Suddenly being flung into a messy divorce, Edward spent his last money on a reading with internationally-known psychic, Rosemary Altea, changing his life forever. Never

Psychic Blues Mark Edward, 2012-08-14 Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology of humans, a foe of those who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer.—Joel Moskowitz, International Brotherhood of Magicians Mark Edward admits that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Now Edward is a magician who works the Haunted Castle in Hollywood and is also on the editorial board of Skeptic magazine, where he reveals the means of psychic scamsters. This entertaining book is at once a confessional and instructional regarding human belief and those who exploit it. Though Edward believes that most practitioners of the psychic business are out-and-out scam artists, he also counters the skeptic belief that the supernatural is a lie. Both skeptic and skeptical of skepticism, Mark Edward has worked as a 900-number psychic, ghost hunter, and Hollywood Magic Castle medium. He has also worked vigorously to debunk psychic frauds and currently works on the editorial board of Skeptic magazine.

Midlife Psychic Carolyn Arnold, 2021-08-18 Hot flashes in my forties? Expected. Waking up psychic? Not in my wildest dreams. My name is Erin Stone. I'm forty-three with a daughter away at college and a successful career as a communications officer with the 911 dispatch center for the Toronto Police Service. My life had just returned to a new normal after my divorce and everything was going along smoothly. Then BOOM! Turns out the universe had other plans for me. I dreamed of a plane crash—only it wasn't just a dream. The crash happened in real life. Eighty-three dead. A vision, plain and simple. Not exactly. My family certainly wouldn't understand. And me...psychic? I'd dabbled in new-age spirituality in the past but never plunged into the deep end. Now I'm in over my head. Why was I given this vision, and does it hold clues as to what caused the crash? My best friend,

Trish, is convinced it does, and a handsome stranger with the National Transportation Safety Board is willing to partner with me to solve the mystery. But if I'm going to embrace the vision as telling of newfound psychic abilities, I will need to keep my paranormal gift a secret from my daughter, brother, and aunt. Little good that might do them though. Someone out there has their own secrets and is willing to go to great lengths to protect them. Now the very gift I was given has put the lives of my loved ones at risk. Will my psychic abilities be strong enough to save them? This work of paranormal women's fiction features a strong-willed heroine in her forties with enough baggage to check some, along with a heavy dose of magic and a splash of romance. Readers love *Midlife Psychic*: "What a heart-pounding good story. The Psychic in You Jeffrey A. Wands,2004-02-17 When Jeffrey Wands was six years old, he met his great grandmother Mary. She had been dead for twenty-three years. Gifted psychic Jeffrey Wands's connection with his great grandmother was the first step in a remarkable journey that has led to his current status as one of the most acclaimed and successful psychics in the country. Now, in *The Psychic in You*, he traces his development as a psychic and describes what it's like to grow up with such an extraordinary gift. Using a series of compelling and dramatic anecdotes, he illustrates the joys -- and the pain -- that this faculty has brought him. *The Psychic in You* is a book of incredible stories told in the most down-to-earth and readable way. And underpinning this exceptional narrative is Jeffrey Wands's belief that all of us have psychic capabilities, and that all of us can -- and should -- try to develop them. A fascinating read full of dramatic accounts of the paranormal, *The Psychic in You* includes information on: • Unleashing your own psychic ability • Contacting loved ones who have crossed over • Understanding the dead • Freeing yourself from pain and negativity • Handling fear of the dead Captivating, yet practical, this highly readable book dispels the myths and superstitions that surround psychic phenomena and provides a decidedly down-to-earth look at communicating with the other side. Psychic Wholeness and Healing, Second Edition Anna A. Terruwe MD,Conrad W. Baars,2016-03-30 As noted psychiatrists, authors, and lecturers, Baars and Terruwe excitingly blend medieval and classical notions of the human psyche together with modern clinical discoveries as they probe the topic of psychic wholeness and healing. The authors explore the entire human psyche, including man's spiritual dimension, which is an area totally ignored by most modern psychiatrists--creating in modern man an ever-deepening sense of frustration in searching for effective psychiatric treatment for his emotional turmoil. The books' numerous detailed clinical case histories clarify the authors' therapeutic principles. The following questions, among many others, are considered in this work: How best to help a person who lives in constant fear that he has committed a serious sin even though he knows he has not? Does a person who wants to live a moral life, yet cannot refrain from doing things that he knows are immoral, suffer from weakness of willpower or from a neurosis that would lend itself to therapy?
