The Cheat Sheet Sarah Adams, 2021-08-17 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral

video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan's publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she's been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.

The Scottish Prisoner Diana Gabaldon, 2011-11-29 "This could be the worthy Lord John Grey's breakout novel, as readers are treated to large dollops of Outlander hero Jamie Fraser."—Booklist A captivating return to the world Diana Gabaldon created in her Outlander and Lord John series, *The Scottish Prisoner* is a masterpiece of epic history, wicked deceit, and scores that can only be settled in blood. London, 1760. For Jamie Fraser, paroled prisoner-of-war, life is coming apart at the seams. In the remote Lake District, where he's close enough to the son he cannot claim as his own, Jamie's quiet existence is interrupted first by dreams of his lost wife, then by the appearance of an erstwhile comrade still fighting to rally the Irish. But Jamie has sworn off politics, fighting, and war. Until Lord John Grey shows up with a summons that will take him away from everything he loves—again. Lord John is in possession of explosive documents that expose a damning case of corruption against a British officer. But they also hint at a more insidious danger. Soon Lord John and Jamie are unwilling companions on the road to Ireland, a country whose dark castles hold dreadful secrets, and whose bogs hide the bones of the dead. Praise for *The Scottish Prisoner* "Call it what you will—historical adventure, conspiracy thriller—it's an engrossing story, masterfully paced, with exciting plot twists, swift reversals, and robust characterizations."—The Globe and Mail "As always, Gabaldon goes above and beyond. . . . If you love historical fiction, this book could be a good entrance point into the

Outlander world.”—Bookreporter
