String Bean, Buster, the Grumpy Gourmet and Other Personas: A Memoir Philip M. Coons,2014-01-31

In this humorous, entertaining, and poignant memoir Philip M. Coons, M.D., writes about his life from the time of his conception to his recent retirement. His memories, written as ninety brief vignettes, include episodes from kindergarten through twelfth grade, Wabash College in Crawfordsville, Indiana, Indiana University School of Medicine, rotating internship at Indianapolis' Methodist Hospital, and general psychiatry residency at Indiana University Hospitals. In this volume he humorously describes his family, dating and marriage, hobbies, cooking, dancing lessons, and nicknames. Although he has lived in Indianapolis, Indiana most of his life, he attended high school in Puerto Rico and New Albany, Indiana. Dr. Coons shares serious reflections on depression, spirituality, dissociation, desegregation, homosexuality, death and dying, divorce, and life changing experiences including cancer.

The Dance Hall Steven Reak,2017-04-28 At a champagne brunch held at an old dance hall, there are gossipers, adulterers and possible murderers after the Tondy brothers got killed. Edward and Betty are a middle-aged couple ready to retire from farming with ten kids. Some of their kids are in their thirties, with families of their own, and some of them are still in middle school. Their oldest son Harold, and his wife Laura, are two love struck adults still trying to make their marriage work, while their daughter Donna, and her boyfriend Nelson, are struggling to make their relationship work. Tim is one of Edward and Betty's sons. Everyone is enjoying themselves and waiting for the band to start up. Terry is a friend of the family. Terry has a green handkerchief in his shirt pocket. Find somebody else who has a green handkerchief and give it to Bonnie and she can wave it around in front of him. That oughta get his attention. How's that gonna turn him on? Theresa asks her sister at the champagne brunch at the dance hall in Lexington. If we do things like that enough times, you know, keep pestering him, get in his face with stuff like that, maybe he'll come around. Walking from the bar area with a glass of champagne in her hand, their cousin, Susan, sees them. Are you's still harassing that poor man? My God, his mother just passed away, last week. Don't you have any sympathy or any sense of decency? How long are you going to keep driving him crazy? You know he hates that stuff. It's fun, Carol tells her, giggling. Later, Frank walks in the front door with a sad look on his face. Terry was just killed in a car accident. He was distracted and missed a stop sign and T-boned another car. Terry and his young son were both killed. Not having heard the news yet, Linda shouts, I can't wait to get back out on the dance floor. I wanna dance! Linda exclaims happily. Let's go, then! Donna stands on the seat of the bright orange booth she's been sitting on and tries walking around Tim. She nearly knocks Tim over trying to get out and Tim's backside slides further and further down into the bench. Nelson starts erupting in laughter. Dude! You should see the expression on your face! You look like you just got hit by a train! He roars hard laughing. Tim tries straightening himself up and struggles to get out from underneath the table. Nelson roars again in laughter. Dude! That is so funny! Tim works at the state Capitol for the Governor. Their cousin, Danny Baldwin and Dennis Miller, a self-proclaimed know-it-all, square off in a funny, one sided mayoral debate. Meet the whole family. Endearing aunt Hannah, and the Reich's from Belle River, the Stepan brothers who feed off of each other like pigs in a blanket. Come and visit Lexington. You'll like it here.

Tippy Toe Murder Leslie Meier,2014-05-16 New York Times-Bestselling Author: In this "solid mystery," a very pregnant sleuth races the clock to deliver justice to a killer (San Francisco Chronicle). With three kids underfoot, a fourth on the way, and an oppressive heat wave bearing down, homemaker Lucy Stone is hardly enjoying an idyllic summer. But her preoccupation with swelling ankles, Bavarian creme doughnut cravings, and sewing sequins on ballet-recital tutus gives way to dread when she learns her waistline isn't the only thing that's recently vanished. The strange disappearance of a retired dance instructor has the tiny coastal town of Tinker's Cove, Maine, in a tizzy—that turns to terror when a notoriously cantankerous shopkeeper is slain right on Main Street. Now Lucy's up to her bulging belly in suspects and red herrings. Eluded by a cold-blooded killer, with her due date looming and the temperature soaring, she figures something has to break soon. With any luck, it won't be her water... "A surprising and intelligently constructed plot."—Cape Cod Times "Packed with the details of small-town family life."—Publishers Weekly "An endearing sleuth."—Dorothy Cannell

as Cash is about to believe that Tippy might be the one for him, an unforgivable betrayal leads to despair, deceit—and unexpected danger. Now all roads lead to this one pivotal moment that will test the very fabric of a love that had once known no bounds....

