Dorothy Osborne

**The Love Letters of William and Mary Wordsworth** William Wordsworth, Mary Wordsworth, 2009 The Love Letters of William and Mary Wordsworth collects 31 letters that William Wordsworth exchanged with his wife, Mary, during the early years of their marriage. These letters--fifteen from William to Mary and sixteen from her to him--were written during William's absences from home in 1810 and 1812 and offer an entirely new way of looking at the poet and his married life. Reproduced here with an informative introduction and headnotes by Beth Darlington that set each missive in biographical context, the letters cover a wide range of topics: village life, Regency politics, poetry and painting, London gossip, rural manners, their five children, domestic activities, and family anecdotes. Yet along with these everyday incidents and practical concerns, there are tender passages in which the Wordsworths ardently declare their love for each other and reveal a profound happiness in their marriage. The William Wordsworth who emerges from this correspondence is a figure more relaxed, more accessible, and indeed more human than he has been pictured; Mary emerges as a woman of keen intelligence, energy, and imagination. Revealing how thoroughly Wordsworth shared his inner and passionate life with Mary, this volume puts to rest the notion that theirs was a marriage of convenience.

**28 Years Between Kisses** Thomas Delia, Linda Delia, 2006 In 2001, Tom DeLia vowed to find the first and only love of his life, whom he had not seen for nearly three decades. Their literate, honest, funny, romantic, and sometimes erotic letters and emails bring the now middle-aged lovers to life for the reader.

**Dear Tom** Tom Courtenay, Annie Eliza Courtenay, 2000 Partly a memoir of a working-class way of life that has gone for ever, partly a powerfully moving record of the love between mother and son, partly a portrait of the artist as a young actor, Dear Tom is sure to excite admiration and delight in equal measure.--BOOK JACKET.

**Ancient Love Letters** Anna Tiziana Drago, Owen Hodkinson, 2023-01-30 This volume investigates the form of love letters and erotic letters in Greek and Latin up to the 7th Century CE, encompassing both literary and documentary letters (the latter inscribed and on papyrus), and prose and poetry. The potential for, and utility of treating this large and diverse corpus as a 'genre' is examined. To this end, approaches from ancient literary criticism and modern theory of genre are made; mutual influences between the documentary and the literary form are sought; and origins in proto-epistolary poetic texts are examined. In order to examine the boundaries of a form, limit cases, which might have less claim to the label 'love letter', are compared with more clear-cut examples. A series of case studies focuses on individual letters and letter-collections. Some case studies situate their subjects within the history and literary evolution of the love letter, using both intertextuality and comparative approaches; others placing them in their cultural and historical contexts, particularly uncovering the contribution of epistolarity to erotic discourse, and to the history of sexuality and gender in diverse eras and locations within Classical to Late Antiquity.

**The Love Letters of a Genius** Prosper Mérimée, 1905

**Vocation and Desire** Dorothea Barrett, 2015-09-25 First published in 1989. Generations of critics have seen George Eliot as a conservative Victorian high moralist and sybil. Vocation and Desire questions that image, and finds in her work elements of anger, feminism, subversiveness, revenge, iconoclasm, wit, and eroticism - elements that we have been taught not to expect. After looking at the development of the sybilline image and the gradual eclipse of the subversive George Eliot - which Eliot herself initiated - Dorothea Barrett goes on to investigate the evidence of the novels themselves and finds an alternative emphasis. Her study of the heroines of the six major novels and issues of language and desire provides a refreshing and acute analysis of the contradictions and strengths of Eliot's work. She also considers the reception of George Eliot by feminist critics and the broader implications of her work for contemporary feminism. This title will be of interest to students of literature.

**My Dearest Love** Ron Moss, 2021-06 My Dearest Love, Love Letters From Him To Her is the first edition of the My Dearest Love series of books. This edition is a collection of love letters that I collected from men across America. The letters are written to mothers, wives, daughters, and girlfriends. This book is a letter, that I write to you on each chapter page telling you where I collected the letters for that particular chapter. This book will show you the many faces of love. Like a farmer from Iowa who's been in, a more than 60-year love affair with his wife. Or a young LA. gang member, who is experiencing real love for the first time and struggles with that ancient art of writing a love letter. One man wrote a beautiful letter and ended it with, I love you your soon to be ex-husband. A man wrote a letter that was a marriage proposal, and I got the response. This book will grab you from the very first letter. I wrote a symbolic letter to my mother who passed away when I was 12 years old to introduce my wife and my first born who is her namesake. All of the men were proud to donate their letters for this book. One man wrote two of the same letters, one for the book, the other to put on his wife's grave. She was killed by a drunk driver just before he wrote it. This book is real raw emotions. Some of the letters will bring joy to your heart, other will bring a tear to your eye. (CAUTION) Ordering this book may inspire the person in your life to write you love letters. Future editions planned for the My Dearest Love series will be love letters from Her to Him, From LGBTQ Him to Him, from LGBTQ Her to Her, and My Dearest Love, Grandparents Edition. If you would like to submit a love letter and become a part of this love community you will find the information on the last page of the first edition My Dearest Love, Love Letters From Him To Her book.
