Give a Little Snuggle Regina Noel Downing,2021-05-05 Give a Little Snuggle Music soothes our souls, wiggles get the mad out, giggles lighten the load, and a snuggle brings a calm connectedness. Give a Little Snuggle is a story about your child. The delightful illustrations, text, and music, are created with all hearts in mind. It is a story about blue times and rough times, and the fear that comes with those times. It is a story that teaches children and adults alike, that though we may have blue times, rough times, and fearful times, there is always something we can do to ease our soul; connect with those we love and who love us. When your child is sad or upset, you may find connecting difficult. Their upsets become yours, and soon you are at your wit's end. Nothing you try works to calm or connect. You may think your child wants to be left alone. But as a mother and educator, I can assure you what they really want and need, is connection. This book helps you do just that: Connect when there is sadness,

connect when it's been a bad day, connect when there is fear? I wrote this as a song first, when my son was having a meltdown. No matter how hard I tried, he wouldn't let me in. Out of desperation I just started singing. These are the words that came out. Suitable for ages 4 to 8.

The Very Cranky Bear ,2018-02-27 Moose, Lion, Zebra and Sheep take shelter in a cave on a cold and rainy day, only to realize that a bear is there. The bear roars loudly and says that he is trying to sleep. Not understanding why the bear is so cranky, the other animals come up with ways to cheer him up. Moose finds antlers for him, Lion gives him a mane, and Zebra paints on stripes. Is there anything the four well-meaning friends can do to help the bear sleep?

My Rainforest Classroom Stuart French,2020-06-06 Have you ever wondered what school would be like if it were in the middle of the rainforest? If the vast expanses of the city were overtaken by untamed wilderness, and all the signs of life began to disappear? Well, wonder no longer, as you join little Charlie and see his world overcome by the beautiful plants and animals of Mother Nature, and everything they hold so dear.

Bug Hunt Brooke Vitale,2020-10-06 A little boy is on a quest to

find bugs in his backyard. But will he find what he's looking for? This early reader, with simple language and familiar word families is the perfect fit for emergent readers, and associated literacy activities at the back will help strengthen your child's reading from page to page.

Good for You! Stephanie Calmenson, 2001-09-18 There's lots to see and lots to do. Can you turn the pages? You can? Good for you! Toddlers can do so many things—say their ABCs and 1-2-3s, wash with soap, drink from a cup, help dress themselves, and even say please and thank you. While they listen to the lively poems in this book about all the things they can do, toddlers can join in—they can play a game of peekaboo, parade with the alphabet, find their favorite colors, and much more. Chock full of fun, this is a book that children will turn to again and again. With irresistible poems and eye-catching pictures, Stephanie Calmenson and Melissa Sweet joyfully capture a toddler's world and encourage children to feel good about their many accomplishments.
