With the help of Steph's younger sister Jasmine, they come up with a plan to promote Steph's music under a new rap name: the Architect. Soon, everyone wants a piece of him. When his demo catches the attention of a hotheaded music label rep, the trio must prove Steph's talent from beyond the grave. As the pressure of keeping their secret grows, Quadir, Jarrell, and Jasmine are forced to confront the truth about what happened to Steph. Only, each has something to hide. And with everything riding on Steph's fame, they need to decide what they stand for or lose all that they've worked so hard to hold on to—including each other. A Place to Hang the Moon Kate Albus, 2021-02-02 A heartwarming story about three siblings, evacuated from London to live in the countryside, looking for a permanent home--and a new meaning for family. A New York Public Library Best Book of the Year It is 1940 and William, 12, Edmund, 11, and Anna, 9, aren't terribly upset by the death of the not-so-grandmotherly grandmother who has taken care of them since their parents died. But the children do need a guardian, and in the dark days of World War II London, those are in short supply, especially if they hope to stay together. Could the mass wartime evacuation of children from London to the countryside be the answer? It's a preposterous plan, but off they go-- keeping their predicament a secret, and hoping to be placed in a temporary home that ends up lasting forever. Moving from one billet to another, the children suffer the cruel trickery of foster brothers, the cold realities of outdoor toilets and the hollowness of empty stomachs. But at least they find comfort in the village lending library-- a cozy shelter from the harshness of everyday life, filled with favorite stories and the quiet company of Nora Müller, the kind librarian. The children wonder if Nora could be the family they've been searching for. . . . But the shadow of the war, and the unknown whereabouts of Nora's German husband complicate matters. *A Place to Hang the Moon* is a story about the importance of family: the one you're given, and the one you choose. Filled with rich, sensory prose, allusions to classic children's stories like *A Little Princess*, *Mary Poppins*, and *The Story of Ferdinand*, this cozy tale with a classic feel is sure to warm your heart. Don't miss Kate Albus's *Nothing Else But Miracles* which takes place in New York City during WWII and was described as historical fiction at its finest in a starred review from *School Library Journal*.
