Tracey Hawthorne,2024-03-01 Dry humping and keeping her head down has been the story of Toni's life for a long time. An emotionally abusive husband and an existence where she has consistently had three choices. Deciding to fight him or more accurately stand up for herself, to run away to something else, or to freeze like a coward. Too often she has chosen to freeze to accept this life of less, but how much longer can she remain and accept a husband who loves to hate her. - Tracey Hawthorne Short Reads ..... **Before Her Time**

Tracey Harris,2021-05-28 Julia was a young and beautiful woman in her early thirties. She had a successful career as a freelance journalist, was the mother of twin boys, and was adored by her ex-husband Will. Julia had her whole life ahead of her, but on one ordinary day just like any other, things changed in an instant. For no apparent reason, Julia took her own life. After Julia's untimely death, Will returns home to his family for help raising the twins. He eventually meets Stacey, a successful career woman and coworker on a political campaign. Despite his grief, he falls in love and moves on with his life after losing Julia. Over time, however, Will's tragic tale begins to morph into something suspicious. Julia's family never believed she would leave her sons of her own accord—and maybe she didn't. Fifteen years later, Julia speaks from the grave, and the truth unfolds in a story of intrigue and betrayal.

**Memoirs of Tygar Hudson, Fbi**

Tracey Lynn,2011-11 To the FBI, Tygar Hudson is a bright, hard working, dedicated agent. To the rest of the world, she's an enigma. Having seen firsthand man's lack of compassion, she remains a hopeless romantic. Independent in every way, she yearns to be in a happy, healthy relationship. For an FBI agent of her caliber, this is not a realistic goal. When your life and the lives of everyone around you are constantly at risk, how do you create an environment of love? Is Anthony the one? Or is it David she's meant to be with? Or perhaps a new love interest will enter her life and change her world forever. Tygar's twenty years in the FBI are filled with excitement, danger, romance, world travel, and people she will never forget. And neither will you.

**When Spinoza Met Marx**

Tracie Matysik,2023-01-23 Explores concepts that bring together the thinking of Spinoza and Marx. Karl Marx was a fiery revolutionary theorist who heralded the imminent demise of capitalism, while Spinoza was a contemplative philosopher who preached rational understanding and voiced skepticism about open rebellion. Spinoza criticized all teleological ideas as anthropomorphic fantasies, while Marxism came to be associated expressly with teleological historical development. Why, then, were socialists of the German nineteenth century consistently drawn to Spinoza as their philosophical guide? Tracie Matysik shows how the metaphorical meeting of Spinoza and Marx arose out of an intellectual conundrum around the meaning of activity. How is it, exactly, that humans can be fully determined creatures but also able to change their world? To address this paradox, many revolutionary theorists came to think of activity in the sense of Spinoza—as relating. Matysik follows these Spinozist-socialist intellectual experiments as they unfolded across the nineteenth century, drawing lessons from them that will be meaningful for the contemporary world.

**Still Preying**

Tracie Loveless Hill,2018-06-26 After being shot and nearly killed, Rev. Randall Harris is a changed man. He has become a good husband, a dedicated Pastor, and he's turned his life over to the Lord. But his former right hand man, Deacon Samuel Wise seems poised to take over where Rev. Harris left off. Deacon Wise wants the old Rev. Harris back—the scoundrel who once ran the streets with him and preyed on the women of the congregation. Deacon Wise is on his own, though, and continues to lead a secret life built on lies, cheating—and eventually, theft. When Unity Missionary Baptist Church receives a hefty inheritance from one of its beloved members, Deacon Wise schemes to see if he can get his hands on some of it—but without his old partner in crime to cover for him, he's treading on dangerous ground. When violence brings everything to a head, the good Deacon could lose all he's worked for, and risk the safety of those he cares about—and all because he is Still Preying!

**When Spinoza Met Marx**

Tracie Matysik,2023-01-23 How did Baruch Spinoza, the seventeenth-century Dutch-Jewish philosopher, become a nineteenth-century German Marxist? It is on its face an unlikely development. Karl Marx was a fiery revolutionary theorist who heralded the imminent demise of capitalism, while Spinoza was a contemplative philosopher who preached rational understanding and voiced skepticism about open rebellion. Further, Spinoza criticized all teleological ideas as anthropomorphic fantasies, while Marxism came to be associated expressly with teleological historical development. Yet socialists of the German nineteenth century were consistently drawn to Spinoza as their philosophical guide. Tracie Matysik shows how the metaphorical meeting of Spinoza and Marx arose out of an intellectual conundrum about the meaning of activity. How is it, exactly, that humans can be fully determined creatures - creatures in nature and governed by causal laws of nature - and also able to change their world? To address this seeming paradox, many revolutionary theorists scrapped the idea of activity as something autonomous humans do when they assert themselves against nature and its causal laws. Thinking with Spinoza, they came to think of activity instead as relating - as the state of relations between humans and between humans and the non-human world. Matysik follows these Spinozist-socialist intellectual experiments in the meaning of activity that unfolded across the nineteenth century, drawing lessons from them that may be meaningful for the environmental-justice issues confronting the contemporary world--

**USA Darts** Nigel Boeg,2021-12-20 This book has been compiled to provide details of tournament winners and runners up of USA steel tip tournaments. Every effort has been used to identify and correctly record winners and runners up of tournaments. In some cases there will be results “missing”. If these can be identified they will be included in a future edition. There maybe errors with names being misspelt and ladies surnames may have changed. Where possible, hosting organisation and the year that the tournament was first held will be listed. Other facts about the tournament will be listed if available. Besides tournament results, there are two chapters that were authored by Chuck Hudson. One chapter is on the founding of the United States Sports Darts Alliance (USSDA) and the other is Sandy Hudson a professional player. Both of these chapters are an interesting read and provides a snapshot of darts in the US. This book provides the reader and dart enthusiast information on other published books and magazines, links to web sites of dart manufacturers, Professional Bodies and Organisations, dart stores, and Country Darts Organisations. This is not a comprehensive list but begins the work of collating details into one place. Instead of being scattered around the World Wide Web across many sites and publications. Many dart tournaments in 2020 will be cancelled due to the Coronavirus pandemic.

The Complete Idiot's Guide to 30,000 Baby Names Marcia Layton Turner,Robbi Hess,2006-02-07 The Complete Idiot s Guide to 30,000 Baby Namesoffers a little something extra than the majority of books on the market. Rather than provide readers with an alphabetized name list for each gender (which, by the way, it also does), it dedicates approximately half of its total pages to various lists that help parents zero in on the perfect name for their baby and add some fun to the baby-naming process. In addition to the various lists of names and a two-color alphabetized name section, this book also contains colorful name histories and helpful information on how to go about finding and choosing the perfect name. Lists include something for everyone.
