Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and connect with our child. A collection of the most-read articles from Janet’s popular and long-running blog, *Elevating Child Care* focuses on common infant issues, including: • Nourishing our babies’ healthy eating habits • Calming your clingy, fearful child • How to build your child’s focus and attention span • Developing routines that promote restful sleep Eschewing the quick-fix tips and tricks of popular parenting culture, Lansbury’s gentle, insightful guidance lays the foundation for a closer, more fulfilling parent-child relationship, and children who grow up to be authentic, confident, successful adults.

No Bad Kids Janet Lansbury, 2024-04-30 A modern classic on the gentle art of discipline for toddlers, by the internationally renowned childcare expert, podcaster, and author of *Elevating Child Care* “No Bad Kids provides practical ways to respond to the challenges of toddlerhood while nurturing a respectful relationship with your child.”—Tina Payne Bryson, PhD, co-author of *The Whole-Brain Child* and *No-Drama Discipline* Janet Lansbury is unique among parenting experts. As a RIE teacher and student of pioneering child specialist Magda Gerber, her advice is not based solely on formal studies and the research of others, but also on her more than twenty years of hands-on experience guiding hundreds of parents and their toddlers. A collection of her most popular articles about toddler behavior, *No Bad Kids* presents her signature approach to discipline, which she sees as a parent’s act of compassion and love for a child. Full of wisdom and encouragement, it covers common toddler concerns such as: • Why toddlers need clear boundaries—and how to set them without yelling • What’s going on when they bite, hit, kick, tantrum, whine, and talk back • Advice for parenting a strong-willed child • How to be a gentle leader, and Lansbury’s secret for staying calm For parents who are anticipating or experiencing those critical years when toddlers are developmentally obliged to test the limits of our patience and love, *No Bad Kids* is a practical, indispensable resource for putting respectful discipline into action.

Help! There's a Toddler in the House! Thomas M. Reimers, 2011-03-01 Toddlers and preschoolers are unpredictable, and their antics often keep parents guessing: Why won't my five-year-old eat his veggies? Why does my two-year-old keep biting her sister? Why can't my three-year-old stay in his own bed? Why must I repeat myself every time I tell my daughter to do something? The naughty as well as challenging behaviors of young children can drive even the most patient parents to their wits' end. In these pages, parents learn how to cope with and correct many of the most common behavioral problems that little ones demonstrate.
