The only witness ... Emily herself. Honore and Emily find themselves caught up in a plot reaching from the future to their past, and with their very existence, not to mention the future of the entire world, at stake, can they unravel the mystery before it is too late?

**The Sideways Door** R. J. Carter,Troy Riser,2006-08 Featuring HonorA(c) Lechasseur and Emily Blandish. HonorA(c) and Emily find themselves in a parallel timestream where their alternate selves think nothing of changing history to improve the quality of life - especially their own. HonorA(c) has been recently haunted by the death of his mother, an event which happened in his childhood, but now there seems to be a way to reverse that event ... but at what cost? When faced with two of the most dangerous people they have ever encountered, HonorA(c) and Emily must make some decisions with far-reaching consequences. Part mystery, part detective story, part dark fantasy, part science fiction... original adventures in time and space.

**Skyfall** Elizabeth Munro,2014-06-01 When Cloud is expelled from Master Sky's ranger training program, the last gryphon she expects to find at her den is her old lover Soar. Now she's the only gryphon with the skills to get inside a corrupt Calgary eyrie and Soar needs her in more ways than one. Cloud has little choice but to accept the mission. Success will get her back in Sky's good books but accepting Soar as her working partner will either heal her broken heart or ruin it completely. Master Soar walked out of Cloud's life when her departure to the ranger program was inevitable. She was motivated, beautiful and too young to tie herself to someone like him. As much as it hurt, it was better to let her go. But when the Calgary eyrie is at the centre of a conspiracy to destroy his own, he's forced to play every card he has, including Cloud. When Cloud shuts him out and starts to operate on her own he has no choice but to go in after her, risking the entire mission to get the gryphon he loves out alive.

**Vestige in Time** Sara Blackard,2020-11-20 Four Christian time travel romances by Sara Blackard. Visit the wilderness of the Colorado Rockies as the Thomas family embrace the impossible to discover all God has in store for them. Fall in love with these riveting tumbles through time and space. Vestige of Power Joseph, a man of the wilderness ... thrown into the wilds of the city. Can Joseph and Victoria look past those grasping for power around them to their true destinies or will the shadows of doubt keep them from all God means for them? Vestige of Hope Thrown out of his element into a time not his own, Hunter Bennett must overcome his doubts to save the life he never knew he wanted. Viola Thomas's idyllic life in the new state of Colorado is shattered when her father fails to return from his winter trapping trip in the Rocky Mountains and a man tumbles into her life from the future. Now she must trust a man from a world far from her own. Vestige of Legacy When Samara McKenna is violently attacked and somehow ends up one hundred and forty years in the past, it appears her dreams for the future have once again been ripped from her. While trekking through the Coloradan Rockies in 1879, Orlando Thomas finds a wounded woman. As he races to save her from the harsh wilderness bent on destroying them, he hopes his failures of the past don't catch up to them. Vestige of Courage Beatrice Thomas lives a simple life on an isolated mountain homestead in 1879 Colorado, but she prays for a life of adventure. When Chase Bennett stumbles upon the most beautiful woman he's ever seen in the middle of the woods, she provides a distraction he doesn't need. As their friendship grows, Beatrice is bewildered by the complicated lives of those in a modern-day world. The adventure she longed for may be more than she can handle. Torn between the past and the promise of a better future, can Beatrice move forward and grasp the vestige of courage that's buried deep within her? If you like page-turning adventure, fascinating characters, and engaging stories of triumph, you'll love Sara Blackard's unique time travel series.

Prehistoric Hunter-Gatherers of the High Plains and Rockies Marcel Kornfeld,George C Frison,Mary Lou Larson,2016-06-16 George Frison's Prehistoric Hunters of the High Plains has been the standard text on plains prehistory since its first publication in 1978, influencing generations of archaeologists. Now, a third edition of this classic work is available for scholars, students, and avocational archaeologists. Thorough and comprehensive, extensively illustrated, the book provides an introduction to the archaeology of the more than 13,000 year long history of the western Plains and the adjacent Rocky Mountains. Reflecting the boom in recent archaeological data, it reports on studies at a wide array of sites from deep prehistory to recent times examining the variability in the archeological record as well as in field, analytical, and interpretive methods. The 3rd edition brings the book up to date in a number of significant areas, as well as addressing several topics inadequately developed in previous editions.

