**The Mother of Black Hollywood** Jenifer Lewis, 2017-11-14 National Book Club Conference 'Book of the Year' Award Winner From her more than three hundred appearances for film and television, stage and cabaret, performing comedy or drama, as an unforgettable lead or a scene stealing supporting character, Jenifer Lewis has established herself as one of the most respected, admired, talented, and versatile entertainers working today. This "Mega Diva" and costar of the hit sitcom *black-ish* bares her soul in this touching and poignant—and at times side-splittingly hilarious—memoir of a Midwestern girl with a dream, whose journey took her from poverty to the big screen, and along the way earned her many accolades. With candor and warmth, Jenifer Lewis reveals the heart of a woman who lives life to the fullest. This multitalented "force of nature" landed her first Broadway role within eleven days of her graduation from college and later earned the title "Reigning Queen of High-Camp Cabaret." In the audaciously honest voice that her fans adore, Jenifer describes her transition to Hollywood, with guest roles on hits like *The Fresh Prince of Bel-Air* and *Friends*. Her movie *Jackie's Back!* became a cult favorite, and as the "Mama" to characters portrayed by Whitney Houston, Tupac Shakur, Taraji P. Henson, and many more, Jenifer cemented her status as the "Mother of Black Hollywood." When an undiagnosed mental illness stymies Jenifer's career, culminating in a breakdown while filming *The Temptations*, her quest for wholeness becomes a harrowing and inspiring tale, including revelations of bipolar disorder and sex addiction. Written with no-holds-barred honesty and illustrated with more than forty color photographs, this gripping memoir is filled with insights gained through a unique life that offers a universal message: "Love yourself so that love will not be a stranger when it comes."

**Those Who Wait** Haley Cass,2020-03-31 Sutton Spencer's ideas for her life were fairly simple: finish graduate school and fall in love. It would be a lot simpler if she could pinpoint exactly what she should do when she graduates in less than a year. Oh, and if she could figure out how to talk to a woman without feeling like a total mess, that would be great too. Charlotte Thompson is very much the opposite. She's always had clear steps outlining her path to success with no time or inclination for romance. Her burgeoning career in politics means everything to her and she's not willing to compromise it for something as insignificant as love. Fleeting, casual, and discreet worked perfectly fine. When they meet through a dating app, it's immediately clear that they aren't suited for anything more than friendship. Right?

#GIRLBOSS Sophia Amoruso,2014-05-06 In the New York Times bestseller that the Washington Post called “Lean In for misfits,” Sophia Amoruso shares how she went from dumpster diving to founding one of the fastest-growing retailers in the world. Amoruso spent her teens hitchhiking, committing petty theft, and scrounging in dumpsters for leftover bagels. By age twenty-two she had dropped out of school, and was broke, directionless, and checking IDs in the lobby of an art school—a job she’d taken for the health insurance. It was in that lobby that Sophia decided to start selling vintage clothes on eBay. Flash forward to today, and she’s the founder of Nasty Gal and the founder and CEO of Girlboss. Sophia was never a typical CEO, or a typical anything, and she’s written #GIRLBOSS for other girls like her: outsiders (and insiders) seeking a unique path to success, even when that path is windy as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn’t about where you went to college or how popular you were in high school. It’s about trusting your instincts and following your gut; knowing which rules to follow and which to break; when to button up and when to let your freak flag fly. “A witty and cleverly told account . . . It’s this kind of honest advice, plus the humorous ups and downs of her rise in online retail, that make the book so appealing.” —Los Angeles Times “Amoruso teaches the innovative and entrepreneurial among us to play to our strengths, learn from our mistakes, and know when to break a few of the traditional rules.” —Vanity Fair “#GIRLBOSS is more than a book . . . #GIRLBOSS is a movement.” —Lena Dunham
