Adult friendships are tricky!!! Part manifesto, part guide, *The Art of Showing Up* is soul medicine for our modern, tech-mediated age. *Inclusion on Purpose* Ruchika Tulshyan,2024-03-26 How organizations can

foster diversity, equity, and inclusion: taking action to address and prevent workplace bias while centering women of color. Few would disagree that inclusion is both the right thing to do and good for business. Then why are we so terrible at it? If we believe in the morality and the profitability of including people of diverse and underestimated backgrounds in the workplace, why don't we do it? Because, explains Ruchika Tulshyan in this eye-opening book, we don't realize that inclusion takes awareness, intention, and regular practice. Inclusion doesn't just happen; we have to work at it. Tulshyan presents inclusion best practices, showing how leaders and organizations can meaningfully promote inclusion and diversity. Tulshyan centers the workplace experience of women of color, who are subject to both gender and racial bias. It is at the intersection of gender and race, she shows, that we discover the kind of inclusion policies that benefit all. Tulshyan debunks the idea of the "level playing field" and explains how leaders and organizations can use their privilege for good by identifying and exposing bias, knowing that they typically have less to lose in speaking up than a woman of color does. She explains why "leaning in" doesn't work—and dismantling structural bias does; warns against hiring for "culture fit," arguing for "culture add" instead; and emphasizes the importance of psychological safety in the workplace—you need to know that your organization has your back. With this important book, Tulshyan shows us how we can make progress toward inclusion and diversity—and we must start now.

Fifteen minutes later he filled the room with wailing, declaring himself ready to take on the world. He was diagnosed with cerebral palsy, and doctors told his mother he would never walk, never read, and never even know he was himself. Christopher, however, had other plans for his life. Success is born of transcending the expectations of others and growing into your God-given potential. What's in the wheelchair on the book cover? Be the first to solve the mystery and you will win a \$250 cash prize! Here is the first clue: The object is mentioned towards the end of the book.
