Creative Ideas for Children's Worship Sarah Lenton, 2010-11-30 Ask almost any priest what his or her biggest headache is and the answer is likely to be 'coming up with ideas for including children in worship'. Here is the answer to those prayers - a whole year's worth of activities and ideas complete with artwork and visual aids. These sixty outlines have been developed and used in an Anglican parish church over the last eight years by a professional educationalist, artist and experienced children's church leader. The worship outlines include simple children's liturgies and a complete lesson or story plan that harmonizes with what the adults are doing in church on the same day. Through fun ideas, children encounter a real aspect of the Christian faith focused on a theme to be found in the Gospel of the day. Each outline includes a variety of options which make them workable with small and large groups of children or single groups of mixed ages. Illustrated throughout, the text and artwork appears on the accompanying CD Rom in full colour for downloading and printing or copying.

Jess H. Rider Haggard,2023-09-24 Who had murdered Frank Muller was and remains a mystery among them to this day. The knife was identified by natives about the farm as belonging to the Hottentot Jantje, and a Hottentot had been seen running away from the place of the deed and hunted for some way, but he could not be caught or heard of again. Therefore many of them are of the opinion that he is the guilty man. Others, again, believe that the crime rests upon the shoulders of the villainous one-eyed Kafir, Hendrik, Muller's own servant, who had also vanished. But as they have never found either of them, and are not likely to do so, the point remains a moot one. Nor, indeed, did they take any great pains to hunt for them. Frank Muller was not a popular character, and the fact of a man coming to a mysterious end does not produce any great sensation among a rough people and in rough times....FROM THE BOOKS.
