Gated: Extended Book Teaser Amy Christine Parker, 2013-11-05 A fast-paced, nerve-fraying contemporary thriller that questions loyalties and twists truths. Read the first seven chapters for FREE in this extended book teaser that includes a letter from Amy Christine Parker! Appearances can be deceiving. In the Community, life seems perfect. After the 9/11 terrorist attacks, Pioneer invited Lyla's family to join his group and escape the evil in the world. They were happy to be chosen, happy to move away from New York and start over in such an idyllic gated community. Now seventeen, Lyla knows that Pioneer is more than just their charismatic leader, he is their prophet . . . but his visions have grown dark. Lyla is a loyal member of the Community, but a chance encounter with an outsider boy has her questioning Pioneer, the Community—everything. And if there's one thing not allowed in the Community, it's doubt. Her family and friends are certain in their belief. Lyla wishes she could feel the same. As Pioneer begins to manipulate his flock toward disaster, the question remains: Will Lyla follow them over the edge? From the outside looking in, it's hard to understand why anyone would join a cult. But *Gated* tells the story of the Community from the inside looking out, and from behind the gates things are not quite so simple. Amy Christine Parker's beautiful writing creates a chilling, utterly unique YA story. Perfect for fans of creepy thrillers and contemporary fiction alike.

Swoon Reads Spring 2016 Teaser Danika Stone, 2016-04-19 Download the first chapters of FOUR new books chosen by the hottest new community of young adult readers and writers at Swoon Reads. About *ALL THE FEELS* College freshman Liv is more than just a fangirl: The Starveil movies are her life...and her last tangible connection to her deceased father. Thus, when her favorite character, Captain Matt Spartan, is killed off at the end of the last movie, Liv Just. Can't. Deal. Tired of sitting in her room sobbing, Liv decides to launch an online campaign to bring her beloved hero back to life. With the help of her best friend, Xander, actor and steampunk cosplayer extraordinaire, she creates #SpartanSurvived, a call that ignites the fandom. But as her online life succeeds beyond her wildest dreams, Liv is forced to balance that with the pressures of school, her (mostly nonexistent and entirely traumatic) romantic life, and her disapproving mother's new boyfriend. A trip to DragonCon with Xander might be exactly what she needs to get away from it all... and figure out what (and who!) she really wants. About *HOW TO KEEP ROLLING AFTER A FALL* The party was at her house. The photos were posted to her Facebook account. That's all the evidence anyone needed to condemn Nikki Baylor for a cyberbullying incident that humiliated a classmate and nearly resulted in the girl's suicide. Now Nikki's been expelled from her old school, her friends have abandoned her, and even her own parents can't look her in the eye. With her plans for the future all but destroyed, Nikki resigns herself to being the girl everyone hates - almost as much as she hates herself. But then Nikki meets Pax, a spirited wheelchair rugby player who knows what it's like when one mistake completely shatters your life. Refusing to judge her because of her past, he shows her that everyone deserves a second chance... and everyone deserves to be loved. About *LOVE CHARMS AND OTHER CATASTROPHES* Aspiring love charm maker Hijiri Kitamura was excited to come back to Grimbaud for her sophomore year-until she learns about the upcoming charm making competition. Grimbaud has just started to recover from the tyranny of Zita's love fortunes and it would be too easy for the winning charm maker to take Zita's place. The only solution is for Hijiri, with the support of her friends and fellow rebels, to win the contest herself. Unfortunately, that's easier said than done, especially when Love itself has decided to meddle in Hijiri's life. Concerned that it's favorite charm maker has given up on finding a boyfriend of her own, Love takes matters into its own hands and delivers the perfect boyfriend to her in a giftwrapped box...literally. About *THE WAY TO GAME THE WALK OF SHAME* Taylor Simmons is screwed. Things were hard enough when her single-minded dedication to her studies earned her the reputation of being an Ice Queen, but after getting drunk at a party and waking up next to bad boy surfer Evan McKinley, the entire school seems intent on tearing Taylor down with mockery and gossip. Desperate to salvage her reputation, Taylor persuades Evan to pretend they're in a serious romantic

relationship. After all, it's better to be the girl who tames the wild surfer than just another notch on his surfboard.

"A" New English Dictionary on Historical Principles James Augustus Henry Murray, 1926

My New Gender Workbook Kate Bornstein, 2013-08-06 This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read...--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to become a real man, a real woman, or something else entirely. In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, *My New Gender Workbook* promises to help a new generation create their own unique place on the gender spectrum.

Theories and Techniques of Radio Broadcasting Giorgio d'Ecclesia, 2013-08 The book *Theories and Techniques of Radio Broadcasting* is the first textbook for professional radio hosts. The structure of the book follows path, starting from a more general view of the Radio (the structure of Radio Broadcasting, the radio as a company, different radio formats, the division of roles, and the radio clock) and then gets closer and closer to the specific character of the radio host. It answers important questions, such as: How do you become a radio host? What are the main rules of conducting

radio? then moves on to technical issues such as the management of the duration of a segment, the use of the AIDA technique and how to prepare a radio demo.

Colloquial Language in Ulysses Robert William Dent,1995 For more than half a century, the extraordinary range of vocabularies and styles in Joyce's Ulysses has been an object of critical and scholarly attention. For the better part of a decade, R. W. Dent has been gathering documentation on a single aspect of this work, what may loosely be called the colloquial language. The result of this research, Colloquial Language in Ulysses, as its subtitle implies, is essentially a reference tool. It uses colloquial in the ordinary sense, characteristic of or appropriate to the spoken language or to writing that seeks the effect of speech; informal. Taking heart in the fact that the Oxford English Dictionary and Eric Partridge's Dictionary of Slang and Unconventional English frequently disagree on the matter, Dent includes as colloquial a great deal that purists might question or disallow. For the most part, this work provides raw, useful data for Ulysses critics and scholars, but it rarely attempts to perform the work of literary critics. It will make users aware both of new information and of information already available in such reference works as the recently revised OED, for many users not readily accessible. Like the OED itself it is necessarily a work-in-progress, especially in its efforts to provide pre-Ulysses evidence, but it is abundantly useful in its present state. Most entries supplement - and many correct - entries in its principal predecessor, Don Gifford's Ulysses Annotated. Colloquial Language in Ulysses attempts to include all colloquial expressions on which Gifford is seriously inadequate, questionable, or demonstrably mistaken, and all on which the 1988 edition differs substantially from the earlier edition of 1974.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
