Doctors and Distillers Camper English, 2022-07-19 “At last, a definitive guide to the medicinal origins of every bottle behind the bar! This is the cocktail book of the year, if not the decade.” —Amy

Stewart, author of *The Drunken Botanist* and *Wicked Plants* “A fascinating book that makes a brilliant historical case for what I’ve been saying all along: alcohol is good for you...okay maybe it’s not technically good for you, but [English] shows that through most of human history, it’s sure beat the heck out of water.” —Alton Brown, creator of *Good Eats* Beer-based wound care, deworming with wine, whiskey for snakebites, and medicinal mixers to defeat malaria, scurvy, and plague: how today's tipples were the tonics of old. Alcohol and Medicine have an inextricably intertwined history, with innovations in each altering the path of the other. The story stretches back to ancient times, when beer and wine were used to provide nutrition and hydration, and were employed as solvents for healing botanicals. Over time, alchemists distilled elixirs designed to cure all diseases, monastic apothecaries developed mystical botanical liqueurs, traveling physicians concocted dubious intoxicating nostrums, and the drinks we’re familiar with today began to take form. In turn, scientists studied fermentation and formed the germ theory of disease, and developed an understanding of elemental gases and anesthetics. Modern cocktails like the Old-Fashioned, Gimlet, and Gin and Tonic were born as

delicious remedies for diseases and discomforts. In *Doctors and Distillers*, cocktails and spirits expert Camper English reveals how and why the contents of our medicine and liquor cabinets were, until surprisingly recently, one and the same.

Tiki Drinks Adam Rocke, 2000 Light the torches and grab the tiny paper umbrellas - the handbook of delicious tiki beverages is here. In Tiki Drinks, former bartender Adam Rocke selects his favorite tropical libations. The effect of tiki or boat drinks, says the author, is to evoke the sensation of being marooned on a tropical island with a bevy of insignificant others eager to do your bidding. 50 of the

best tropical drink recipes include pina coladas, daiquiris, tropical punches, margaritas, freezes, coolers, and other classics that will conjure island breezes and rolling waves. Lesser-known but equally transporting drinks include such creative variations as the Pirate's Cove, Buccaneer, Zombie, Frozen Mudslide, and Bahama Mama. In addition to serving up liquid exotica, Roche offers tips on mixers, glasses, and serving techniques - all necessary accoutrements of the pro or amateur bartender who wants to keep the natives restless.

Disney Parks Presents The Haunted Mansion Buddy Baker, 2018-10-30 The song Grim Grinning Ghosts, composed in the late 1960s, continues to reside in the dark corridors and spooky cemetery of the Haunted Mansion. Not just for placid retirees anymore, camper culture has sprung up among simplicity-seeking millennials, retro-loving glampers, sports and movie stars, aging hippies, contract workers, road-schoolers, and others. Award-winning journalist Dave Hoekstra hit the road in his own custom camper van, named Bluebird, to explore the history, culture, subcultures, and future of camper life. Traveling and talking his way through US campsites, RV parks, landmarks, and communities, Hoekstra draws out revealing stories from all walks of life—from Americans who are downsizing material goods while upsizing spiritual pursuits to RV enthusiasts such as Grammy-winning singer-songwriter John Prine and Chicago Cubs manager Joe Maddon. A modern-day Studs Terkel, Hoekstra provides a delightful mix of oral history, in-depth reporting, and practical information, while photographer Jon Sall's beautiful color photographs illuminate the unique people, places, and rigs that typify camper life.

Autumn's Come Undone Shag, 2010 Shag is an internationally acclaimed modern artist whose expertly rendered paintings are visual celebrations of life's pleasures and indulgences. His work is instantly recognizable for its trademark combination of sly humor and vibrant colors. Until now... Something's come undone. The intimate moments that have made Shag famous have been replaced by epic tableaux. Richly hued designer environments have given way to subtly desaturated expanses. Characters who were once grounded in mid-century formality are teetering on the brink of chaos. This collection of new work showcases the largest, darkest and most thought provoking images Shag has ever created. The art is distinctly Shag, but it's painted in shades of black humor.

Kickoff! Tiki Barber, Ronde Barber, 2008-08-26 Inspired by the childhood of NFL superstars Tiki and Ronde Barber, this middle grade novel is a story of teamwork, perseverance, and what it takes to be a champion. “Hut! Hut! Go long, Tiki!” Tiki and Ronde’s twelfth summer is winding down—the nights are getting shorter and the evenings cooler. That means two things: The first day of junior high is just a few days away, and it’s almost the start of football season at last. With two championships and an 8-2 season last year, Tiki and Ronde are ready to graduate from the Peewee League and hit the field as starting players for the Hidden Valley Eagles. But junior high is a lot bigger than

elementary school. The competition for starting spots is stiff, and seniority rules. If Tiki and Ronde make it past tryouts and cuts, will they get the chance to play, or will they have to spend the season watching from the bench with the other seventh graders?

The Religious Sense Luigi Giussani, John E. Zucchi, 1997-10-24 The Religious Sense, the fruit of many years of dialogue with students, is an exploration of the search for meaning in life. Luigi Giussani shows that the nature of reason expresses itself in the ultimate need for truth, goodness, and beauty. These needs constitute the fabric of the religious sense, which is evident in every human being everywhere and in all times. So strong is this sense that it leads one to desire that the answer to life's mystery might reveal itself in some way.

Jump Shot Tiki Barber,Ronde Barber,2013-11-05 The Barber brothers know their way around a football field—but can they succeed on the basketball court? Find out in this slam dunk with “lively basketball action and life lessons aplenty (Kirkus Reviews)” from NFL superstars and bestselling authors Tiki and Ronde Barber. As Tiki and Ronde count the days until the start of football season, the basketball coach approaches them looking for new recruits, and Tiki and Ronde sign on. While Hidden Valley Junior High has always been a powerhouse in football, the school has never done as well in basketball. Ronde is a good passer, but he needs Tiki to get free to sink his shots. Tiki doesn’t feel the inner confidence he felt on the football field: it’s one thing to play in the driveway, but it’s another to sink one on the court, when so much is on the line. The brothers need a winning attitude—and they need to bring everyone together to win. That is their only way to victory. Can they do it?
