For the Love of God Alicia Suskin Ostriker,2007 For the Love of God is a provocative and inspiring re-interpretation of six essential Biblical texts: The Song of Songs, the Book of Ruth, Psalms, Ecclesiastes, Jonah, and Job. In prose that is personal and probing, analytically acute and compellingly readable, Ostriker sees these writings as counter-texts, deviating from convention yet deepening and enriching the Bible, our images of God, and our own potential spiritual lives. Attempting to understand some of the wildest, strangest, most splendid writing in Western tradition, she shows how the Bible embraces sexuality and skepticism, boundary crossing and challenges to authority, how it illuminates the human psyche and mirrors our own violent times, and how it asks us to make difficult choices in the quest for justice.
