ELLEgirl provides young women with insider information on fashion, beauty, service and pop culture in a voice that, while maintaining authority on the subject, includes and amuses them.

The Ringtone Dialectic Sumanth Gopinath,2013-07-19 The rise and fall of the ringtone industry and its effect on mobile entertainment, music, television, film, and politics. A decade ago, the customizable ringtone was ubiquitous. Almost any crowd of cell phone owners could produce a carillon of tinkly, beeping, synthy, musicalized ringer signals. Ringtones quickly became a multi-billion-dollar global industry and almost as quickly faded away. In *The Ringtone Dialectic*, Sumanth Gopinath charts the rise and fall of the ringtone economy and assesses its effect on cultural production. Gopinath describes the technical and economic structure of the ringtone industry, considering the transformation of ringtones from monophonic, single-line synthesizer files to polyphonic MIDI files to digital sound files and the concomitant change in the nature of capital and rent accumulation within the industry. He discusses sociocultural practices that seemed to wane as a result of these shifts, including ringtone labor, certain forms of musical notation and representation,

and the creation of musical and artistic works quoting ringtones. Gopinath examines “declines,” “reversals,” and “revivals” of cultural forms associated with the ringtone and its changes, including the Crazy Frog fad, the use of ringtones in political movements (as in the Philippine “Glorigate” scandal), the ringtone’s narrative function in film and television (including its striking use in the films of the Chinese director Jia Zhangke), and the ringtone’s relation to pop music (including possible race and class aspects of ringtone consumption). Finally, Gopinath considers the attempt to rebrand ringtones as “mobile music” and the emergence of cloud computing.

Do You Talk Funny? David Nihill,2016-03-08 Public speaking can be terrifying. For David Nihill, the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers-in-law. Without a parachute or advanced weaponry. Something had to change. In what doesn't sound like the best plan ever, David decided to overcome his fears by pretending to be an accomplished comedian called Irish Dave for one full year, crashing as many comedy clubs, festivals, and shows as possible. One part of the plan was at least logical: he was already Irish and already called Dave. In one year, David went from being deathly afraid of public speaking to hosting a business conference, regularly performing stand-up comedy and winning storytelling competitions in front of packed houses. And he did it by learning from some of the best public speakers in the world: stand-up comedians. **Do You Talk Funny?: 7 Comedy Habits to Become a Better (and Funnier) Public Speaker** shows how the key principles of stand-up comedy can be applied to your speaking engagements and presentations to make you funnier,

more interesting, and better looking. (Or at least two of the three.) Whether you are preparing for a business presentation, giving a wedding toast, defending your thesis, raising money from investors, or simply want to take on something you're afraid of, this book will take you from sweaty to stage-ready. You'll learn how to: - Craft a story and content that your audience will want to listen to - Find the funniest parts of your material and how to get to them faster - Deal with stage fright - Master the two most important parts of your performance: timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury.

Social Networking Jennifer Obee, 2012-05-18 Social networking is now an entrenched activity for nearly every teen in the country. A recent study showed that nearly 75% of American teens use an online social network, a percentage that continues to rise. Librarians, such as the author herself, are often asked by young adults for help and advice on social networking, but teens also turn to their friends for information, which can be inaccurate or incomplete. *Social Networking: The Ultimate Teen Guide* helps young adults make the most of their online experience, giving them a complete understanding of social networking while also addressing online safety. Author Jennifer Obee helps teens navigate through the challenging intricacies of social networks, covering such topics as: Facebook YouTube Twitter netspeak blogs privacy cyberbullying videochat smartphones. With quotes from teenagers about their favorite sites and personal stories, *Social Networking* is the perfect resource for teens trying to gain a better understanding of the vast

online world.

ELLEgirl ,2006-02-06 ELLEgirl, the international style bible for girls who dare to be different, is published by Hachette Filipacchi Media U.S., Inc., and is accessible on the web at ellegirl.elle.com/. ELLEgirl provides young women with insider information on fashion, beauty, service and pop culture in a voice that, while maintaining authority on the subject, includes and amuses them.

Sleeping with the Boss Marissa Clarke,2014-08-11 For the last five years, bookish Claire Maddox has been living for the dying. Now that her stint as caretaker is over, she's off to see the world. She needs quick cash first, so a temp job at Anderson Auctions seems perfect, especially with the unexpected benefits, including the hottest man she's ever laid eyes—or hands—on. Former Marine William Anderson has been burned one time too many. His military training makes him the perfect man to flush out the spy undercutting his family business, but no amount of training can prepare him for the kind of undercover work he'll have to do when the sexy new temp is implicated. Desire lands them in bed...but duty may cost him his heart. Each book in the Anderson Brothers series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 *Sleeping with the Boss* Book #2 *Neighbors with Benefits* Book #3 *Chance of a Lifetime*

