Not Tonight Joanna Kempner, 2014-10-08 Migraine is an extraordinarily common, disabling, and painful disorder that affects over 36 million Americans and costs the US economy at least \$32 billion per year. Nevertheless, it is frequently dismissed, ignored, and delegitimised. In this book, Joanna Kempner argues that this general dismissal of migraine can be traced back to the gendered social values embedded in the way we talk about, understand, and make policies for people in pain.

Take Me Home Tonight Morgan Matson, 2021-05-04 Ferris Bueller's Day Off meets Nick and Norah's Infinite Playlist in this romp through the city that never sleeps from the New York Times bestselling author of *Since You've Been Gone*. Two girls. One night. Zero phones. Kat and Stevie—best friends, theater kids, polar opposites—have snuck away from the suburbs to spend a night in New York City. They have it all planned out. They'll see a play, eat at the city's hottest restaurant, and have the best. Night. Ever. What could go wrong? Well. Kind of a lot? They're barely off the train before they're dealing with destroyed phones, family drama, and unexpected Pomeranians. Over the next few hours, they'll have to grapple with old flames, terrible theater, and unhelpful cab drivers. But there are also cute boys to kiss, parties to crash, dry cleaning to deliver (don't ask), and the world's best museum to explore. Over the course of a wild night, both Kat and Stevie will get a wake-up call about their friendship, their choices...and finally discover what they really want for their future. That is, assuming they can make it to Grand Central before the clock strikes midnight.

Tonight the Streets Are Ours: Chapters 1-5 Leila Sales, 2015-09-15 Recklessly loyal. That's how seventeen-year-old Arden Huntley has always thought of herself. Taking care of her loved ones is what gives Arden purpose in her life and makes her feel like she matters. But lately she's grown resentful of everyone—including her needy best friend and her absent mom—taking her loyalty for granted. Then Arden stumbles upon a website called *Tonight the Streets Are Ours*, the musings of a young New York City writer named Peter, who gives voice to feelings that Arden has never known how to express. He seems to get her in a way that no one else does, and he hasn't even met her. Until Arden sets out on a road trip to find him. During one crazy night out in New York City filled with parties, dancing, and music—the type of night when anything can happen, and nearly everything does—Arden discovers that Peter isn't exactly who she thought he was. And maybe she isn't exactly who she thought she was, either.

Today, she hates him. It's the last day of senior year. Rowan Roth and Neil McNair have been bitter rivals for all of high school, clashing on test

scores, student council elections, and even gym class pull-up contests. While Rowan, who secretly wants to write romance novels, is anxious about the future, she'd love to beat her infuriating nemesis one last time. Tonight, she puts up with him. When Neil is named valedictorian, Rowan has only one chance at victory: Howl, a senior class game that takes them all over Seattle, a farewell tour of the city she loves. But after learning a group of seniors is out to get them, she and Neil reluctantly decide to team up until they're the last players left—and then they'll destroy each other. As Rowan spends more time with Neil, she realizes he's much more than the awkward linguistics nerd she's sparred with for the past four years. And, perhaps, this boy she claims to despise might actually be the boy of her dreams. Tomorrow...maybe she's already fallen for him.

Target for Tonight Denys A. Braithwaite, 2005-07-19 The posthumous memoirs of a World War II Pathfinder pilot and Distinguished Flying Cross recipient who flew target-marking missions in enemy territory. Denys A. Braithwaite was born of a well-to-do Yorkshire family and joined the Auxiliary Air Force on his eighteenth birthday in 1939. On the occasion of Chamberlain's speech to the British nation on September 3, the situation changed dramatically and from being a "super weekend club," his squadron was assigned coastal patrol duties. In October he was posted to Peterborough to learn to fly with the

regular RAF. There followed a period of convoy protection flying Blenheims and then flying with the meteorological flight based at Bircham Newington on the Norfolk coast. Here he flew a Gloster Gladiator with a flight that had the reputation of "flying even when the birds wouldn't." Now a Squadron Leader, Braithwaite became acquainted with the legendary de Havilland Mosquito and flew long-range weather reconnaissance flights (PAMPA) under the control of Coastal Command. These patrols involved a lone aircraft flying deep into enemy territory to observe the meteorological conditions in advance of bombing raids or naval action. PAMPA Flight 1409 moved to Oakington and transferred to Bomber Command and operated under the command of Air Commodore Donald Bennett and became one of the elite Pathfinder units. Braithwaite's lengthy and successful tour included many exciting episodes described here in thrilling detail. After being transferred to the United States, Braithwaite was posted to India where he contracted a tropical disease that ended his flying career. The recipient of the Distinguished Flying Cross, Braithwaite died before being able to see his memoirs in print.
