**The Toll-Bridge Troll** Patricia Rae Wolff,2000 A fierce troll challenges a smart little boy in this book filled with funny riddles and rebus-like drawings. **The Secret** Sean Kelly & Ted Mann & Byron Preiss,2014-03-18 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

**The Defenders of Prali** Davidson L. Haworth,2014-03-12 Life in Prali, a small village nestled in a picturesque valley in the Italian Alps, is quiet and safe—until the gates to the underworld open nearby, unleashing the fury of the last of the dragons. Generations earlier, the dragons were driven from Prali and slaughtered. Now they have returned with only one goal: revenge against humanity. A young Franciscan monk named Bernard, an English girl named Mary, and a knight named Leonardo are all that stand in the way of fiery oblivion unleashed by the invading dragon army. The underworld is a place of dark and mysterious magic, where threats far more diabolical than dragons lurk in the shadows. A powerful wizard, Simon Magnus, sees the plight of the overwhelmed heroes and offers his assistance. But his intentions are far from altruistic; after the dragons destroy the villages, Magnus plans to step in to enslave the villagers and enlists the help of winged furia, demons from the underworld, to finish off the dragons. Desperate, Bernard seeks the assistance of the French leader, Clement Laurent. Infuriated, Magnus brings in Persian mercenaries to crush the resistance. Meanwhile, news that fighters from the Vampire Empire are on the march toward Prali pushes the heroes to the breaking point. The fate of Prali rests in the outcome of an epic battle between the combined forces of good and evil. Can Bernard and his allies hope to save their village and their way of life?
