Tahoe Tales of Bygone Days and Memorable Pioneers Don Lane,2004-11-24 The manuscript is a collection of short stories that were originally prepared as part of a radio program that began in the early 1980's as a summer informational and educational program for Tahoe area residents and tourists. Between 1982 and 1985 the author presented more than one hundred radio tales about Tahoe's history and the environment over Tahoe radio station KTHO AM-590. Lane returned to the radio airways in 1995, this time with radio station KOWL AM-1490, and has since broadcast more than two thousand tales ("Don Lane's Tales of Tahoe"). The manuscript is a distinctive mixture of stories about the events, large and small, that shaped and changed the region, and simple stories about the people that once lived in our region during the past 150-years. Stories about pioneer men and women, gold-seekers and adventurers. Tales about the unique characters; the famous like the Donner's, Mark Twain, John Sutter and James Marshall, and John Fremont, along with the powerful and the forgotten. The manuscript weaves serious history with light-hearted tales with a minimum of editorializing, as the emphasis has been on maintaining historical integrity and authenticity. The stories, gathered from old journals, archives and historical records are both entertaining, and educational. And hopefully too, this manuscript will contribute to an increased awareness of our regional history and a greater appreciation for those people that have been lost inside the pages of history.

CORRUPT INEPT RUDDERLESS POLITICIANS Sat Sharma,2014-11-24 People living on the Indian subcontinent have been a sharply divided lot for a very long time in spite of belonging to the same established respected older civilization. Our divisiveness resulted in inviting repeated assaults by uncivilized Arabs and savages from other parts of Asia. This led to foreign subjugation for a millennium first by Islamic invaders and looters; then by Europeans who came as traders but became rulers. The entry of aliens led to unabashed proselytizing into their newer religions. It may not be wrong to say that 99 percent of Muslims and Christians living on the subcontinent are converts from Hinduism (that has been more a way of life rather than a watertight religion for two millennia or more). This means today's inhabitants are from the same civilization and culturally speaking Hindustanis. However, a proliferation of alien religions did aggravate and compound divisiveness. The British ruled the country for two centuries or so, and did the maximum damage to our character, morale and psyche. After the 'First War of Independence' the British promulgated pretty stiff laws especially the Police Act of 1861 to keep their 'slaves' under tight leash. Worse still they introduced Macaulay system of education in English to wean us away from our cultural moorings, heritage, literature, moral values and our own Sanskrit language. Indian social religious and educational reformers Raja Ram Mohan Roy, Swami Sahjanand, Bankim Chandra Chatterjee, Swami Dayanand Sarasvati, Swami Vivekananda and Rishi Aurobindo Ghosh as well as the likes of them brought back the pride of our civilization and culture. Their influence was apparent from the beginning of 19th century in the fields of politics, public administration, and education, as well as strengthening Hinduism. This first awakening from slumber or hibernation ignited the minds of revolutionaries who selflessly and untiringly worked hard on the soils of the subcontinent and the foreign lands culminating in throwing out deeply entrenched British lock, stock and barrel. Not so nationalistic but opportunistic Congress party led by their self-serving trio of stalwarts - Gandhi, his 'adopted son' Nehru and 'lieutenant' Patel - got the subcontinent partitioned and formed government in divided India. Congress party ruled but NOT served Hindustan for 90 percent of the time since independence by strictly following British 'Divide and Rule' policy to perfection without changing/improving archaic British laws. Being communal, Congress aggravated the divisiveness thus bringing untold misery to the masses in the form of communal strife and Hindu-Muslim riots repeatedly. The prolonged misrule by those corrupt inept rudderless politicians including the decade under its 'economist dummy' PM heading the most corrupt and arrogant government ever in the history of independent country brought in lawlessness, fragile environment, grossly inadequate infrastructure, increasing terrorism and Maoism/Naxalism, ever mounting inflation, sky-rocketing corruption, gargantuan scams, bankrupt economy, policy paralysis, stalling of reforms, and what not. The absolute number of the poor today is far more than total

population of newly born country in 1947. This grave crisis-like situation warranted a second awakening in 21st century. Expectedly Hindustanis rose to the occasion once again, decimated the corrupt Congress and voted for a change by electing a visionary, strong, and honest PM from BJP with a thumping majority. This gentleman is a dynamic, focused, highly optimistic, staunchly nationalistic real leader unlike the pygmies of Congress. The task ahead is dauntingly stupendous. Modi started showing promise during his first 60 days. The damage done in 60 years may take ten years, if not more, to repair and actual proper turnaround thus placing this once great country on track to reclaim its lost genuine glory. Although independence was ushered in 67 years ago yet freedom is still awaited. That will require imminent electoral, intellectual, judicial, police, political and social reforms together with building moral character and bringing meritocracy in every appointment by doing away with the Congress policy of favours, quotas and reservations for the undeserving. Very much like Narendra Modi, the first PM to be born after independence and heading the youngest India-educated ministry, all of us have to remain optimistic and vigilant. We must perform our duties diligently as law-abiding faithful but demanding citizens alive to the times!
