A Cup of Coffee with 10 of the Top Personal Injury Attorneys in the United States Sam Aguiar Esq,Randy Van Ittersum,Janet Ward Black Esq,2014-07-24 A Cup Of Coffee With 10 Of The Top Personal Injury Attorneys In The United States - This book is for anyone who has been seriously injured in an accident. Ten of the top personal injury attorneys in the United States will provide you with valuable insights, guide you through the hazardous steps of filing a claim, and shepherd you around the landmines when dealing with insurance companies. If you are the victim of an accident that was due to the negligence of another person or company, you are entitled to compensation for your injuries. Unfortunately, most people don't realize that insurance companies have no incentive to be fair or to fully compensate you for your injuries. Their unstated goal is to find ways to deny your claim or minimize their liability, and pay you as little as possible. We asked 10 of the best personal injury attorneys to share their insights about what you should know before you settle your claim. I personally believe this is the most powerful and enlightening book ever written on the subject.

Winning Personal Injury Cases Evan K. Aidman, 2011 In this book, I examine every aspect of personal injury litigation, from attracting new clients to jury trials, and beyond. The personal injury laws vary from state to state and between state and federal court. Since 1983, I have been a trial lawyer

in Pennsylvania and New Jersey. Much of the information presented involves those experiences. The law in your state may be different. Nevertheless, there is much uniformity throughout the states. The information in this book can be used by personal injury litigants and their counsel in any state. You may have to refer to local sources for the law or practice that applies to your situation. -- INTRODUCTION.
