Getting Pregnant Fast Paige Mathisen,2015-10-08 Getting Pregnant Fast - Learn how to get pregnant fast...in 3 months or less and become a first time mom before you know it! If getting pregnant for the first time hasn't worked for you....even after months of trying....this book can help you change that. Getting pregnant doesn't have to be a challenge! This book will teach you all the practical, proven tips and tricks you need to increase your chances of getting pregnant fast. Don't give up your dream of getting pregnant! I know it's hard to keep believing that it can happen for you but I'm proof that getting pregnant can happen no matter how long you've been trying! My husband and I tried to get pregnant for years. It seemed like all my friends were getting pregnant but somehow, I couldn't. There were many times that I wanted to throw in the towel and call it quits but I just couldn't give up my dream of having a baby. Desperate to increase my chances of getting pregnant, I aggressively began reading every book I could find on infertility, getting pregnant, conception, and pretty much anything that could tell me how to get pregnant fast! I applied every method I learned from diligently calculating my ovulation and watching for fertility signs, having sex often and at specific times, eating foods that would boost my fertility, and educating my husband on what he could do to improve our chances of conception. We continued to work these techniques over and over and after only a couple of months...it happened....my dream of getting pregnant became a reality at 37 years old! Surprisingly, shortly after that, I got pregnant again a year and a half after the birth of my first child using the same techniques!! I wrote Getting Pregnant Fast - The Essential 'How to Get Pregnant Fast' Guide that will Turn Your Dream of Having a Baby into a Reality specifically for you. I know from experience that the information in this book will radically increase your chances of getting pregnant. Getting Pregnant Fast teaches you: What to do before trying to conceive 4 methods that will help you identify your fertile

Getting Pregnant For Dummies Lisa A. Rinehart, John S. Rinehart, Sharon Perkins, Jackie Meyers-Thompson, 2020-01-30 The hands-on guide that addresses the common barriers to achieving pregnancy and offers tips to maximize your potential for fertility For millions of people, starting a family is a lifelong dream. However, many face challenges in welcoming children into the world. According to the Centers for Disease Control and Prevention (CDC), approximately 12% of women in the US from ages 15 to 44 have difficulty getting pregnant or staying pregnant. A variety of factors exist that can contribute to infertility, such as ovulation disorders, uterine abnormalities, congenital defects, and a host of environmental and lifestyle considerations. But infertility is not just a female problem. For approximately 35% of couples with infertility, a male factor is identified along with a female factor, while in 8% of couples, a male factor is the only identifiable cause. Fortunately, there are many treatment options that offer hope. Getting Pregnant For Dummies discusses the difficulties related to infertility and offers up-to-date advice on the current methods and treatments to assist in conception. This easy-to-read guide will help you understand why infertility occurs, its contributing risk factors, and the steps to take to increase the chances of giving birth. From in vitro fertilization (IVF) to third party reproduction (donor sperm or eggs and gestational surrogacy) to lifestyle changes to understanding genetic information to insurance, legal and medication considerations, this book covers all the information you need to navigate your way to the best possible results. Packed with the latest information and new developments in medical technology, this book: Helps readers find real-life solutions to getting pregnant Covers the latest information on treatments for infertility for both women and men Offers advice on choosing the option best suited for an individual's unique situation Explains the different types and possible causes of infertility issues Provides insight to genetic testing information Provides suggestions for lifestyle changes that help prepare for conception Getting Pregnant For Dummies is an indispensable guide for every woman trying to conceive and for men experiencing infertility issues.
