Delwyn S. Oki

Tracks on Web-maps of the Dunedin Area and the Expanding Role of Track-names Pete McDonald,2013-11-01 The invention of digital maps has greatly increased the amount of information that a map can provide. This study looks at foot-tracks and cycle tracks on web-maps, a rapidly evolving subject. Title: Tracks on Web-maps of the Dunedin Area and the Expanding Role of Track-names Author: McDonald, Pete. Publisher: Pete McDonald, Dunedin, NZ (2013). Description: E-book (PDF), A4, colour illustrations. Pages: 92 About: Trails, New Zealand, Dunedin, Maps, History, Recreation.

Tracks in Deep Time Jerald D. Harris,Andrew R. C. Milner,2016-02 An engaging account of the history, geology, and paleontology of the St. George Dinosaur Discovery Site at Johnson Farm

Make Tracks: Building Site ,2023-09-05 Discover five different building site vehicles in this series of interactive board books with easy-to-use moving parts--a concrete mixer, a dump truck, an excavator, a bulldozer, and a front loader. Learn vehicle vocabulary with simple first words, clear diagrams, and helpful text prompts to encourage discussion. Then, drive 5 types of transportation around 5 tracks with a moving slider. The perfect book for children who love diggers and dump trucks--and being in the driver's seat! Other titles in the series include: Cars

Finding Australian Birds Rohan Clarke,Tim Dolby,2014-05-28 Finding Australian Birds is a guide to the special birds found across Australia's vastly varied landscapes. From the eastern rainforests to central deserts, Australia is home to some 900 species of birds. This book covers over 400 Australian bird watching sites conveniently grouped into the best birding areas, from one end of the country to the other. This includes areas such as Kakadu in the Top End and rocky gorges in the central deserts of the Northern Territory, the Great Barrier Reef in Queensland, rainforests distributed along the eastern Australian seaboard, some of the world's tallest forests in Tasmania, the Flinders Ranges and deserts along the iconic Strzelecki and Birdsville Tracks in South Australia, and the mallee temperate woodlands and spectacular coastlines in both Victoria and south west Western Australia. Each chapter begins with a brief description of the location, followed by a section on where to find the birds, which describes specific birdwatching sites within the location's boundaries, and information on accommodation and facilities. The book also provides a comprehensive 'Bird Finding Guide', listing all of Australia's birds with details on their abundance and where exactly to see them. Of value to both Australian birdwatchers and international visitors, this book will assist novices, birders of intermediate skill and keen 'twitchers' to find any Australian species.

Tracks on a Page Frances Washburn,2013-05-23 This book details the intersections between the personal life and exceptional writing of Louise Erdrich, perhaps the most critically and economically successful American Indian author ever. Known for her engrossing explorations of Native American themes, Louise Erdrich has created award-winning novels, poetry, stories, and more for three decades. Tracks on a Page: Louise Erdrich, Her Life and Works examines Erdrich's oeuvre in light of her experiences, her gender, and her heritage as the daughter of a Chippewa mother and German-American father. The book covers Erdrich from her birth to the present, offering fresh information and perspectives based on original research. By interweaving biography and literary analysis, the author, who is herself Native American, gives readers a complete and nuanced understanding of the ways in which Erdrich's identity as a woman and an American Indian have influenced her life and her writing. Tracks on a Page is the first, book-length work to approach Erdrich and her works from a non-Euro-Western perspective. It contextualizes both life and writing through the lenses of American Indian history, politics, economics, and culture, offering readers new and intriguing ways to appreciate this outstanding author.
