smith will take you on a ride down his life and mind (and it won't be as creepy as it sounds). Along the way you may giggle, you may hate, you may love, and most likely in the amount of time it will take you to read this book, you will fart...this book does not consider itself prestigious or boring enough to deny that fact. Cary Smith will guide you along the way to possibly having your intellectual nipple tickled. Brad Cruise will uninvitingly add stuff to the text and make corrections as a special guest corrector. And most importantly, your intellectual nipple will be tickled, maybe? And according to Brad Cruise, the key to finding out where your intellectual nipple is is to realize that Cary Smith is poop and a writer not worthy of the very worthy literary world which sometimes makes people very sleepy. Once you have this realization your intellectual nipple will bask in tickling pleasure. (That is, if you consider tickling to be pleasurable, because many people don't, and, in fact, many find it torturous.) Just a warning from this summary: if you do find out where your intellectual nipple is (as everyone's intellectual nipple is not in the same place), it is recommended that you not tickle it too much unless you've had a few cocktails. If you just read this summary and said, "What in the hell?" then you are on your way to a discovery of the

elusive intellectual nipple. This summary has exhausted itself and is tired of saying, "The elusive intellectual nipple." Please enjoy The Book, hate it very, very much, or go somewhere in the middle with your opinion of it.

Craig Yoe,2009-02-24 While the existence of the Tickle Monster has long been rumored, it is only now that this elusive, giggle-inducing creature has finally been captured in the pages of a book. Tickle, Tickle! Itch, Twitch! Julie Olson,2014-01-21 Gus the groundhog desperately needs to scratch his back after a mouse tickles him with a feather, but the stick, bush, and log he tries to scratch against are not what they appear to be.

The Divine HoursTM, Pocket Edition Phyllis Tickle,2007-05-15 When Phyllis Tickle's marvelous devotional trilogy The Divine HoursTM appeared, readers responded with gratitude, praise, and a great many requests for an edition of hourly prayers that they could easily carry with them--an edition that would make this ancient form of Christian worship compatible with the pace and

mobility of modern life. Now, in The Divine Hours Pocket Edition™, Tickle has gathered one full week of fixed-hour prayers, providing an ideal companion for travelers, office-workers, people on retreat or pilgrimage, as well as newcomers to this age-old spiritual practice. As Tickle writes in her introduction, prayer is always a place as well as an action, and the daily offices are like small chapels or wayside stations within the day's courses. Seven of these daily offices are offered for each day of the week, and each office contains the Call to Prayer, the Request for Presence, the Greeting, the Reading, the Gloria, the Psalm, the Small Verse, the Lord's Prayer, the Petition, and the Final Thanksgiving. Tickle draws her texts primarily from the Book of Common Prayer and the writings of the Church Fathers, and includes memorable devotional and meditative poems by Cleland McAfee, Charles Wesley, and others. Tickle also provides a chapter of Traditional, Seasonal, and Occasional Prayers in order to accommodate special dates like Advent, Christmas, Easter, and Thanksgiving; major life-changes such as marriage, birth, death, and illness; and moments of special petition or thanksgiving. For all those who want to carry a small chapel of prayers with them, The Divine Hours Pocket Edition™ offers a convenient, easy-to-use, and deeply spiritual guide to a devotional practice that extends all the way back to Christ and the twelve Apostles.

Tickled Duff McDonald, 2021-10-19 A New York Times bestselling journalist sets out to explore our addiction to the quantification of everything and ends up confronting his own addiction to certainty. In the quiet of quarantine, he decides to choose ease, rather than control—pursuing habits and hobbies that bring joy and “tickles” to each and every moment—and finds peace of mind, renewed creativity, and deepened relationships are the reward. In 2020, nothing went according to plan. Duff McDonald had intended to write a book about society's obsession with measurements, data, and predictions, showing how it blunts individual happiness and decision-making while fueling corporate capitalism. But in the quiet of quarantine, McDonald found himself reexamining the assumptions beneath his own life choices. He also reconsidered his book, deciding instead to reframe his approach as an exploration of his own battle with what he calls the “precision paradox”—the existential struggle between our desire for ease and our need to exert control. Drawing inspiration from an impressive range of sources—from Borges to the Buddha to Bob (Dylan) to Harry Potter—McDonald documents how he let go of his attachment to precision in favor of delving deeper into what it means to be present—in his work, his relationships, and what he calls the “science of experience.” He asks, “What should I have been doing? I should have been focusing on things that I love, not the things that anger or annoy me. I should have been focusing on things that tickle me.” Part self-help, part memoir, *Tickled* is a story of how to bring joy and love into your life right now. McDonald acknowledges that “tickle” is a funny, awkward word. In one context, it's as innocent as can be. But it also runs deeper. When something tickles you, you are in the moment, experiencing reality itself—at the vortex of truth, consciousness, and bliss. “When something tickles, that's your soul speaking to you in the language of love, thanking you for experience,” he says. As he lays out his own personal transformation, McDonald invites readers to begin their own journeys to find out what “tickles” them, too. This exploration of joy and presence—experiences that tickle—lies at the heart of McDonald's unusual, moving, and profound book.
