Walt Disney's Cinderella (Re-Issue) Cynthia Rylant,2015-01-27 This is a story about darkness and light, about sorrow and joy, about something lost and something found. This is a story about love. Cinderella's story has been told over and over, but never has it been touched by the kind of magic created by the contributors of this book. Mary Blair painted the original pictures for Walt Disney's incomparable animated film, and here her elegant art is gathered together as a picture book. Cynthia Rylant's stories about hardscrabble lives have won not only awards and honors, but hearts. Who better to take a young girl from

the darkness of her garret room to the light and brilliance of a ballroom? Together these two great artists have created something quite astonishing: a Cinderella that is breathtaking, heartrending, and joyous, both for those who are coming to the tale for the very first time, and for those who think they know it well.

Smuggler's Cove Martin Cate, Rebecca Cate, 2016-06-07 Martin and Rebecca Cate, founders and owners of Smuggler's Cove (the most acclaimed tiki bar of the modern era) take you on a colorful journey into the lore and legend of tiki: its birth as an escapist fantasy for Depression-era Americans; how exotic cocktails were invented, stolen, and re-invented; Hollywood starlets and scandals; and tiki's modern-day revival, in this James Beard Award-winning cocktail book. Featuring more than 100 delicious recipes (original and historic), plus a groundbreaking new approach to understanding rum, Smuggler's Cove is the magnum opus of the contemporary tiki renaissance. Whether you're looking for a new favorite cocktail, tips on how to trick out your home tiki grotto, help stocking your bar with great rums, or inspiration for your next tiki party, Smuggler's Cove has everything you need to transform your world into a Polynesian Pop fantasia. Make yourself a Mai Tai, put your favorite exotica record on the hi-fi, and prepare to lose yourself in the fantastical world of tiki, one of the most alluring—and often misunderstood—movements in American cultural history.

Detroit Tiki: A History of Polynesian Palaces & Tropical Cocktails Renee Tadey, 2022 A fun-filled and

nostalgic exploration of Polynesian Pop in the Motor City When the South Sea craze swept over the nation in the mid-twentieth century, the wave of island-themed décor and tropical cocktails did not pass by Detroit. The Tropics and Club Bali offered a warming escape from dreary Midwest winters. At its completion in 1967, the Mauna Loa was the most expensive restaurant built east of the Mississippi. With its lush interior and celebrity patrons, it did not disappoint. The Chin Tiki, with its exquisitely handcrafted features, was no less an exceptional destination. Even today, long after the Polynesian craze faded, a new generation has taken up the tiki torch and brought island flavor and flair back to the city. Join author Renee Tadey on a sweeping journey through the tiki destinations of Detroit.

The Tiki Room Cathy Nolan Vincevic,2008-10 The Tiki Room, plunges the reader into a vision both

elegiac, and horrifying, chronicling the struggles of my family. The landscapes are stoic, small town New Hampshire, during the 1950's, where I lived with my beloved grandparents, contrasted against the cruelty of life with my mother in Phoenix, Arizona, during the 1960's and my husband's story in Bosnia and in the diaspora. The coalescence of these environments, and some of the tragic consequences, have been passages filled with destruction, loss, and renewal. I have often found myself listening to people tell their stories. People who had never talked about their past would suddenly stop what they were doing and tell me extraordinary things, painful things, that brought soundlessness to my mind. Hearing these narratives I felt a voice inside of me that wanted to respond with my own story. I never allowed myself, until now, because it felt selfish to mention that I had suffered too. The silence created barriers of anger and sadness within me that were hard to breach. That I broke through that barricade by writing has been one of the great surprises of my life. I started out as a visual artist, the painting on the cover is my work, and in other media such as fireworks, and performance art. My work has been seen throughout New England and internationally through artist exchanges in Macedonia and Croatia. Currently, I am the Director of the Allenstown Public Library in Allenstown, New Hampshire. This book began during my undergraduate work at Vermont College and finished during my graduate studies at Goddard College. The award winning poet/writer Nehassaiu DeGannes wrote this about my work: Your memoir is achingly beautiful, exquisitely written, and handled with such deftness and depth, it most certainly demonstrates patient self-reflection, mastery of craft and form as well as a literary tenderness. At times the level of remembered detail, the sensory, the natural world---and your ability to find a language capable of containing your

internal landscape, in sentences which flow as naturally as breath, is quite stunning. I am in admiration of your work. I am in admiration of your life. Thank you my brothers and sisters for being there.

