**Wisconsin Dells** Dirk Vander Wilt,2008 Wisconsin Dells embodies the spirit of classic roadside America. In this comprehensive, completely independent guide, learn about the Dells' waterparks, resorts, tours of the Wisconsin River, family activities, amusement parks, motels, restaurants, and many other wacky attractions which line the Parkway for miles. With so much to offer visitors, Wisconsin Dells is truly a classic American vacation destination.

The Stack and Tilt Swing Michael Bennett,Andy Plummer,2009-11-12 An in-depth, full-color, step-by-step guide to the new golf swing that has taken the PGA Tour by storm The traditional golf swing requires a level of coordination that few golfers have. So it's no surprise that, despite huge advances in club and ball technology, the average golf handicap in America has dropped by only one stroke since 1990. Maverick golf instructors Michael Bennett and Andy Plummer spent a decade researching the swing, eventually combining physiology and physics to create a method they dubbed the Stack and Tilt. The result? Big-name pros like Mike Weir, Tommy Armour III, and Aaron Baddeley are already converts, and Bennett and Plummer are now two of the most soughtafter swing coaches in the game. Making these breakthroughs available to everyone, The Stack and Tilt Swing is a handsome, fully illustrated, complete course, packed with more than two hundred full-color photographs that make it easy for golfers at all levels to adopt this radical yet simple approach. Analyzing why the traditional swing won't work for most golfers, the authors explain the importance of keeping the upper body stacked over the lower body, while the spine tilts toward the target during the backswing, greatly reducing the inconsistencies created by the old-fashioned approach. Enhanced with practice routines, a troubleshooting list, test cases, and point-by-point assistance, this is the breakthrough guide to golf's hot new secret weapon.

**Douglas** Leann Elizabeth Griffiths,2014 A river does not run through Douglas. There are no major airports nearby. The closest interstate is over an hour away in any direction. In every practical sense, it is in the middle of nowhere; nonetheless, people have been traveling to Douglas to make a living since its founding. The town is the product of rural industrialization. Businessmen from the Carolinas saw opportunity in the piney woods of Douglas, and they brought art, architecture, and business with them. In the historic district, there are the architectural wonders of William J.J. Chase, Abreu and Robeson, and Haralson Bleckley on Gaskin Avenue. The Ashley-Slater House is farther up the road and is said to be haunted and its story full of romance and scandal. While small in size and remote in location, Douglas strives to grow along with the rest of the country. Almost as early as the town was founded, South Georgia State College, one of the original members of the University System of Georgia, brought education and innovation to the community. That tradition continues with a 2011 mission change to allow SGSC to grant limited four-year degrees.

*Fodor's New Orleans* Fodor's Travel Guides,2018-07-03 For a limited time, receive a free Fodor's Guide to Safe and Healthy Travel e-book with the purchase of this guidebook! Go to fodors.com for details. Written by local experts, Fodor's travel guides have been offering advice and professionally vetted recommendations for all tastes and budgets for 80 years. New Orleans is a vibrant, bursting-at-the-seams melting pot of a city that famously inspires indulgence. This is the place to eat, drink, listen to jazz or R&B, take part in a parade, and immerse yourself in the atmosphere. Whether you come for Mardi Gras or the New Orleans Jazz & Heritage Festival or any other reason, a visit to this unique destination is never the same trip twice, but always memorable. Sugar-dusted beignets are a must, cocktail hour is anytime you want it, and the street musicians will have you dancing on the sidewalk. This travel guide includes:  
•ULTIMATE EXPERIENCES GUIDE contains a brief introduction and spectacular color photos that capture the ultimate experiences and attractions throughout New Orleans •EXPANDED COVERAGE: New hotel and restaurant recommendations have been added in up-and-coming neighborhoods throughout New Orleans. The “Under-the-Radar New Orleans” feature will help visitors live like a local and see the quirky not-for-tourists side of the city. •ILLUSTRATED FEATURES: A Mardi Gras feature, including a parade schedule, helps revelers plan their time. A colorful primer on New Orleans music provides basics about making the most of your Jazz Fest experience and how to best enjoy local music year-round. Features on New Orleans cuisine and cocktail culture identify the best eats and drinks. •INDISPENSABLE TRIP PLANNING TOOLS: Neighborhood orientation pages with maps, top reasons to go, and information for making the most of your time, make planning a snap. Easy to use, atlas-style dining and lodging maps makes finding everything easy. •SPECIAL EVENT COVERAGE: Mardi Gras in February or early March and Jazz Fest in April are two of the biggest annual events. •DISCERNING RECOMMENDATIONS: Fodor's New Orleans offers savvy advice and recommendations from local writers to help travelers make the most of their visit. Fodor's Choice designates our best picks in every category. •COVERS: New Orleans, Plantation Country, Cajun Country, the French Quarter, the Garden District, Fauborg Marigny, Bywater

**The Single Plane Golf Swing** Todd Graves,Tim O'Connor,2015-03-03 “Through this wonderful book, frustrated golfers can learn to swing like Moe [Norman] and improve their games.” —Anthony Robbins, #1 New York Times–bestselling author The mysterious and reclusive genius Moe Norman is acknowledged as the best ball-striker in the history of golf by many of the game’s greats. The Single Plane Golf Swing: Play Better Golf the Moe Norman Way reveals the secrets of the swing that enabled him to hit the ball solidly with unerring accuracy and consistency—every time. Norman’s simple, efficient, and easily understood Single Plane Swing has improved the games of thousands of golfers. Golf professional Todd Graves, known as “Little Moe” and regarded as the world authority on Norman’s swing, comprehensively teaches readers the mechanics, drills, and feelings of the Single Plane Swing that Moe called “The Feeling of Greatness.” Graves shares Norman’s brilliant insights and liberating approach to the game and demonstrates why the conventional “tour” swing is too complex and frustrating for the majority of amateurs. Illustrated with more than 300 photographs and written with Tim O’Connor, Norman’s biographer, the book also engagingly tells Norman’s bittersweet life story and explores the teacher-student bond forged between Norman and his protégé Graves. “One of golf’s greatest untold stories, Moe Norman’s life illustrated a simple and powerful truth: greatness is built from practicing the right swing in the right way. In this book, Todd Graves has given us a blueprint for that swing, for those practice habits, and most of all for a process that builds success.” —Dan Coyle, New York Times–bestselling author of The Culture Code

