App Quality Jason Joseph Arbon, 2014-05-22 "App Quality: Secrets for Agile App Teams" gives agile and lean app teams an edge in building well-received apps, and accelerates them on the way to 5-stars. The book is written for app developers, testers and product managers. The book uses real world examples and data-driven techniques that any app team can apply to their designs, code, agile sprints, and product planning. "App Quality" gives your app team access to the best practices and hard-earned lessons from analyzing hundreds of millions of app store reviews, thousands of app testers testing hundreds of top apps, and conversations with top app teams. Included: Top 10 App Quality Monsters Top 10 Quality Attributes Tips for Developers, Testers, and Product Managers The book is aimed at both "Agile" and "Lean" app teams. The book is focused on analytics and practical, real-world examples of quality issues, and practical solutions to those quality issues. Whether the team is just starting to plan their next great app, or improving an existing one, following the recommendations and system outlined in this book will help get your app to 5 stars. "App Quality" walks through the Top 10 App Quality Monsters. These are the top sources of quality issues in today's modern apps: App Deployment and Distribution, Device State and Fragmentation, Users, Real World, Reviews, Metrics, Competition, Security and Privacy, User Interface, and Agile Mobile Teams themselves. Each quality monster is described in detail, with specific best practices and tips for Developers, Testers, and Product Managers. The book also describes the "Top 10 Quality Attributes", learned from app store review analysis and app testing: Content, Elegance, Interoperability, Performance, Pricing, Privacy, Satisfaction, Security, Stability, and Usability. Each quality attribute is described in detail, with real world app examples, with specific best practices and tips Developers, Testers, and Product Managers and pointers to tools and services to improve app quality. Prepare for a deep dive on app store reviews. Deep analytics of what types of feedback people are leaving in the apps store reviews, by type, by frequency, per-category, etc. The book outlines ways to leverage this data to build a higher quality app, improve star ratings, and make users happier. Some myths about Agile for app teams are also debunked. Techniques for leveraging app store reviews for competitive analysis are also described in detail. App store reviews are critical to building a high quality app that is also perceived as high quality. Putting it all together, the book then walks through an example of applying all these great tips, best practices, and data, to a real-world app. See how an expert applies these techniques to a real world app, and see how it can easily apply to your app. See the impact on test planning, development practices, and product prioritization. Armed with the latest best practices, tips, and data-driven quality analysis, app teams can build solid apps with minimal effort and time. The secrets in "App Quality" gives agile and lean teams an edge in building well-received apps, and accelerate them on the way to 5-stars.

Rockingham Castle and the Watsons Charles Wise, 1891 Edward Watson of Lyddington, Rutland County, a member of an ancient family, was a justice of the peace and a surveyor general. He and his wife, Emma Smith, are said to have been the parents of fifteen children; seven are listed in his will. When he died in 1530, he held leases on a half a dozen parsonages and several lordships, lands, and tenements and was lord of some fourteen manors. The Watsons of Rockingham Castle were his descendants.

The Tricky Teens - Handle with love & care Bhavna Karnani Killa,1901 The Tricky Teens is akin to Aesop's Fables and some more of Teen's World. This book is written to highlight the twists and turns in the relationship between parents and teens and how to smoothen them. It aims to improve the adolescence phase when kids are yet to gain maturity and at the same time parents get a peek into the teen world. There is fun, joy, action, drama, tears and learning based on what the young mother of teens experiences on a daily basis. Conflicts, disagreements, less warm interactions and negative behaviours have been expressed through real life incidents of teenagers. The book ends on a happy note by showing teenagers to be more efficient and helpful than perceived. Solutions coming from them bring in a twist in the incidents making the book more acceptable. It gives parents a fresh outlook to take the teenagers world in their stride. It fulfils the aim of bridging the communication gap which is common among the parents and teens of today.