Soapy Don Harreld,2024-03-11 This is the author's life story. He wrote it at the request of his children and grandchildren. It begins with the day he was born, goes into great detail as to what life was like growing up in Indiana during the 40's, 50's, 60's and ends with celebrating his 80th birthday with family and friends. The sole purpose was to document what his life was like and to leave something behind for everyone to understand his thoughts, feelings, experiences and incredible accomplishments. This book could be used as a guide to motivate and encourage others to write their autobiography. This book will forever be a family treasure. Keeping these stories alive in *Soapy* is such a unique and special way for Grandpa to share them with future generations. --Michelle Life has thrown my Father more than his fair share of curveballs; but he always bounced back with renewed purpose, enthusiasm, and strength. His story highlights this along with his love and devotion to family. --Angi I especially like Grandpa's story of how he got his nickname. --Matt I learned a lot about my friend reading *Soapy* and it inspired my Father-in-Law to write his autobiography. --Joe Reading my brother's book has brought back so many wonderful memories of growing up together. --Vicki

Show Tunes Steven Suskin,2010-03-09 *Show Tunes* fully chronicles the shows, songs, and careers of the major composers of the American musical theatre, from Jerome Kern's earliest interpolations to the latest hits on Broadway. Legendary composers like Gershwin, Rodgers, Porter, Berlin, Bernstein, and Sondheim have been joined by more recent songwriters like Stephen Schwartz, Stephen Flaherty, Michael John LaChiusa, and Adam Guettel. This majestic reference book covers their work, their innovations, their successes, and their failures. *Show Tunes* is simply the most comprehensive volume of its kind ever produced, and this newly revised and updated edition discusses almost 1,000 shows and 9,000 show tunes. The book has been called a concise skeleton key to the Broadway musical (*Variety*) and a ground-breaking reference work with a difference (*Show Music*)-or, as the *Washington Post* observed, It makes you sing and dance all over your memory. The eagerly anticipated Fourth Edition, updated through May, 2009, features the entire theatrical output of forty of Broadway's leading composers, in addition to a wide selection of work by other songwriters. The listings include essential production data and statistics, the most extensive information available on published and recorded songs, and lively commentary on the shows, songs, and diverse careers. Based on meticulous research, the book also uncovers dozens of lost musicals-including shows that either closed out of town or were never headed for Broadway-and catalogs hundreds of previously unknown songs, including a number of musical gems that have been misplaced, cut, or forgotten. Informative, insightful, and provocative, *Show Tunes* is an essential guide for anyone interested in the American musical.

Over at College James Knox Walker,Debbie Spies,2016-04-08 In 1926 James Knox Walker, staff civil engineer in charge of building at A&M, and his new bride moved onto the campus of what was then known as the Agricultural and Mechanical College of Texas. The greater community, of which this small on-campus neighborhood was a part, was known simply as “College.” There was no such place as College Station, and the city of Bryan stood six miles away. James Knox Walker Jr., the couple’s oldest child, recollects the days when professors, staff members, and their children formed a small, closely knit society “over at College.” The campus served as the children’s playground and the scene of their adventures. It also served their educational needs at A&M Consolidated School, founded in 1920. This community flourished from its beginnings in the late 1890s until 1938, when the college informed residents that it would no longer provide on-campus housing. *Over at College* is a charming stroll through the past that also captures fascinating glimpses of the social structures, institutions, mores, and daily lives on the A&M campus during the 1920s and 1930s.