The Girls' Guide to Conquering Life Erica Catherman,Jonathan Catherman,2018-05-15 There's a lot a girl needs to know as she grows up and makes her way in the world. Having a reference guide of practical how-to life skills and character traits can empower her to become a confident and capable woman. Coauthors Erica and Jonathan Catherman offer this collection of step-by-step instructions on 100 things girls need to succeed, including how to - introduce yourself - change a flat tire - respectfully break up with a guy - leave a tip - apply for a job - ask for a promotion - behave during a police stop - create a personal budget - calculate square footage - wash your face - clear a clogged drain - iron a shirt - wear a scarf - shoot a basketball - sharpen kitchen knives - and much more In fact, if it's in here, it's an important skill or character trait practiced by capable and confident women. With great illustrations and sidebars of advice from world-class experts, this all-in-one reference tool for young women in the making is the perfect gift for birthdays, graduations, or any occasion.

**Struggle for Power the Longest School Strike** Leon Bock Kavunedus,Leon Bock,2011 Two people participating in the same

events, yet on opposite sides, give an engrossing view of a struggle which engulfed a large community in northern Westchester County in New York State. It became the longest teachers strike in New York State's history. Even though they are personal memoirs, both authors try to give as full a picture of the personalities, institutions, and issues driving the struggle as each experienced it. The narrative is in two parts, side by side, and event by event. Both are impressionistic accounts that do not claim to be objective. Dr. Leon Bock's account is the viewpoint of a leader of a major institution, the Lakeland School District. In representing the district he had the heavy responsibility to merge the interests of students and parents, faculty, the taxpaying community, and the Board of Education. Mr. Thomas Kavunedus, a faculty member, served as a negotiator for the Lakeland Federation of Teachers. He saw his responsibilities as extending to the promotion of learning and teaching environment which would foster excellence. The contract with the school district, which Mr. Kavunedus had participated in promulgating years earlier, was a major step in raising teachers out of the dark ages of coffee in the boiler room, and hopefully greater professionalism. Both authors disagree with one another on many of the issues. Most of these issues bedevil our schools today. Yet, there is enough civility to recognize that partisanship need not be so all engulfing that it demonizes the other side and its objectives. No narrative of such a complex event can be totally accurate and objective. The authors try to focus on the interpersonal relationships, rather than serve as a textbook history of this series of complex events. There is no intention to discredit, or malign any of the personalities in the narrative; rather they are presented as the writers experienced them under conditions of stress.

The Fine Green Line John Newport,2010-01-20 What happens when a man leaves home for a year to pursue his dream? One day, playing a particularly spectacular round of golf, husband and father John Paul Newport suddenly tastes what it's like to be a pro. Deciding to take a year off and hit the road playing golf's mini-tour circuit, Newport embarks on a wild trip through America's fairways. Over the course of his journey inside the somewhat shady, often hilarious underbelly of professional golf, he uncovers a world of people so totally addicted to golf, to the delusion of achievable perfection, that they sacrifice everything else to the quest. He also discovers the nature of his own obsession with the game, and how this constant pursuit of perfection on the golf course reflects the same challenges and frustrations one encounters in life. What does it take to master such an intricate, unpredictable game? In golf, as in life, why is one so consistently incapable of acting up to one's clearly established potential? As Newport struggles to cross that Fine Green Line--the infinitely subtle yet critical difference between the top golf professionals and those who never quite make it--he realizes that life, like golf, doesn't let you get away with anything. This is a story about letting go of fear, facing challenges, and embracing risks--a compelling personal journey that captures many of the frustrations and elations of midlife both on and off the course.

Fodor's New Orleans 2015 Fodor's Travel Guides,2014-09-16 Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. *Billboard* ,1952-06-21 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Sandspurs** Mark Lane,2008-09-07 Far from the myth of surf, sand, and orange juice, Mark Lane's snapshots of life in the Sunshine State are more likely to feature gargantuan insects than bikini-clad coeds. Lane has spent nearly thirty years as a reporter and writer for the Daytona Beach News-Journal. Often compared to Carl Hiaasen, Dave Barry, Jeff Klittenberg, or Roy Blount Jr., over the past decade his columns have built an intensely loyal following. Lane's writing is a model of crisp prose. But he is hard to pin down. One moment full of cynicism from decades of listening to fast-talking real-estate developers and lawyers, the next displaying a fierce defensiveness to those who would sweep away the honky-tonk bars and alligator farms that, in his opinion, define the state. His trips to the all-U-can-eat buffet of Florida eccentricities include gardening in a five-season climate (spring, summer, ultrasummer, fallish, and winterish), insights on home fortifications in the face of oncoming hurricanes (definition of an optimist: somebody who takes down his plywood), notes on the World's Most Famous Beach, and commentary on the two biggest shows in the state: NASCAR and state politics. Sandspurs will allow readers nationwide to discover one of Florida's most gifted writers.
