Romantic Poetry Emily Browning, 2012-10-03 Whether you're looking for the right words to send that special person, or the right words to say on Facebook, there's nothing better than a good romantic poem. This is a collection of some of the best romantic poems, from some of the world's greatest poets. In just a few words, a romantic poet tells a story that would otherwise require a full length book. Take for example the poem 'Hot and Cold' by Roald Dahl: A woman who my mother knows Came in and took off all her clothes. Said I, not being very old, 'By golly gosh, you must be cold!' How to Write a Love Poem HowExpert Press, Howard Moore, 2016-09-07
If you want to learn how to write a love poem, then check out *How To Write a Love Poem* written by a love poetry enthusiast. Love poetry can be about romantic love but far more. It can be about love of country, of a people or nation. It can be about love of ideals such as freedom and peace. Poetry can be rhymed or written in one of many recognized forms of poetry (such as a Sonnet). It can be unrhymed and follow no uniform pattern. In any topic or form, love poetry can be written by making images for the reader and then moving from image to image to express the writer's chosen feelings and ideas. Love poetry can be inspired by experiences, the classics, legends, heroic figures, patriotism, personal ideals or even the works of other poets. The first step is to understand what love poetry is: a way to relate feelings to the art of words. It is the skillful use of words to bring ideas about feelings and emotions to a reader. One important skill is to be able to capture an image. This should be done in as few words as possible; it can also be done very effectively at the beginning of the write such as in the opening lines or first stanza. Love can mean many things in addition to romantic love: love of a place, a people, a nation; it can be love of people for various reasons. Relationships, friendships, and family are examples of love of this kind. There are unique and special bonds of love between parent and child. All of these forms of love can be the subject of a love poem. Once the image is captured there are choices for the writer to make: to rhyme, use a poetry form; use free verse, use images, or develop a metaphor so that some few words will stand for something much larger in scope. Other forms of poetry are song lyrics, Rap, and spoken poetry. These all have in common the idea of combining rhythm and words. These are even more special talents, to do blend music and/or rhythms into poetry. Read *How to Write a Love Poem Today!*

Eternal Love: Romantic Poetry Straight from the Heart Stacey Chillemi, How do you know when you are in love? What is true love and what is not? How can I find a person to love and share the rest of my life? Will true love come to me naturally? How can I build a relationship? The poems in my book answer these questions. People are eager to find true love—love that will not last a short period of time, but for a lifetime. *Eternal Love* is designed to answer these questions and more. It is divided into two sections that correspond to the way most people “experience” love: the explanation of love and the love poems (using poems and love letters that I created). Each part highlights a particular aspect of love, what love is, and how it can be obtained. Many philosophers and writers have tried to find the true meaning of love, yet true love remains to be one of the most mysterious feelings on this planet. Sometimes we are not always aware when true love comes our way. True love is not something we can control. It takes control of our mind, body, and soul. However, when it does come our way, it enriches our lives and makes our heart sing with joy. True love is magical, and no one should have to live without it. *Eternal Love: Romantic Poetry Straight from the Heart* is a collection of poems that describes the true meaning of true love. So find a comfortable spot in your home and get ready to encounter the magical journey of eternal love.