The Hunt for the Red Banners Paul Allen,2021-10-29 FROM THIS MASTER STORYTELLER COMES ONE OF THE MOST HIGHLY ANTICIPATED THRILLERS THIS YEAR An Australian scientist witnesses the theft of two Red Banner nukes from a Russian submarine in the Arctic. The theft triggers a covert response from the Australian government spy agency ASIS. Meanwhile, operatives with the Chinese Ministry of State Security are funding the theft using two brothers from Bagdad. The brother's journey becomes one of manipulation and betrayal. The ASIS team follow a trail of evidence from Murmansk to London. Moscow is desperate to get the Red Banners using highly placed sleeper agents. Russia's infamous ZL kill teams plunges the MI5 deep into a maelstrom of destruction while the UK counter-terrorism task force is bombed, forcing the army to populate the streets of London with soldiers. It was a mistake allowing one brother to take his revenge As the deadly dark hand of terrorism reaches up to the UK Prime Minister, fear grips the heart of the nation. Hunter must stay one step ahead of multiple invisible enemies while facing the most significant threat, the destruction of London. Hunter is determined to shut down the nuclear countdown and find the person behind the crime. GRIPPING FROM BEGINNING TO STUNNING END. Taken on the Wing Boxed Set, Books 1 and 2 Elizabeth Munro,2016-01-09 Boxed set includes both full length gryphon shifter novels, Wingspan and Skyfall. Wingspan: Jenn Klein was raised in the human world unaware of her gryphon heritage or the legacy before her. Devastated by the death of her twin brother, she makes the uncharacteristic decision to find emotional connection with a stranger, a man she knows only as Talon in the cave-like sleeper cab of his rig. But no sooner is she introduced to the gryphon world they're meant to share than she's violently taken and forced to fight, delicately balancing the human world she knows with the world of the gryphons. Born and reared a proud warrior, Talon's life takes the turn of most male gryphons; that of a rogue, existing in both the human world and on the fringes of his adopted Rocky Mountain eyrie. After proving himself to the beautiful but emotionally damaged rogue female in his truck they part ways. He's haunted by her presence in his heart until they're reunited in his eyrie. When she's torn from his arms he'll stop at nothing to have the woman he now calls Shadow returned to his side. Skyfall: When Cloud is expelled from Master Sky's ranger training program, the last gryphon she expects to find at her den is her old lover Soar. Now she's the only gryphon with the skills to get inside a corrupt Calgary eyrie and Soar needs her in more ways than one. Cloud has little choice but to accept the mission. Success will get her back in Sky's good books but accepting Soar as her working partner will either heal her broken heart or ruin it completely. Master Soar walked out of Cloud's life when her departure to the ranger program was inevitable. She was motivated, beautiful and too young to tie herself to someone like him. As much as it hurt, it was better to let her go. But when the Calgary

eyrie is at the centre of a conspiracy to destroy his own, he's forced to play every card he has, including Cloud. When Cloud shuts him out and starts to operate on her own he has no choice but to go in after her, risking the entire mission to get the gryphon he loves out alive.

**REBOUND** JB Woods,2019-11-07 'REBOUND' is a 'Pandora's Box' of several stories, each of which would merit a book in its own right. By means of an interesting format we are led through a series of graphic and exciting descriptions of, 'life in the field' with the SAS/SIS. It is little wonder that nightmares were the order of the day. The quality of the writing, particularly the action sequences in the field (and the bedroom!), mean that it is difficult to put the book down and the reader is often tempted to spend the extra minutes. Thorough research together with the author's ability to incorporate aspects of his personal experience, results in a piece of work which is both credible and exciting. Ken Theaker

**Hunter** Nazar Onishchuk,2022-10-21 Born the runt in a litter of hardy sled dogs, and abandoned in a nearby mining town, young Hunter had no way of knowing if he would survive his first cold night all alone, let alone the many hazardous paths down which his life's journey would take him. Luckily for him, though removed abruptly from the warmth and security of his mother's love, he would not be left out in the cold for long. When a young boy named Edwin notices the small, shivering pup and takes him home, a new love quickly blossoms, and together, they spend years together in joyful, peaceful enjoyment of their simple lives, secure in the knowledge that nothing would ever change. Unfortunately, war is almost as inevitable as change, and when Edwin, now a strapping young man, is called on to fight, he must leave his best friend behind with his parents on their small farm. As hard a goodbye as that was, it isn't until the battlelines encroach on their home that Hunter is once again thrust into the cold and darkness of the unknown, finding himself at the mercy of the wild. Fleeing for his life from hungry attackers, he finds himself deep in the woods, fully lost, with no way to find his way home and no idea how to survive. Luckily, nature is a strict teacher, its brutal lessons passed or failed in tests of determination and blood. But even though survival might be the wild's ultimate goal, the only thing that matters to Hunter, the only thing that keeps him going through everything he is forced to confront, is the thought of finding his way back home one day, back to Edwin and the love and warmth of his truest friend.

