Indo Shortcuts 2 Mohd Mursalin Sa'ad, 2020-06-18 Review: The handbook is Perfect for travelers, business people and anybody else that needs to know the most often used Indonesian phrases. This book and learning system offers the fastest and most efficient method to speak and understand the Indonesian that you need. A word from the author: My book helps students and working adults who want to learn Indonesian language simple and easy by direct Indonesian speaking; included with transliteration and English translation. The unique advantage is that it was based on the author's actual life experience learning Arabic with his perspective and learning concept will enlighten the process of learning Indonesian language. Why learning Indonesian language is beneficial to you Our basic topic is "INDONESIAN SHORTCUTS", and we will be examining that in detail, particularly why improving our skills at speaking foreign language is so important in the future. You see, there are about 23 million native Indonesian speakers and about 156 million speak it as a second language, this is according to 2010 census. Do you know that in Britain primary schools are implementing a new curriculum to encourage students to learn a foreign language? I reckon that Britain understands advance knowledge and wisdom to foresee what's coming in the future. To say it wisely "a person with a second or third language builds deeper ingrain intellectual mind". You see, in Asia people speak a minimum of two language and some has the ability speaking 3 languages. You will be amaze that these people can read, write and speak fluently in

that third language. Nobody wants to learn something which has no benefit, but if you travel to Indonesia, and place most people go is Bali, Lombok, Jakarta. as tourist, learning a foreign language will definitely help you to know about the culture. and it makes your life more interesting. Questions: What foreign language to learn? It depends on your objective of learning. If you intend to travel or do business in Indonesia, then I suppose learning the Indonesian language does help a lot because most locals speak Indonesia, when you speak their language, you relate yourself to the people around you. Is it easy to learn speaking Indonesia? Yes, Letters and words written in Latin, no transliteration. Only the pronunciation is difference, but wants you get the sound of it, you can definitely speak Indonesia. How fast can I learn? Depends on your commitment and time. It is best to mingle with the locals. Why learn Indonesian language? Firstly, the tourist industry is expanding, some people preferred to visit Asian countries, because it is cheaper. Why spend thousands of dollars to Europe? Secondly; Opportunities to get products cheaper and import to your country. Thirdly; cheap place to spend in winter such as accommodation and food. You will get in this Indonesian shortcuts series: · 30 topics of real Indonesian dialogues, · Approximately 2000 new phrase · Lots of expression and usage of the language, · 72 hours of lesson · Recap of lessons with a list of vocabularies · and lots of quiz

Easy Spanish Phrase Book for Travelers Mateo Ramirez, 2019-11-28 How to Learn the Spanish You'll Need for Your Trip Even If Your Flight Is Tomorrow You and your best friend get a little crazy when it comes to making vacation plans, but that's what vacation is all about, right? It's also why you've been traveling with your bestie since college. Never a dull moment would be an understatement. Your friend kicks it off excitedly, where should we go!? Your imagination runs wild. Europe! Bold! I like it... Which part? Looking at each other, you yell Spain! You've both had a thing for Picasso ever since your Art History class together. He didn't just push the boundaries of art with breathtaking work, he's cool, too. So, you set a course for Madrid. Some of Picasso's best work is there, and the capital seems like an easy place to ease into the new culture. You'll just figure the rest out when you get there. They speak English there, right? No big deal. Landing at Madrid-Barajas Airport, you look for the public transit to take you to your AirBnB. But the buses and tickets aren't all that clear. You ask the person at the information desk for help, but she just stares at you. Habla Ingles? She shakes her head. What? Scrambling to translate what you need on your browser, you notice that 65% of the population doesn't speak any English, and very few speak it fluently. Even the tourism industry has a reputation for not always speaking English. Getting around is going to be interesting. There is nothing more frustrating than being on vacation and struggling to communicate and make your way through the city. Most tourist destinations have English-speaking zones with attractions that have the English covered. But once you get outside of that, it can be tricky. And Spanish-speaking countries are no exception. The good news is that it doesn't take much to get covered. You'll find you can quickly learn the essentials that you need for most interactions and situations. And there's a lot of overlap between Spanish and English. Believe or not, you already know quite a few Spanish words. A couple other inviting things about learning Spanish: words are pronounced the way they're spelled, and the grammar is rather intuitive for English speakers. Once you learn the fundamentals of Spanish, you'll get a lot of mileage from it. There are close to half a billion native Spanish speakers, globally. And over 40 million speak it as their first language in the US. Here's a select sample of what you'll discover in Spanish Phrase Book for Travelers Chit-Chat 101. Being polite and friendly from the get go Get a running head start! See all the Spanish words you already know Spanish words you should say in one country, but absolutely NOT say in another Less ¿Cómo?, More Sí! Making sure you understand what someone is saying What's your story? Talking about your yourself to people you just met Great deals and delicious food. How to order and shop with confidence Fundamental rules so you get a solid foundational understanding to build on And much more. A lot of people resist learning the language of the country they're visiting. They assume they'll be fine with a translator. But life moves pretty quick. Anyone who's ever tried this, experiences a lot of impatient people. And you still have to understand what they're saying! The good news: the essentials you need don't take a lot to master. In just a few weeks, you can be proficient. If you want to quickly learn the fundamentals of Spanish without frustration, scroll up and click the Add to Cart button right now.