The iPod Book Scott Kelby,2008 There is no denying it: With the introduction of the iPod and iTunes, Apple changed the face of music. While the iPod and iTunes are user-friendly, figuring them out for the first time can be tricky. Plus, they can do way more than meets the eye. In this fully updated best-seller, award-winning author, Scott

Kelby, delivers what users need to know to get up to speed fast on Apple's popular iPod digital audio players and iTunes software. Through full-color illustrations and simple step-by-step instructions, readers will learn all about: the brand new iPod touch, equipped with a multitouch interface, 3.5-inch widescreen display, and WiFi Web browsing; the iPod shuffle, sporting a new belt clip and new colors; the iPod nano, featuring a new glamorous square shape, video, an enhanced interface, larger and brighter display, and new colors; the iPod classic which now incorporates iTunes cover flow, enhanced interface, and a sleeker design; and the new iTunes Wi-Fi Music Store, which now lets iPod users browse the iTunes Store and purchase music over a wireless connection straight onto their Apple mobile device. Scott also provides the basics of how to share music between Macs and PCs; sync iTunes-created playlists as well as iPod-created voice notes; burn large playlists to CDs; download and watch videos; and more. Best of all, Scott has peppered the guide with tons of time-saving tips and tricks that typically can only be gleaned through hard-won experience.

Vision Beyond Blindness Santhirasegaran Sabaratnam, 2023-01-31
This book is a rare window into the blind community that highlights the stories of those who have achieved success in academia as well as various fields and industries. They are the guiding light, the forerunners who have shown that they still have the capabilities and drive to achieve their goals and live independent and meaningful lives. May their inspirational stories motivate a new generation of achievers to dream big and realise their potential in life.

Vibe ,2005

Billboard ,2009-09-12 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Jesus, My Father, the CIA, and Me Ian Morgan Cron,2011-06-06
A touching memoir of life with an alcoholic father who secretly works with the CIA, a dark pilgrimage through the valley of depression and addiction, and finding a faith to redeem and a strength to forgive. This is a record of my life as I remember it—but more importantly, as I felt it. At the age of sixteen, Ian Morgan Cron was told by his mother that his father, a motion picture executive, worked with the CIA in Europe. This astonishing revelation, coupled with his father's dark struggle with alcoholism, upended the world of a teenager struggling to become a man. Born into a family of privilege and power, Ian's life is populated with colorful people and stories as his father takes the family on a wild roller-coaster ride through wealth and poverty and back again. Decades later, as he faced his own personal demons, Ian realized that the only way to find peace was to voyage back through a painful childhood marked by extremes—privilege and poverty, violence and tenderness, truth and deceit—that he'd spent years trying to escape. A fast-paced, unique memoir about the power of forgiveness from the bestselling author of *The Road Back to You* Details his father's struggle with alcohol and Cron's own journey from addiction to twenty-three years of sobriety Encouragement to see God's redemptive power through life's struggles In this surprisingly funny and forgiving memoir, Ian reminds us that no matter how different the pieces may be, in the

end we are all cut from the same cloth, stitched by faith into an exquisite quilt of grace.

The Late Parade: Poems Adam Fitzgerald, 2013-06-17 A debut collection that welcomes a new modernist aesthetic for the twenty-first century. Aswirl with waking dreams and phantom memories, *The Late Parade* is a triumph of poetic imagination. To write about one thing, you must first write about another. In Adam Fitzgerald's debut collection, readers discover forty-eight poems that yoke together tones playful and elegiac, nostalgic and absurd. Fitzgerald's shape-shifting inspirations beckon us to join an urban promenade (McLane) with a multiplicity of chimerical stops: from the unreal cities of Dubai to the former Soviet Union, from Nigerian spammers and the Virgin Mary to Dr. Johnson and Cat Power. The glory of this volume is the long title poem, which carries the primal vision of Hart Crane into a future that does not surrender the young poet's love of the real, writes Harold Bloom. Mash-ups of litanies, monologues and odes, these poems spring from a modernist landscape filled with madcap slips of tongue, innuendo, archaisms and everyday slang. Though Fitzgerald's lines often hallucinate meanings that feel open-ended, they never ignore the traditional pleasures of poetic craft and memory, their music an ambient drone—part Technicolor, part nitrous oxide. Even so, what glues these fantasies together is more than the charm of the maddeningly chameleon rhetoric. Fitzgerald's sonorous voice is unabashedly that of a love poet's: melancholic, baroque and visionary. *The Late Parade* is a testament to the powers of confusion, which may disguise our sense of loss but offer in return that eloquent tonic known as poetry. As Richard Howard writes, When the new poet turns up the heat, he gives us just the necessary outrages which make us understand what we never knew we could

say.

Billboard, 2010-04-03 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