*The Marsh Adventures: Of Times and Places* Steve Patton,2024-04-04 An enchanting tale set in the idyllic world of a marsh, it follows the journey of four insect friends: Mepho, Mark, Glower, and Wenzel. These unlikely companions discover that a long-standing legend might actually be true, threatening the very existence of their marsh home. The legend, once dismissed as a mere fairy tale, now demands their attention. As they face seemingly insurmountable odds, they must rally the marsh's defenses against an enemy no one believes in. Along the way, we delve into the backstories of these insect friends, sharing their laughter, shouts, and cheers. Will they uncover the truth behind the legend? Can they save their beloved marsh? The stakes are high, and it all comes down to a pivotal moment—a time and a place where reality and myth collide.

**A Sideways Look at Time** Jay Griffiths,2004-03-08 A brilliant and poetic exploration of the way that we experience time in our everyday lives. Why does time seem so short? How does women's time differ from men's? Why does time seem to move slowly in the countryside and quickly in cities? How do different cultures around the world see time? In *A Sideways Look at Time*, Jay Griffiths takes readers on an extraordinary tour of time as we have never seen it before. With this dazzling and defiant work, Griffiths introduces us to dimensions of time that are largely forgotten in our modern lives. She presents an infectious argument for other, more magical times, the diverse cycles of nature, of folktale or carnival, when time is unlimited and on our side. This is a book for those who suspect that there's more to time than clocks. Irresistible and provocative, *A Sideways Look at Time* could change the way we view time-forever.

**Time Hunter** Lance Parkin,2004 Emily is dead! Killed by an unknown assailant. Honore Lechasseur is called to identify the body, but who should arrive there as well, but Emily! Honore and Emily find themselves caught up in a plot reaching from the future to their past, and with their very existence, not to mention the future of the entire world, at stake, can they unravel the mystery before it's too late? Part mystery, part detective story, part dark fantasy, part science fiction ... original adventures in time and space.

**Loss Adjuster** John Detheridge,2012-11-07 John Taylor is a loss adjuster, returning to his home town after an absence of thirteen years, to investigate a suspicious fire which has destroyed the business belonging to his childhood foe, Hunter Stokes. His return stirs up memories of his own loss - the drowning of his younger brother twenty years earlier in the fast flowing Run, where the harbour water is squeezed out to sea. It is the incident that has defined his life, with many holding him responsible for his brother's death. As the fire investigation unfolds, the adjuster compromises his professional independence - he asks questions at the office of the local newspaper, knowing that Hunter's friend, the editor, will be reporting back to him. He interviews the claimant's mother and ex-wife, to increase the pressure Hunter is under, before the initial fire investigation report has even been produced. The reason becomes clear when he tells Hunter's mother that her son bullied him when they were children. This is personal. Hunter's employees and allies are also dragged into the investigation, as old antagonism is rekindled, and the extent of the violence perpetrated against Taylor is laid bare. As the pressure of the investigation mounts on Hunter, the truth about the cause of the fire is overshadowed by a more shocking revelation.

*Slow Curve on the Coquihalla* R. E. Donald,2011-09-05 When a well respected truck driver, the owner of a family trucking business, is found dead in his truck down a steep embankment along the Coquihalla highway that winds through the mountains in British Columbia, his distraught daughter wants to know how and why he died. Hunter Rayne, a fellow trucker and retired RCMP detective with daughters of his own, is compelled to help her find answers. As he uncovers signs of illegal cross border activity originating in a Seattle warehouse, Hunter recruits an old friend, an outlaw biker, to infiltrate what appears to be an international smuggling ring. But while Hunter follows up clues and waits for critical information from his old friend, the wily biker starts to play his own angles. Finally, putting all the pieces together, there in the dark on the same uphill curve on the Coquihalla highway, Hunter risks it all to confront the murderer.

*That Feeling Your Time's Up* Aaron Michael Ricossa,2022-06-07 Stranded from her life, isolated from the world, and on the run, Luisa is still able to find joy in the time spent with her friends and family. Those moments, those fragments of a life in hiding that aren't filled with fear, may soon be coming to an end as Ferrum Penna's noose slowly tightens around their necks. As Luisa, Hunter and the gang sail the Mediterranean searching for answers, the answers they search for may be closing in on them. As two opposing forces both desperately search for the other, the only answer may be in accepting defeat and praying for victory. Desperately searching for a way to clear their names, Luisa, Hunter and the gang, test fate, by poking their noses in the lives of those who wish to remain hidden. Their hope and fear is that one of those lives will result in coming face to face with those behind the mask of Ferrum Penna. Will Luisa's growing skill with the feeling be enough, or will it only prove to be too much?
