

Time Hunter Kitsune

D Kirk

Kitsune John Paul Catton, 2004-09 In the year 2020, Honore Lechasseur and Emily Blandish find themselves thrown into a mystery as an ice spirit wreaks havoc during the Kyoto's Gion Festival, and a haunted funhouse proves to contain more than just paper lanterns and wax dummies. But what does all this have to do with the elegant owner of the Hide and Chic fashion chain... and to the legendary Japanese fox-spirits, the Kitsune? Part mystery, part detective story, part dark fantasy, part science fiction ... original adventures in time and space.

Time's Up and Other Plays Lance Lee, 2001-09 Lance Lee's plays explore the moral dilemmas we face creating lives of coherence and value today with a poetic intensity that transforms theatrical practice. In *Time's Up* a man and a woman treat the audience as their marriage counselors as they face the world nakedly. The last 'fox' turns the tables on a sex queen 'huntress' and her slavish 'hound' to survive as an individual in *Fox*, *Hound*, and *Huntress*. A thinker commits suicide in *Gambits*, while a veteran fire fighter confronts the same millennial emptiness saving anything that comes his way, including the man's young wife from a murder charge. *Rasputin* is a Socratic demi-urge whose drive for self realization destroys Russia and opens the door to the greatest modern disaster, in *Rasputin*. Some of these started at the Eugene O'Neill Memorial Theatre National Playwrights Conference or through support

from the Rockefeller Foundation through the Office for Advanced Drama Research: both Fox, Hound and Huntress and Time's Up are included here from earlier publications.

The Kitsune Chronicles C. N. Christensen,2015-03-13 Audrie Lanes begins to experience strange occurrences, discovering she inherited a family curse affecting people born with the golden eyes of a fox. This event alters her life into a fantasy world. The Kitsune Chronicles: The Feral Guardian centers on Audrie learning to control her new abilities. After the curse takes effect, she awakens as a celestial kitsune, a silver ninetails whose potential is to control all of the earthly elements. As she spends time harnessing her new powers, she also bonds with her maternal family. The characters become surrogate mothers for Audrie as her own mom abandoned her when she was younger. She becomes especially attached to Star, who teaches her how to shape-shift and live in the wild. Star also teaches Audrie the importance of forgiveness, which she was never shown. While in the wilderness, Audrie meets other spirits and a creature intent on devouring them. Her family also soon discovers something else sinister seeking their kind.

The Kitsune Stratagem David Tatum, 2014-07-31 The Inari's Children Series: Once magic was plentiful and the world was dominated by a singular empire whose name has long been lost to history. In its time, the great wizard Inari developed his greatest creation: The kitsune. His enemies were quick to copy him, and soon the world was populated with many different types of this remarkable creature. Two thousand years later these different breeds of kitsune are fighting amongst themselves, and the rest of the human world is about to join them. Book I: The Kitsune Stratagem To avoid being used as a political pawn against her father, a young kitsune vixen named Kieras must leave her homeland. She soon gets caught up in the fortunes of Mathis, a vagabond hunter from Ekholm, a once sleepy little town on the verge of becoming a small city. To find a way to return home, Kieras must first help Mathis save Ekholm from threats both inside and out.

Sword of the Demon Hunter: Kijin Gentosho (Light Novel) Vol. 5 Motoo Nakanishi,2024-04-18 It's 1872, year five of the Meiji era, and the world is rapidly changing, long leaving the samurai behind--but some things aren't content to remain a memory of the past. Now in Kyoto with his daughter Nomari, Jinya runs a soba restaurant by day and patrols the streets at night hunting demons, which have strangely been increasing in number. As Jinya investigates the cause, it seems someone known as Magatsume is secretly responsible, but who could they be? And what do they want?

American Kitsune, Vol. 10 Brandon Varnell,2019-04-08 THE WAR HAS BEGUN... Four months have passed since the war between humans and yokai began, and there seems to be no end in sight. Kevin and Lilian have been doing what they can to help, but since they're also attending high school, taking part in a war is somewhat difficult. It's a good thing Kevin's boss has concocted a plan in which he and Lilian are essential. Kevin, Lilian, and Iris must travel to Los Angeles, California, and request the aid of Kuroneko, a member of the Four Saints. But wherever these three roam, trouble is sure to follow--and this time, it will take more than shonen manga antics to escape from the many dangerous and dangerously erotic situations they're bound to

run into.
