Other People's Children Lisa D. Delpit, 2006 An updated edition of the award-winning analysis of the role of race in the classroom features a new author introduction and framing essays by Herbert Kohl and Charles Payne, in an account that shares ideas about how teachers can function as cultural transmitters in contemporary schools and communicate more effectively to overcome race-related academic challenges. Original.

From Staircase to Stage Raekwon, Anthony Bozza, 2021-11-30 There are rappers who everyone loves and there are rappers who every rapper loves, and Corey Woods, a.k.a. Raekwon the Chef, is one of the few who is both. His versatile flow, natural storytelling, and evocative imagery have inspired legions of fans and a new generation of rappers. Raekwon is one of the founding members of Wu-Tang Clan, and his voice and cadence are synonymous with the sound that has made the group iconic since 1991. Now, for the first time, Raekwon tells his whole story, from struggling through poverty in order to make ends meet to turning a hobby into a legacy. The Wu-Tang tale is dense, complex, and full of drama, and here nothing is off-limits: the group's origins, secrets behind songs like C.R.E.A.M. and Protect Ya Neck, and what it took to be one of the first hip-hop groups to go from the underground to the mainstream. Raekwon also delves deep into the making of his meticulous solo albums--particularly the classic Only Built 4 Cuban Linx--and talks about how spirituality and fatherhood continue to inspire his unstoppable creative process. --

This Time Together Carol Burnett, 2011-03-22 This touching and hilarious memoir is 100 percent Carol Burnett—funny, irreverent, and irresistible. Carol Burnett is one of the most beloved and revered actresses and performers in America. The Carol Burnett Show was seen each week by millions of adoring fans and won twenty-five Emmys in its remarkable eleven-year run. Now, in This

Time Together, Carol really lets her hair down and tells one funny or touching or memorable story after another. In engaging anecdotes, Carol discusses her remarkable friendships with stars such as Jimmy Stewart, Lucille Ball, Cary Grant, and Julie Andrews; the background behind famous scenes, like the moment she swept down the stairs in her curtain-rod dress in the legendary “Went with the Wind” skit; and things that would happen only to Carol—the prank with Julie Andrews that went wrong in front of the First Lady; the famous Tarzan Yell that saved her during a mugging; and the time she faked a wooden leg to get served in a famous ice cream emporium. This poignant look back allows us to cry with the actress during her sorrows, rejoice in her successes, and finally, always, to laugh.

Colour-Coded Constance Backhouse, 1999-11-20 Historically Canadians have considered themselves to be more or less free of racial prejudice. Although this conception has been challenged in recent years, it has not been completely dispelled. In *Colour-Coded*, Constance Backhouse illustrates the tenacious hold that white supremacy had on our legal system in the first half of this century, and underscores the damaging legacy of inequality that continues today. Backhouse presents detailed narratives of six court cases, each giving evidence of blatant racism created and enforced through law. The cases focus on Aboriginal, Inuit, Chinese-Canadian, and African-Canadian individuals, taking us from the criminal prosecution of traditional Aboriginal dance to the trial of members of the 'Ku Klux Klan of Canada.' From thousands of possibilities, Backhouse has selected studies that constitute central moments in the legal history of race in Canada. Her selection also considers a wide range of legal forums, including administrative rulings by municipal councils, criminal trials before police magistrates, and criminal and civil cases heard by the highest courts in the provinces and by the Supreme Court of Canada. The extensive and detailed documentation presented here leaves no doubt that the Canadian legal system played a dominant role in creating and preserving racial discrimination. A central message of this book is that racism is deeply embedded in Canadian history despite Canada's reputation as a raceless society. Winner of the

Joseph Brant Award, presented by the Ontario Historical Society

Dissident Knowledge in Higher Education Marc Spooner,James McNinch,2018 Dissident Knowledge challenges the audit-based, neoliberal culture that is threatening the foundational values of higher education institutions everywhere.

Native Americans on Film M. Elise Marubbio,Eric L. Buffalohead,2013-02-22 "An essential book for courses on Native film, indigenous media, not to mention more general courses . . . A very impressive and useful collection." —Randolph Lewis, author of Navajo Talking Picture The film

industry and mainstream popular culture are notorious for promoting stereotypical images of Native Americans: the noble and ignoble savage, the pronoun-challenged sidekick, the ruthless warrior, the female drudge, the princess, the sexualized maiden, the drunk, and others. Over the years, Indigenous filmmakers have both challenged these representations and moved past them, offering their own distinct forms of cinematic expression. *Native Americans on Film* draws inspiration from the Indigenous film movement, bringing filmmakers into an intertextual conversation with academics from a variety of disciplines. The resulting dialogue opens a myriad of possibilities for engaging students with ongoing debates: What is Indigenous film? Who is an Indigenous filmmaker? What are Native filmmakers saying about Indigenous film and their own work? This thought-provoking text offers theoretical approaches to understanding Native cinema, includes pedagogical strategies for teaching particular films, and validates the different voices, approaches, and worldviews that emerge across the movement. “Accomplished scholars in the emerging field of Native film studies, Marubbio and Buffalohead . . . focus clearly on the needs of this field. They do scholars and students of Native film a great service by reprinting four seminal and provocative essays.” —James Ruppert, author of *Meditation in Contemporary Native American Literature* “Succeed[s] in depicting the complexities in study, teaching, and creating Native film . . . Regardless of an individual’s level of knowledge and expertise in Native film, *Native Americans on Film* is a valuable read for anyone interested in this topic.” —*Studies in American Indian Literatures*

The Revolt of the Black Athlete Harry Edwards, 2017-05-02 *The Revolt of the Black Athlete* hit sport and society like an Ali combination. This Fiftieth Anniversary edition of Harry Edwards's classic of activist scholarship arrives even as a new generation engages with the issues he explored.

Edwards's new introduction and afterword revisit the revolts by athletes like Muhammad Ali, Kareem Abdul-Jabbar, Tommie Smith, and John Carlos. At the same time, he engages with the struggles of a present still rife with racism, double-standards, and economic injustice. Again relating the rebellion of black athletes to a larger spirit of revolt among black citizens, Edwards moves his story forward to our era of protests, boycotts, and the dramatic politicization of athletes by Black Lives Matter. Incisive yet ultimately hopeful, *The Revolt of the Black Athlete* is the still-essential study of the conflicts at the interface of sport, race, and society.