The Tiki King Stacy Tintocalis,2010-07-16 A Lebanese housewife, a former horror-film maker, and a cantankerous Russian librarian are among the inhabitants of the offbeat world found in this impressive debut collection. Stacy Tintocalis's stories take us from a defunct women's shelter off a Missouri country road to the streets of low-income Hollywood, where her characters yearn for the love that is always just out of reach. The title story explores the conflicted emotions an adolescent boy feels toward a father who obsessively returns to his childhood home. In "Too Bad about Howie," a divorced poet finds comfort in stolen moments with his ex-wife's dog. Despite their longing for connection, these characters are victims of their own foibles, trapped in terrifying moments of psychic violence that risk driving away the very people they love.

Beachbum Berry's Sippin' Safari Jeff Berry,2007 The new book by the author of The Grog Log,

Intoxica and Taboo Table. Beach Bum Berry, as he is better known, is America's leading authority on tropical drinks and polynesian pop culture. In this all new book, Berry not only offers up tantalizing new drink recipes, but tells stories about some of the most famous figures of their time. The Bum applies the same dogged research to the untold stories of the people behind the drinks. Stories culled from over 100 interviews with those who actually created the mid-century Tiki scene -- people as colorful as the drinks they invented, or served, or simply drank. People like: Leon Lontoc, the Don The Beachcomber's waiter who served Frank Sinatra and Marlon Brando by night, and acted in their movies by day; Henry Riddle, the Malibu Seacomber bartender who fed items about his famous customers to infamous gossip columnist Louella Parsons, till the day Howard Hughes found him out; and Duke Kamanamoku, whose manager turned him from Olympic champion into reluctant restaurateur.

Beach Bum Berry's Grog Log Jeff Berry, 2013 This edition of The Grog Log is NOT SPIRAL BOUND. Tiki bar mixology is a lost art--but the Grog Log rescues it. A twenty-page introduction traces the history of Polynesian Pop, then teaches you everything you need to know about how to make the Grog Log's eighty tropical drink recipes. Many of these recipes have never before been published anywhere--including vintage lost recipes by Don the Beachcomber, Trader Vic, and long-gone Polynesian restaurants from the island of Manhattan to the islands of Hawaii. Profusely illustrated with vintage tiki menu graphics from the '50 and '60s, with cover art by famed Exotica artist Bosko. Review SIPS - Trader Vic Drank Here By WILLIAM GRIMES As John Glenn was orbiting the earth for the first time, his fellow Americans were deep into the long-lived craze known as tiki. This gaudy life-style package -- a blend of Polynesian

kitsch, fake island food and lethal rum drinks -- began in the late 1930's and early 40's with Los Angeles restaurants like Don the Beachcomber and Trader Vic's, and gradually spread to the suburban patio before fizzling out in the early 1970's. It's back, of course. Jeff Berry and Annene Kaye, serious students of tiki, have compiled a serious tiki cocktail book, *Beachbum Berry's Grog Log*. In 96 spiral-bound pages adorned with tiki illustrations, the authors have ranged far and wide to gather classic Polynesian fakes, like the Fog Cutter from Trader Vic's, the Missionary's Downfall from Don the Beachcomber and the Sidewinder's Fang from the Lanai Restaurant in San Mateo, Calif. They have even managed to unearth Manhattan tiki cocktails, like the Hawaiian Room, served at the old Hotel Lexington in the 1940's, and the Headhunter, served at the Hawaii Kai in the 1960's. The authors have also come up with their own tiki-inspired originals, like Hell in the Pacific (151-proof Demerara rum, lime juice, maraschino liqueur and grenadine), and the Waikikian (light Puerto Rican Rum, dark Jamaican rum, lemon juice, curacao and orgeat syrup). It's no longer possible to eat Tonga Tabu Native Drum Steak, which was a featured menu item at the now-defunct Islander in Beverly Hills (from the ovens of the ancient goddess of Bora Bora, Pele, Mistress of Flame), but you can shake up a Shark's Tooth or a Shrunken Skull. As Mr. Berry and Ms. Kaye see it, they are giving the country the perfect drink book for the age of malaise. If we're going to feel like zombies, they write in their preface, we may as well be drinking them. END -- Publisher Comments About the Author Jeff Berry is a learned fan of tropical drinks and is perhaps the foremost authority on the subject. He is also a screenwriter and filmmaker.
